

2019 Sienna

At a Glance

Sit back and relax inside Sienna – with seating for up to eight, this spacious minivan provides near-limitless comfort and amenities for the furthest of destinations. Sienna has been a popular choice amongst its class for more than two decades, and it's easy to see why. Packed with the latest in-car technology, everyone is sure to be kept entertained and cozy inside Toyota's Swagger Wagon.

Design

- * Standard 17-in. alloy wheels; available 18- and 19-in. alloy wheels[1]
- * Up to 8-passenger seating
- * New color: Celestial Silver Metallic
- * Three-zone automatic climate control

Safety

- * Toyota Safety Sense™ P (TSS-P)[2]
- * Available Blind Spot Monitor (BSM)[3] with Rear Cross-Traffic Alert (RCTA)[4]
- * 8 airbags[5]
- * Available Bird's Eye View Camera[6] offers a 360 degree look outside the vehicle from the cabin

Technology

- * Entune™ Audio[7] with up to 10 speakers
- * Available front and rear parking assist sonar[8] helps maneuver Sienna even in the tightest of situations
- * Three 12V auxiliary power outlets and five USB ports[9] keeps electronic devices charged at all times
- * Safety Connect®[10] – includes Emergency Assistance, Stolen Vehicle Locator, Roadside Assistance[11] and Automatic Collision Notification

New for 2019

For 2019, Sienna is more of a technological marvel than ever before, boasting standard Wi-Fi Connect[12] and Safety Connect®[10] across all trims. And with Apple CarPlay®[13] – also new for 2019 – iPhone[14] users can easily connect and use their devices without letting go of the wheel.

In addition to newly available JBL® audio[15] and rear parking sonar[8], the SE trim gains

all-wheel drive as an option, furthering Sienna's traction dominance as the only minivan made today with available all-wheel drive.

A handful of other feature changes mark the 2019 model year, like Smart Key[16] with Push Button Start and Blind Spot Monitor[3] with Rear Cross-Traffic Alert[4], both of which are now available on the LE trim. Lastly, a new Celestial Silver Metallic exterior color makes Sienna shine like never before.

The Bottom Line

Sienna continues to break the minivan mold. Loaded with the latest entertainment and safety technology such as an available Dual-View Blu-ray Disc Entertainment Center with 16.4-in. display and standard Star Safety System™, this isn't an ordinary minivan. Combined with its athletically sculpted body lines, it's obvious why Sienna remains a top choice for families across the country.

Awards

- 2019 Toyota Sienna received the NHTSA 5-Star Overall Safety Rating[50]
- 2019 Sienna is the only vehicle in its class to have available All-Wheel Drive.[51]
- 2018 Toyota Sienna was named one of 12 Best Family Cars of 2018 by Kelley Blue Book's KBB.com.[18]
- Toyota Sienna is one of the top 15 models owners keep for 15 years or more.[52]

Key Features

L

Sienna L jumps right out of the gate with the kind of safety and versatility families need, and the value bank accounts appreciate.

- Toyota Safety Sense™ P[2]
- Three-zone automatic climate control
- Apple CarPlay®[13] compatibility

LE Mobility Auto Access

LE Mobility Auto Access makes ingress and egress much easier for those with disabilities, with the motorized and remote-controlled Auto Access Seat and sliding second-row captain’s chairs, allowing for more space when accessing the third row.

- Remote keyless entry system with power-sliding side door
- Auto Access Seat
- Safety Connect®[10] and Wi-Fi Connect[12]

LE

Well-rounded practicality is the name of the game with Sienna LE, with its connectivity services and available all-wheel drive granting peace of mind for all seasons, plus its effortless remote power-sliding side door making life that much easier when your hands are full.

- Remote keyless entry system with power-sliding side door
- Available AWD
- Safety Connect®[10] and Wi-Fi Connect[12]

SE

Sienna SE earns its Swagger Wagon nickname with sporty styling mixing with practical features like a power rear liftgate and standard eight-passenger seating.

- Sporty styling
- Power rear liftgate
- Standard 8-passenger seating; available 7-passenger seating with AWD

SE Premium

SE Premium adds a touch of technology with state-of-the-art convenience features like Blind Spot Monitor[3] with Rear Cross-Traffic Alert[4], Smart Key System[16], and a power tilting and sliding moonroof.

- Blind Spot Monitor[3] with Rear Cross-Traffic Alert[4]
- Smart Key System[16] on all doors with Push Button Start
- Power tilt/slide moonroof

XLE Mobility Auto Access

XLE Mobility Auto Access makes ingress and egress much easier for those with disabilities, with the motorized and remote-controlled Auto Access Seat and sliding second-row captain's chairs, allowing for more space when accessing the third row.

- Entune™ 3.0 Audio[7] Plus
- Auto Access Seat
- Leather-trimmed second-row captain's chairs with long-slide feature

XLE

Versatility and value are both prominent traits for Sienna XLE, all without scrimping on the luxury and convenience offerings the entire family is sure to enjoy.

- Power windows with auto up/down and jam protection
- Blind Spot Monitor[3] with Rear Cross-Traffic Alert[4]
- Leather-trimmed, heated, power-adjustable front seats

XLE Premium

Adding Premium to XLE ups the proverbial ante, with features designed to make driving around with a Sienna full of family just a little bit easier.

- Driver Easy Speak
- Dual-View Blu-ray Disc Entertainment Center with 16.4-in. display
- Rear Parking Assist Sonar[8]

Limited

Sienna Limited is for those with the most demanding tastes; it brings the kinds of features one would expect from a fully loaded luxury vehicle – because it is one.

- Dual moonroof with front power tilt/slide and power rear slide
- Entune™ 3.0 Premium Audio[7] with JBL® w/Clari-Fi™[15], 10 speakers including subwoofer
- Premium leatherette-trimmed 60/40 Split & Stow 3rd-Row Seat

Limited Premium

When the absolute best is the minimum requirement, Limited Premium is the top-of-the-line, no-holds-barred trim level that can wow even the most jaded drivers with its high-tech approach to minivan luxury.

- HID headlights with level control, auto on/off, and LED Daytime Running Lights
- Rain-sensing windshield wipers
- Bird's Eye View Camera[6]

Disclaimers

- 17-in., 18-in. & 19-in. performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending on driving conditions.
- Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
- Do not rely exclusively on the blind-spot monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner's Manual for additional limitations and details.
- Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner's Manual for additional limitations and details.
- All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for additional limitations and details.
- The Bird's Eye View Camera does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details.
- Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See Toyota.com/entune for details.
- Front and Rear Parking Assist Sonar is designed to warn drivers of potential front and rear collisions at speeds of [X] mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Front and Rear Parking Assist Sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details.
- May not be compatible with all mobile phones, MP3/WMA players and like models.
- Toyota Entune™ 3.0 services are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability to reach the response center or receive emergency support or otherwise limit the functionality or availability of the system. Terms and conditions of subscription service agreement apply. To learn about Toyota Entune™ 3.0's data collection, use, sharing and retention, please click here. Stolen vehicle police report required to use Stolen Vehicle Locator. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. Terms and conditions apply.
- Roadside Assistance coverage is 2 years of unlimited mileage. Does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. & Alaska.
- Wi-Fi Connect is available on select 2018 and newer Toyota vehicles. Visit Toyota.com for vehicle availability. Verizon Wireless is the network provider for Wi-Fi Connect, which uses Verizon's 4G LTE network to transmit data. Data usage applies. Coverage not available everywhere; see vzw.com. See verizonwireless.com/bestnetwork for details. LTE is a trademark of ETSI. Other terms apply. Up to 5 devices can be supported using in-vehicle connectivity. Verizon Wireless data subscription required upon end of 6-month trial period or use of 2-GB data (whichever comes first). Use of Wi-Fi Connect subject to Verizon Wireless' Customer Agreement (verizon.com/about/privacy/privacy-policy-summary), and data use policies (verizonwireless.com/support/vz-email-legal/). The Wi-Fi Connect trial period is at no extra cost and begins on the date of activation. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply.
- Apps and services are subject to change at any time without notice. Apple CarPlay is a registered trademark of Apple Inc.
- iPod and iPhone are registered trademarks of Apple Inc. All rights reserved.
- JBL & Clari-Fi are registered trademarks of Harman International Industries, Incorporated.
- The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
- 2019 Sienna FWD & SE, SE Premium AWD preliminary 19/city, 27/hwy, 22/comb MPG estimates determined by Toyota. EPA estimates not available at time of posting. Actual mileage will vary.
- For more information, visit Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.
- Dynamic Navigation is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS

satellite signal reception, and other factors outside of Toyota's control, which can limit the ability or functionality of the system. To learn about Toyota Entune 3.0's data collection, use, sharing and retention, please visit www.toyota.com/privacyvts/. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. Subscription required upon end of trial service period. See Navigation System Owner's Manual for additional details. The Dynamic Navigation three year trial begins the earlier of when the vehicle hits 100 miles or a year after the multimedia system manufacture date, regardless of when you purchase or lease the vehicle. Terms and conditions of subscription service agreement apply.

20. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
21. The *Bluetooth*® word mark and logos are registered trademarks owned by *Bluetooth* SIG, Inc. and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage & carrier.
22. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply.
23. Always drive safely, obey traffic laws & focus on the road while driving. Siri® is available on select iPhone/iPad models & requires Internet access. Siri® is not available in all languages or all areas & features vary by area. Some Siri® functionality & commands are not accessible in the vehicle. Data charges may apply. See Apple.com & phone carrier for details. Siri® is a registered trademark of Apple Inc.
24. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
25. SiriusXM® audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2018 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc.
26. All Toyota Entune 3.0 trials are at no extra cost and, other than Wi-Fi and Dynamic Navigation trials, all begin on the original date of purchase or lease of a new vehicle. After each respective trial period expires, enrollment in a paid subscription is required to access the respective services. Terms and conditions apply.
27. Do not rely exclusively on the blind-spot mirror. Always look over your shoulder and use your turn signal. There are limitations to the function of the mirror. See Owner's Manual for additional limitations and details.
28. The Scout GPS Link app is compatible with select vehicle models. Availability and accuracy of the information provided by Scout GPS Link is subject to change at any time without notice and is dependent upon many factors, including smartphone connectivity, capability and cellular reception. Always use safe driving practices and follow all traffic rules. Data charges may apply. Scout and Telenav are registered trademarks of Telenav, Inc. The Scout GPS Link trial is at no extra cost and begins when the app is downloaded on the vehicle. Contact the Toyota Customer Experience Center at 800-331-4331 for length of trial period. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply.
29. Advanced Voice Recognition capabilities vary by head unit.
30. Destination Assist is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability or functionality of the system. Use common sense when relying on this information. To learn about Toyota Entune 3.0's data collection, use, sharing and retention, please visit <https://www.toyota.com/privacyvts/>. See Owner's Manual for additional details. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions of subscription service agreement apply.
31. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details.
32. Brake Assist (BA) is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details.
33. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for details.
34. The TSS Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
35. The Pedestrian Detection System is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians and weather, light and road conditions. See Owner's Manual for additional limitations and details.
36. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner's Manual for additional limitations and details.

37. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
38. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
39. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring driver to manually operate the high beams. See Owner's Manual for additional limitations and details.
40. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for details.
41. Hill-Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
42. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org.
43. 2019 preliminary mileage determined by Toyota. EPA estimates not available at time of posting. Actual mileage will vary.
44. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in the Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo calculated with the new SAE J2807 method.
45. ToyotaCare plan covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.
46. Cargo and load capacity limited by weight and distribution.
47. Extra cost of \$395 for (070) painted exterior molding.
48. Roof rack with CrossBars is not recommended for luggage. Do not overload your vehicle. See Owner's Manual for weight limits and restrictions.
49. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat.
50. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov)
51. Based on manufacturers' data, November 2018.
52. For more information, please visit iSeeCars.com.
