

# 2018 Camry

**New** for 2018

## 2018 **Camry**

**Redefining the sedan.** With the all-new 2018 Toyota Camry, excitement is back in a big way. Now in its eighth generation, this bold sedan offers new looks and new powertrains, as well as great enhancements in comfort, convenience and safety technology. The 2018 Camry marks the latest and greatest in a decades-long history of refining America's best-selling car[1]. The result is a truly exhilarating vehicle that puts drivers in center stage like never before.

## Daring **Design**

### LED Lighting

With its available LED headlights, taillights and daytime running lights, the 2018 Camry makes visibility a top priority – both in seeing and being seen.

### Two-Tone Paint

The available two-tone Midnight Black Metallic Roof color scheme makes a dramatic statement that is sure to leave a lasting impression.

### Sleek Interior

The jaw-dropping new cabin design fuses functionality, futuristic styling and a high degree of personal space and craftsmanship.

## Trendsetting **Technology**

### **Entune™ 3.0**

Toyota is raising the bar on vehicle connectivity, thanks to the new Entune™ 3.0 multimedia systems that offer more features and service than ever seen in a Toyota vehicle. Representing a cutting-edge technological revolution that expands what is

possible for personal mobility, this innovative infotainment platform brings the future home in the 2018 Camry.

### **Toyota Safety Sense™ P**

Front and center among Camry's comprehensive array of safety systems is Toyota Safety Sense™ P (TSS-P)[2], a suite of advanced driver assistance and safety technologies. TSS-P is designed to support the driver's awareness, decision-making and vehicle operation by addressing primary areas of accident protection.

## **Potent Performance**

The 2018 Camry doesn't just look the part; it has the chops to match. Its new powertrain options include two powerful D-4S Dual Injection gasoline engines – both mated to a Direct-Shift 8-speed automatic transmission – as well as a strong and efficient next-generation Toyota Hybrid System (THS II).

The 2018 Camry L has an EPA estimate of 41 miles per gallon[3] on the highway – an astounding result for a non-hybrid vehicle.

The 2018 Camry is built atop the TNGA platform, a structure designed to produce cars that are more dynamic, athletic and fun to drive.

## **Sales Story**

The 2018 Camry uses its stunning new looks, its wide range of standard equipment and its incredible driving dynamics to deliver a knock-out punch in a competitive market segment. The gloves have come off, and Camry's fighting for the midsize throne with an energy never seen before.

## **Awards**

- 2018 Toyota Camry received the NHTSA 5-Star Overall Safety Rating[4]
- Best-selling car in America for 19 of the last 20 years[1]
- The 2018 Toyota Camry is an IIHS TSP+[50]

## **Models**

Model Code	Trim Name	Full Name	Engine
2514	L	L (2.5L 4-Cyl. 8-Speed Auto)	2.5L 4-Cyl.

2532	LE	LE (2.5L 4-Cyl. 8-Speed Auto)	2.5L 4-Cyl.
2546	SE	SE (2.5L 4-Cyl. 8-Speed Auto)	2.5L 4-Cyl.
2540	XLE	XLE (2.5L 4-Cyl. 8-Speed Auto)	2.5L 4-Cyl.
2548	XSE	XSE (2.5L 4-Cyl. 8-Speed Auto)	2.5L 4-Cyl.
2554	XLE V6	XLE V6 (3.5L V6 8-Speed Auto)	3.5L V6
2550	XSE V6	XSE V6 (3.5L V6 8-Speed Auto)	3.5L V6
2559	LE Hybrid	LE Hybrid (2.5L 4-Cyl. ECVT Hybrid)	2.5L 4-Cyl.
2561	SE Hybrid	SE Hybrid (2.5L 4-Cyl. ECVT Hybrid)	2.5L 4-Cyl.
2560	XLE Hybrid	XLE Hybrid (2.5L 4-Cyl. ECVT Hybrid)	2.5L 4-Cyl.

## Key Features

### *L*

Camry L gets the foot in the door for many buyers considering stepping up from a compact vehicle. It also marks the beginning of the comfort-oriented "L" line of Camry models.

- 203-horsepower 4-cyl. engine
- Toyota Safety Sense™ P[2]
- Entune™ 3.0 Audio

### *LE*

Camry LE takes the features of Camry L and adds a dose of convenience. It offers a number of noteworthy available features, as well as standard 17-inch alloy wheels.

- 8-way power-adjustable driver's seat
- Available dual-zone automatic climate control
- Available Entune™ 3.0 Audio Plus

### *SE*

Camry SE starts the sport-themed "S" line of Camry models and is a core trim to the lineup, hitting the right balance for most buyers looking to impress without breaking the bank.

- 18-inch black machined-finished alloy wheels
- Single-zone automatic climate control
- TPMS[6] with direct pressure readout

## *XLE*

Camry XLE is an excellent choice for buyers looking to take their Camry into luxury territory, but who don't need the power of the V6 models.

- Heated, 8-way power front seats
- 7-inch TFT multi-information display
- Dual-zone automatic climate control

## *XSE*

Easily the most eye-catching trim, Camry XSE marks the highest level of the sportier trims. This trim (and its V6 variant) is the only way to get the two-tone paint scheme.

- Available two-tone Midnight Black Metallic Roof
- 19-inch black machined-finished alloy wheels
- Dual exhaust with quad chrome tips

## *XLE V6*

The XLE V6 sits on the premium end of the Camry trims. This fully-loaded model offers features usually found on luxury vehicles at much higher prices.

- Panoramic glass roof with front power tilt/slide moonroof
- Entune™ 3.0 Audio Plus w/JBL®
- Available Entune™ 3.0 Premium Audio

## *XSE V6*

The V6 isn't the only difference in this top-tier Camry – it also comes equipped with an amazing list of features and equipment, all while maintaining its show-stopping sport theme.

- 301-horsepower V6 engine
- 10-inch color Head-Up Display (HUD)
- Qi-compatible wireless smartphone charging[7]

## *LE Hybrid*

Camry LE Hybrid may be the entry-level hybrid variant, but this high-tech sedan is far from basic transportation.

- 208-horsepower hybrid system net power
- Eco, Normal, Sport and EV drive mode
- Available Blind Spot Monitor[8] with Rear Cross Traffic Alert[9]

## SE Hybrid

Who said hybrid vehicles can't be sporty? Camry SE Hybrid blows that myth right out of the water, featuring remarkable driving dynamics and head-turning looks.

- Color-keyed rear spoiler
- Paddle shifters
- Leather-trimmed sport steering wheel

## XLE Hybrid

The XLE Hybrid is what you get when you pull out all the stops on a hybrid sedan. Filled to the brim with high-tech equipment, this trim is fit for a king.

- Available Adaptive Headlights
- Available Bird's-Eye View Camera[10]
- Intelligent Clearance Sonar[11] with Rear Cross Traffic Braking

# Disclaimers

- Based on manufacturer estimates, CY 1997–2016 sales, includes Camry Solara.
- Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. Depending on the conditions of roads, weather and the vehicle, the system(s) may not work as intended. See \*Owner's Manual\* for additional

limitations and details.

3. 2018 EPA-estimated mileage. Actual mileage will vary.
4. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program ([www.safercar.gov](http://www.safercar.gov))
5. Do not rely exclusively on the Rear Cross-Traffic Braking system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and braking capability of the system. See \*Owner's Manual\* for additional limitations and details.
6. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See \*Owner's Manual\* for details.
7. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns.
8. Do not rely exclusively on the blind-spot monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See \*Owner's Manual\* for additional limitations and details.
9. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See \*Owner's Manual\* for additional limitations and details.
10. The Bird's-Eye-View Camera does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See \*Owner's Manual\* for additional limitations and details.
11. Intelligent Clearance Sonar (ICS) is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the ICS to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See \*Owner's Manual\* for additional limitations and details.
12. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See [Toyota.com/entune](http://Toyota.com/entune) for details.
13. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See [Toyota.com/entune](http://Toyota.com/entune) for details.
14. The Smart Key system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
15. Availability & accuracy of the information provided by the Dynamic Navigation system is dependent upon many factors. Use common sense when relying on information provided. Services & programming subject to change. Services not available in every city or roadway. Subscription required after end of 3 year complimentary service. See \*Owner's Manual\* for details.
16. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See \*Owner's Manual\* for additional limitations and details.
17. The Scout GPS Link app is compatible with select vehicle models. Availability and accuracy of the information provided by Scout GPS Link is subject to change at any time without notice and is dependent upon many factors, including smartphone connectivity, capability and cellular reception. Always use safe driving practices and follow all traffic rules. Data charges may apply. Scout and Telenav are registered trademarks of Telenav, Inc.
18. JBL is a registered trademark of Harman International Industries, Inc.
19. Always drive safely, obey traffic laws & focus on the road while driving. Siri(R) is available on select iPhone/iPad models & requires Internet access. Siri(R) is not available in all languages or all areas & features vary by area. Some Siri(R) functionality & commands are not accessible in the vehicle. Data charges may apply. See [Apple.com](http://Apple.com) & phone carrier for details. Siri(R) is a registered trademark of Apple Inc.
20. Google Voice control is available on select smart phones. Functionality depends on many factors. Some Google Voice functions & commands are not accessible while driving. Data charges will apply. See [Google.com](http://Google.com) & phone carrier for details.
21. May not be compatible with all WMA/MP3 players and like models.
22. iPod(R) is a registered trademark of Apple, Inc. All rights reserved.
23. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
24. Advanced Voice Recognition capabilities vary by head unit.
25. The Bluetooth(R) word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage & carrier.
26. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio™, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
27. SiriusXM(R) services require a subscription after a 3 month trial period. Subscriptions governed by SiriusXM(R) Customer Agreement available at [SiriusXM.com](http://SiriusXM.com). **If you decide to continue your SiriusXM(R) service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates unless you call 1-866-635-2349 to cancel.** Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C.
28. Contact with the response center may not be available in all areas. Service Agreement required. A variety of subscription terms available; charges will vary. See [Toyota.com](http://Toyota.com) for details.
29. Information provided is based on the last time data was collected from the vehicle and may not be up to date. System functionality depends on vehicle connectivity.
30. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., car uncovered in open area, no people or pets in or nearby). If vehicle has not been driving for a week, services will not be available until next time vehicle is started.

Functionality depends on many factors, such as vehicle and smartphone connectivity. Registration, app download are required. Must have an active Service Connect subscription. Subscription purchase required after 6 month trial. See usage precautions, service limitations & \*Owner's Manual\* for details.

31. Wi-Fi Connect is available on select 2018 and newer Toyota vehicles. Visit [Toyota.com](http://Toyota.com) for vehicle availability. Verizon Wireless is the network provider for Wi-Fi Connect, which uses Verizon's 4G LTE network to transmit data. Data usage applies. Coverage not available everywhere; see [vzw.com](http://vzw.com). See [verizonwireless.com/bestnetwork](http://verizonwireless.com/bestnetwork) for details. LTE is a trademark of ETSI. Other terms apply. Up to 5 devices can be supported using in-vehicle connectivity. Verizon Wireless data subscription required upon end of 6-month trial period or use of 2 GB data (whichever comes first). Use of Wi-Fi Connect subject to Verizon Wireless' Customer Agreement ([verizonwireless.com/legal/notices/customer-agreement/](http://verizonwireless.com/legal/notices/customer-agreement/)), Privacy Policy ([verizon.com/about/privacy/privacy-policy-summary](http://verizon.com/about/privacy/privacy-policy-summary)), and data use policies ([verizonwireless.com/support/vz-email-legal/](http://verizonwireless.com/support/vz-email-legal/)).
32. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on road, weather and traffic conditions. See \*Owner's Manual\* for additional limitations and details.
33. Lane Departure Alert is designed to read lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on road, weather and vehicle conditions. See \*Owner's Manual\* for additional limitations and details.
34. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See \*Owner's Manual\* for further information/warnings.
35. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See \*Owner's Manual\* for additional limitations and details.
36. Hill-Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See \*Owner's Manual\* for additional limitations and details.
37. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See \*Owner's Manual\* for additional limitations and details.
38. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See \*Owner's Manual\* for additional limitations and details.
39. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See \*Owner's Manual\* for details.
40. Covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. Roadside Assistance coverage is 2 years unlimited mileage. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.
41. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting [www.aloa.org](http://www.aloa.org).
42. The TSS Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on road, weather and vehicle conditions. See \*Owner's Manual\* for additional limitations and details.
43. The Pedestrian Detection System is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians and weather, light and road conditions. See \*Owner's Manual\* for additional limitations and details.
44. Lane Departure Alert with Steering Assist is designed to read lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on road, weather and vehicle conditions. See \*Owner's Manual\* for additional limitations and details.
45. Automatic high beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring driver to manually operate the high beams. See \*Owner's Manual\* for additional limitations and details.
46. Whiplash Injury Lessening front seats can help reduce the severity of whiplash injury in certain rear end collisions.
47. Cargo and load capacity limited by weight and distribution. Based on manufacturers' data, cargo area behind 2nd row, for non-luxury plug-in hybrids, as of August 2016.
48. When the system is on, Brake Hold is designed to keep the brakes engaged after the driver brings the vehicle to a complete stop. It may not hold the vehicle under certain conditions and does not function when the vehicle is in Reverse. Brake Hold is not a substitute for safe and attentive driving. See \*Owner's Manual\* for additional limitations and details.
49. Do not rely exclusively on the Rear Cross-Traffic Braking system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and braking capability of the system. See \*Owner's Manual\* for additional limitations and details.
50. Insurance Institute for Highway Safety rating for 2018 Camry, vehicle class Midsize Cars. For more details on 2018 Top Safety Pick

Plus Awards, see [www.iihs.org](http://www.iihs.org).

- 51. Dynamic Voice Recognition capabilities vary by head unit.
- 52. Destination Assist depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota's control, which can limit system ability, functionality or availability. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See \*Owner's Manual\* and [Toyota.com/connected-services](http://Toyota.com/connected-services) for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.
- 53. HomeLink and the HomeLink® house icon are registered trademarks of Gentex Corporation.
- 54. SofTex is a registered trademark of Toyota Motor Sales, U.S.A., Inc.
- 55. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions.
