

# 2021 Sienna

## 5 Things You Need to Know

- \* Standard hybrid powertrain
- \* First-ever luxury Platinum and sporty XSE grades
- \* Standard Blind Spot Monitor (BSM)[5] with Rear Cross-Traffic Alert (RCTA)[6]
- \* Available 1500W inverter – enough to power small appliances and power tools
- \* Available hands-free dual power-sliding side doors and liftgate with power-close functionality[23]

## What's New

Powered exclusively by a hybrid powertrain, the fourth-generation Sienna boasts ample space for passengers and cargo alike, loads of safety, convenience and comfort, and of course, efficiency.

## Quick Specs

- \* 245 (net) hp
- \* Class-leading EPA-estimated 36 mpg (comb.)[7]
- \* 33.5 cu. ft. of cargo volume[8]
- \* Available Electronic On-Demand All-Wheel Drive (AWD)

## Awards

- 2021 Toyota Sienna is an Insurance Institute for Highway Safety TSP+[24]
- 2021 Toyota Sienna is a Kelley Blue Book KBB.com Best Buy.[25]
- 2021 Sienna Best-in-class/class-leading mpg.[26]
- 2021 Sienna Best-in-class four-zone climate control.[27]
- 2021 Toyota Sienna was named one of 12 Best Family Cars of 2019 by Kelley Blue Book's KBB.com.[28]

## Models

---

Model Code	Trim Name	Full Name	Engine
5402	LE	LE (FWD 8-Passenger)	2.5L 4-Cyl.
5403	LE	LE (AWD 8-Passenger)	2.5L 4-Cyl.
5408	XLE	XLE (FWD 7-Passenger)	2.5L 4-Cyl.
5406	XLE	XLE (FWD 8-Passenger)	2.5L 4-Cyl.

# Key Features

## LE

Sienna starts off with an incredibly long list of standard features that help this minivan pull ahead, like a 9-inch touchscreen with Apple CarPlay®[1], Android Auto™[2] and Amazon Alexa[3] compatibility.

- Toyota Safety Sense™ 2.0 (TSS 2.0)[4]
- 17-in. alloy wheels
- Three-zone automatic climate control

## XLE

Sienna’s get-up-and-go attitude is evident thanks to conveniences on the XLE grade, like hands-free dual power-sliding side doors and liftgate[10], and Front and Rear Parking Assist with Automated Braking (PA w/AB).[11]

- SofTex®-trimmed[9] heated front seats
- Power tilt/slide moonroof
- Four-zone automatic climate control

## XSE

For those seeking thrills and frills, Sienna’s sporty new XSE grade offers head-turning looks inside and out, without compromising its true purpose as a versatile people-carrier.

- Sport-calibrated Electric Power Steering (EPS)
- Sport-tuned suspension
- Dynamic Navigation[12]

## Limited

Limited adds an abundance of creature comforts like Qi-compatible wireless smartphone charging[14], 7-inch Multi-Information Display (MID), and driver's seat with memory function.

- Leather-trimmed heated and ventilated front seats
- 18-in. bright alloy wheels
- 12-speaker JBL®[13] audio system

## Platinum

Sienna Platinum represents the ultimate minivan with its near-endless list of safety and convenience standard equipment, plus available tech like an innovative digital rearview mirror.

- Bird's Eye View Camera[16] with Perimeter Scan
- Heated second-row captain's chairs
- 10-in. Head-Up Display (HUD)

## Factory Options

### LE

#### Roof Rails - \$150

- Code: RR
- Roof rails[19]

#### Spare Tire - \$75

- Code: ST
- Spare tire (incompatible with LE Plus Package)

### XLE

#### 1500W Inverter - \$300

- Code: AC
- 1500W inverter (requires XL or XS package for XLE and XSE)

#### Entertainment Package - \$1,415

- Code: EY
- Includes 1080p HD Entertainment Center with 11.6-in. display, HDMI input, remote and two wireless headphones[17]

#### Roof Rails - \$150

- Code: RR
- Roof rails[19]

#### Spare Tire - \$75

- Code: ST
- Spare tire (incompatible with LE Plus Package)

### XSE

#### 1500W Inverter - \$300

- Code: AC
- 1500W inverter (requires XL or XS package for XLE and XSE)

#### **Entertainment Package - \$1,415**

- Code: EY
- Includes 1080p HD Entertainment Center with 11.6-in. display, HDMI input, remote and two wireless headphones[17]

#### **Roof Rails - \$150**

- Code: RR
- Roof rails[19]

#### **Spare Tire - \$75**

- Code: ST
- Spare tire (incompatible with LE Plus Package)

### *Limited*

#### **1500W Inverter - \$300**

- Code: AC
- 1500W inverter (requires XL or XS package for XLE and XSE)

#### **Entertainment Package - \$1,415**

- Code: EY
- Includes 1080p HD Entertainment Center with 11.6-in. display, HDMI input, remote and two wireless headphones[17]

#### **Digital Rearview Mirror - \$200**

- Code: IM
- Digital rearview mirror with HomeLink®[18] universal transceiver

#### **Spare Tire - \$75**

- Code: ST
- Spare tire (incompatible with LE Plus Package)

### *Platinum*

#### **1500W Inverter - \$300**

- Code: AC
- 1500W inverter (requires XL or XS package for XLE and XSE)

#### **Entertainment Package - \$1,415**

- Code: EY

- Includes 1080p HD Entertainment Center with 11.6-in. display, HDMI input, remote and two wireless headphones[17]

## Disclaimers

1. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay is a registered trademark of Apple Inc.
2. Android Auto is a trademark of Google LLC. To use Android Auto on your audio display, you'll need an Android Auto compatible vehicle and Android phone. For phone compatibility visit: [www.android.com/auto/](http://www.android.com/auto/). Apps and services vary by phone carrier and are subject to change at any time without notice.
3. Amazon, Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Not all Amazon Alexa functionality is available for in-vehicle use.
4. Toyota Safety Sense effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for additional limitations and details.
5. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner's Manual for additional limitations and details.
6. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner's Manual for additional limitations and details.
7. EPA-estimated 36city/36hwy/36comb MPG rating for 2021 Sienna FWD; 35city/36hwy/35comb MPG for 2021 Sienna AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov).
8. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.
9. SofTex is a registered trademark of Toyota Motor Sales, U.S.A., Inc.
10. The genuine Toyota tow hitch and the liftgate kick sensor are incompatible. Selection of the genuine Toyota tow hitch accessory will result in the vehicle being built without the kick sensor or will require the kick sensor to be removed prior to tow hitch being installed. See Owner's Manual for limitations.
11. Front and Rear Parking Assist Sonar is designed to warn drivers of potential front and rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Front and Rear Parking Assist Sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details.
12. Dynamic Navigation depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota's control which can limit system functionality or availability. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region.

Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See Owner's Manual and [www.toyota.com/connected-services](http://www.toyota.com/connected-services) for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit [www.toyota.com/privacyvts/](http://www.toyota.com/privacyvts/). The Dynamic Navigation trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.

13. JBL is a registered trademark of Harman International Industries, Inc.
14. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns.
15. Do not use the lounge chair with ottoman when vehicle is in motion. If the ottoman is in use during an accident, the lap belt may slide past the hips. This could result in restraint forces being applied directly to the abdomen, or your neck may contact the shoulder belt, increasing the risk of death or serious injury. See Owner's Manual for additional limitations and details.
16. The Bird's Eye-View Camera does not provide a comprehensive view of the area surrounding the vehicle and you should also look around the vehicle, using mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details.
17. Headphones are for passenger use only.
18. HomeLink and the HomeLink® house icon are registered trademarks of Gentex Corporation.
19. Do not overload your vehicle. See Owner's Manual for weight limits and restrictions.
20. Hybrid-related components are covered for 8-years from original date of first use or 100,000 miles, whichever comes first. The HV battery may have longer coverage under emissions warranty. See \*Owner's Warranty and Maintenance Guide\* for details.
21. May not be compatible with all mobile phones, MP3/WMA players and like models.
22. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their \*Maintenance Guide\*. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S.
23. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
24. The *Bluetooth* word mark and logos are registered trademarks owned by *Bluetooth* SIG, Inc. and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
25. SiriusXM® audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2020 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. SiriusXM trial length and service availability may vary by model, model year or trim.
26. Connected Services depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Subscription required after trial. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See [Toyota.com/connected-services](http://Toyota.com/connected-services) for details. To learn about Toyota's data collection, use, sharing and retention practices, please visit [www.toyota.com/privacyvts/](http://www.toyota.com/privacyvts/). Stolen vehicle police report required to use Stolen Vehicle Locator. Connected Services by Toyota trials are at no extra cost. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply.
27. Toyota Safety Connect depends on an operative telematics device, a cellular connection, and GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in Owner's Manual and [Toyota.com/connected-services/](http://Toyota.com/connected-services/) for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit [www.toyota.com/privacyvts/](http://www.toyota.com/privacyvts/). The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.
28. Information provided is based on the last time data was collected from the vehicle and is not real time data. Service Connect depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota's control, which can limit functionality or availability. Service may vary by vehicle and region. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in Owner's Manual and [Toyota.com/connected-services](http://Toyota.com/connected-services/) for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit [www.toyota.com/privacyvts/](http://www.toyota.com/privacyvts/). The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect, Remote Connect or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service.
29. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota's control, which can limit system functionality and availability. Service may vary by vehicle and region. Registration and app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to

change at any time without notice. See usage precautions and service limitations in Owner's Manual and [www.toyota.com/connected-services](http://www.toyota.com/connected-services) for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit [www.toyota.com/privacyvts/](http://www.toyota.com/privacyvts/). The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply.

30. Eligible vehicle and wireless service required. Coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to [att.com/toyota](http://att.com/toyota) for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of activation and expires when 2GB of data is used or when the 3-month period ends. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply.
31. Destination Assist depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota's control, which can limit system ability, functionality or availability. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See Owner's Manual and [Toyota.com/connected-services](http://Toyota.com/connected-services) for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit [www.toyota.com/privacyvts/](http://www.toyota.com/privacyvts/). The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.
32. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner's Manual for additional limitations and details.
33. Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for additional limitations and details.
34. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for additional limitations and details.
35. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details.
36. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details.
37. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
38. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for additional limitations and details.
39. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for additional limitations and details.
40. At speeds of 9 mph or less, Front and Rear Parking Assist with Automated Braking (PA w/AB) is designed to assist drivers in avoiding potential collisions with nearby static objects when the vehicle is in Drive or Reverse and approaching crossing vehicles when the vehicle is in Reverse. Do not overly rely on PA w/AB. Always look around outside the vehicle and use mirrors to confirm clearance. Certain vehicle and environmental factors, including an object or vehicle's shape, size and composition, may affect the system's effectiveness. See Owner's Manual for additional limitations and details.
41. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
42. When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See Owner's Manual for additional limitations and details.
43. When the system is on, Brake Hold is designed to keep the brakes engaged after the driver brings the vehicle to a complete stop. It may not hold the vehicle under certain conditions and does not function when the vehicle is in Reverse. Brake Hold is not a substitute for safe and attentive driving. See Owner's Manual for additional limitations and details.
44. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions.
45. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331.
46. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring the driver to manually operate the high beams. See Owner's Manual for additional limitations and details.
47. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.

48. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See Owner's Manual for additional limitations and details.
49. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to [www.aloa.org](http://www.aloa.org) to find a qualified locksmith in your area who can perform high-security key service.
50. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
51. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for additional limitations and details.
52. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. Calculated with the new SAE J2807 method. Installation of a tow hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. See Owner's Manual for limitations.
53. For Toyota hybrid, plug-in hybrid, and fuel cell and battery electric vehicles beginning with model year 2020, the hybrid (HV) battery is covered for 10 years from original date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See \*Owner's Warranty and Maintenance Guide\* for details.
54. Insurance Institute for Highway Safety rating for 2021 Sienna, vehicle class Minivan. For more details on 2021 Top Safety Pick+ Awards, see [www.iihs.org](http://www.iihs.org).
55. For more information, visit Kelley Blue Book's [KBB.com](http://KBB.com). Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.
56. 2021 Sienna vs. 2020 and 2021 competitors. Information from manufacturers' websites as of 10/08/2020. EPA-estimated 36 city/36 hwy/36 combined mpg for 2021 Sienna FWD models. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov).
57. 2021 Sienna vs. 2020 and 2021 competitors. Information from manufacturers' websites as of 10/08/2020.
