

2023 GR Supra

Top 5 Facts

- * 2.0, 3.0, 3.0 Premium, and A91-MT Edition
- * 2.0L 4-cyl. turbo or 3.0L 6-cyl. turbo
- * New available 6-speed manual transmission
- * Available Adaptive Variable Sport (AVS) suspension
- * Complimentary 1-year National Auto Sport Association (NASA)[1] membership

What's New

- * 6-speed intelligent Manual Transmission (iMT) now available
- * A91-MT Edition with Cognac (tan) leather-trimmed interior replaces A91-CF Edition

Quick Specs

- * 8-speed automatic or 6-speed intelligent Manual Transmission (iMT) available
- * Available active rear sport differential and Adaptive Variable Sport (AVS) suspension
- * Standard 255-hp 4-cyl. turbo engine and available 382-hp 6-cyl. turbo engine[2]
- * 0-60 mph in 3.9 secs (3.0 models with 8-speed automatic transmission)[3]
- * 155 mph electronically controlled top track speed
- * Front engine, rear-wheel drive (RWD)
- * Near 50:50 weight distribution

Awards

- Awards coming soon.

2387	A91-MT Edition	A91-MT Edition	3.0L 6-Cyl.

Key Features

2.0

With a potent 255-horsepower four-cylinder turbocharged engine under the hood, the legendary Supra packs performance and standard tech, including a crisp 8.8-inch touchscreen, dual-zone automatic climate control, and several active safety systems.

- LED headlights and taillights
- 18-in. cast alloy wheels
- 8.8-in. full-digital gauge cluster

3.0

Thanks to its lively 382-horsepower six-cylinder turbocharged engine up front[3], GR Supra 3.0 launches from zero to 60 in under four seconds[4] and is designed to quickly slow down for the corners with its beefy Brembo®[5] 4-piston front brakes.

- Adaptive Variable Sport (AVS) suspension
- 19-in. forged alloy wheels
- 10-speaker sound system

3.0 Premium

As the name implies, 3.0 Premium ups the ante with a wide array of comfort and convenience features – like a full-color Head-Up Display (HUD) – making this sports car even more desirable.

- Wireless Apple CarPlay®[6] compatibility
- 12-speaker JBL®[7] sound system
- Qi-compatible wireless charging[8]

A91-MT Edition

The A91-MT Edition complements its standard manual transmission with lightweight carbon fiber components, including the front splitter, side rockers, canards, and rear spoiler – giving the sports coupe the extra downforce needed to stay on track.

- 6-speed intelligent Manual Transmission (iMT)
- 19-in. forged matte-black alloy wheels
- Cognac (tan) leather-trimmed sport seats

Disclaimers

- NASA membership is non-transferable and expires 1 year after purchase of your 2023 GR vehicle. The 1 day High Performance Driving Event (HPDE) is included as a membership benefit and must be redeemed within 1 year from the time of purchase of your vehicle. NASA membership and complimentary HPDE are not redeemable for cash or any other offer.
- Valid in U.S. only. For qualified drivers over 18 years of age, with a valid driver's license. Participation in high performance driving creates a risk of personal injury or death and may cause damage to your vehicle that is not covered by your insurance or warranty. Please refer to your insurance policy and your vehicle's Warranty and Maintenance Guide that describes the terms and conditions of Toyota's New Vehicle Limited Warranty coverage as well as general owner responsibilities.
- Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher for GR Supra 2.0, and an octane rating of 93 or higher for GR Supra 3.0. If premium fuel is not used, performance will decrease.
- Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers.
- Brembo® is a registered trademark of Freni Brembo SpA. High-friction brakes may require additional maintenance, be louder and have a shorter life than conventional brakes, depending on driving conditions. See the *Warranty and Services Guide* for more information.
- Available on GR Supra 2.0 and 3.0 w/Safety and Technology Package, 3.0 Premium and A91-MT Edition. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® is a registered trademark of Apple Inc.
- JBL is a registered trademark of Harman International Industries, Inc.
- Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns.
- Extra-cost color.
- Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices.

System effectiveness is dependent on many factors including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details.

11. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details.
12. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details.
13. The Parking Sensors system is designed to assist drivers in avoiding potential collisions at very slow speeds. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Parking Sensors system to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details.
14. Do not rely exclusively on the Speed Limit Information (SLI) feature. SLI provides information to the driver when data is available. Effectiveness is dependent on many conditions. Use common sense when using SLI and follow posted speed limit signs. See *Owner's Manual* for additional limitations and details.
15. Available on GR Supra 2.0 and 3.0 w/Safety and Technology Package, 3.0 Premium and A91-MT Edition. Includes a 4-year trial period. Enrollment in paid subscription required upon expiration of trial period. Service depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength, and other factors, all of which can limit service functionality or availability. Service not available in every city or roadway. Use common sense when relying on information provided. Service subject to change at any time without notice. For service details and limitations, see your Navigation System *Owner's Manual* or supraconnect.com.
16. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
17. Available on select GR Supra models. Includes a 4-year trial period, except Roadside Assistance which is a 2-year period. Subscription required after trial. Services are dependent upon an operative telematics device, a cellular connection, navigation map data, GPS signal strength, and other factors, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required for use of Stolen Vehicle Recovery. Apps and services subject to change at any time without notice. Data charges may apply. For service details and limitations, see your *Owner's Manual* and www.supraconnect.com, and to learn about Supra Connect data collection, use, sharing and retention practices, visit Supra Connect Terms & Conditions.
18. Available on select GR Supra models. Includes 4-year trial period for Battery Guard. Subscription required after trial. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. Services depends on an operative telematics device, a cellular connection, and other factors, all of which can limit system functionality or availability. Services may vary by region and are subject to change at any time without notice. Data charges may apply. For service details and limitations, see your *Owner's Manual* and www.supraconnect.com.
19. Available on select GR Supra models. Includes a 4-year trial period. Subscription required after trial. Service depends on an operative telematics device, a cellular connection, GPS signal strength, and other factors, all of which can limit service functionality or availability, including access to response center and emergency support. Service subject to change at any time without notice. For service details and limitations, see your *Owner's Manual* and www.supraconnect.com. To learn about Supra Connect data collection, use, sharing and retention practices, please visit Supra Connect Terms & Conditions.
20. Available on select GR Supra models. Includes a 4-year trial period. Subscription required after trial. Navigation must be functioning, and destination entered for service to function. Service depends on an operative telematics device, a cellular connection, GPS signal strength, and other factors, all of which can limit system functionality or availability. Services not available in every city or roadway. Use common sense when relying on information provided. Service subject to change at any time without notice. For service details and limitations, see your Navigation System *Owner's Manual* and www.supraconnect.com.
21. Available on GR Supra 2.0 and 3.0 w/Safety and Technology Package, 3.0 Premium and A91-MT Edition. Includes a 4-year trial period. Enrollment in paid subscription required upon expiration of trial period. Service depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength, and other factors, all of which can limit service functionality or availability, including access to response center and emergency support. Service subject to change at any time without notice. For service details and limitations, see your *Owner's Manual* or supraconnect.com.
22. Available on select GR Supra models. Includes a 4-year trial period. Map updates based on your current North American region. If you relocate to a new region, the user region will be updated automatically after 45 days in that region. You can also visit your Supra dealer to have your map data manually updated, which may be at an additional cost to you. Map updates unavailable upon the expiration of the trial period. Subscription required after trial, which provides up to 4 map updates per year. Service subject to change at any time without notice. Data charges may apply. For service details and limitations, see your Navigation System *Owner's Manual* and www.supraconnect.com.
23. The *Bluetooth* word mark and logos are registered trademarks owned by *Bluetooth* SIG, Inc. and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
24. May not be compatible with all mobile phones, MP3/WMA players and like models.
25. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. SiriusXM trial length and service availability may vary by model, model year or trim.

26. Voice recognition capabilities vary by head unit.
27. Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details.
28. Alcantara® is a registered trademark of Alcantara S.p.A.
29. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details.
30. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details.
31. When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See *Owner's Manual* for additional limitations and details.
32. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details.
33. The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. The Pedestrian Detection system is designed to detect a pedestrian or bicyclist ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details.
34. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.
35. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details.
36. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service.
37. Automatic High Beams are activated under specific conditions. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details.
38. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.
39. Lane Departure Alert/Warning with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details.
40. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their *Maintenance Guide*. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. Excludes rental company fleet sales. See Toyota dealer for details and exclusions. Valid only in the continental U.S.
41. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.
42. Launch Control is not intended for use on public roads or for repeated short-interval use. See *Owner's Manual* for additional limitations and details.
