KEY SELLING POINTS

- 1 Form + Function = Tacoma
- 2 New Limited Package
- 3 Go-anywhere, do-anything toughness
- 4 Outstanding value
- 5 Fun to drive
- 6 Extensive standard safety features

WHAT'S NEW FOR 2014

- **Models**
 - X-Runner 2WD (4.0L V6 6-speed Manual) has been discontinued
- **New Colors:**
 - Silver Streak Mica (1E7) replaced by Silver Sky Metallic (1D6)
 - Nautical Blue Metallic (8S6) replaced by Blue Ribbon Metallic (8T5)
- **Interior**
 - All Grades: Standard Entune™ Audio†, which includes the Entune™ Multimedia Bundle: 6.1-in. touch-screen display, *Bluetooth*®† wireless technology, USB 2.0 port with iPod®† connectivity and control and other notable features
 - 4-way steering wheel switch for audio available
 - Outside temperature gauge no longer available in rearview mirror
 - Auto-dimming rearview mirror with outside temperature gauge removed from SR5 Package {SL}, TRD Off-Road Extra Value Package {OC} and TRD Sport Package {PY}
- **Packages**
 - SR Package {SN} now available on Access and Double Cab Pre-Runner and 4WD base grade models:
 - Includes 16-in. x 7-in. black alloy wheels with P245/75R16 tires, color-keyed front and rear bumpers, grille surround, overfenders, door handles and outside mirrors with turn signal indicators, and headlights with smoked trim (V6 models also include fog lights) and is available in Pyrite Mica (4T3), Spruce Mica (6V4) or Blue Ribbon Metallic (8T5)

Look for this icon ★ and red typeface to easily identify **NEW** features or changes for 2014.

†Please see "Cautions" section in the back of the CARS book for important information on this feature.

■ TRIMS AT A GLANCE

2WD

CAPABLE, COMFORTABLE, ANYTHING BUT CUTE

- 2.7L DOHC 16-valve SEFI I4 with Variable Valve Timing with intelligence (VVT-i) (E20 compliant: 20% ethanol, 80% gasoline)
- 5-speed manual transmission (5MT) with overdrive or available 4-speed Electronically Controlled automatic Transmission with intelligence (4ECT-i) and automatic overdrive
- Automatic Limited-Slip rear Differential (Auto-LSD)
- Coil-spring double-wishbone independent front suspension and solid rear axle with leaf spring suspension
- Star Safety System™
- Deck rail system with four adjustable tie-down cleats
- 15-in. x 6.0-in. styled steel wheels with P215/70R15 all-season tires
- 5-speed Electronically Controlled automatic Transmission with intelligence (5ECT-i) with automatic overdrive or 6-speed manual transmission (6MT) with overdrive
- Available 4.0L DOHC 24-valve SEFI V6 with Variable Valve Timing with intelligence (VVT-i) with 5-speed Electronically Controlled automatic Transmission with intelligence (5ECT-i) and automatic overdrive

PRERUNNER

ADDED FEATURES FOR ADDED FUN

- Front skid plate, engine skid plate and fuel tank protector
- Black overfenders
- 16-in. x 7.0-in. styled steel wheels with P245/75R16 Mud-and-Snow-rated tires
- Available SR Package with color-keyed overfenders, door handles, bumpers, grille surround and outside mirrors, as well fog lights, smoked headlights, and Entune™ Audio Plus† {EV} (on V6 models)

4WD

EXTRA CAPABILITY WHEN YOU NEED IT

- Touch-Select 4WD system: part-time 4-wheel-drive system with 2-speed electronically controlled transfer case
- Clutch start cancel switch (manual transmission only)
- Transfer case skid plate
- Front differential with Automatic Disconnecting Differential (ADD) feature
- Available Active Traction Control (A-TRAC) (included in {OC} and {OF})
- Available SR Package on Access and Double Cabs with color-keyed overfenders, door handles, bumpers, grille surround and outside mirrors, fog lights, smoked headlights and Entune™ Audio Plus† {EV} (on V6 models)

1.4 TACOMA

* MSRP excludes the Delivery, Processing and Handling Fee of \$810 for cars, \$860 for Small/Medium Trucks (Sienna, RAV4, Highlander Gas, Highlander Hybrid, FJ Cruiser, 4Runner, and Tacoma), and \$995 for Large Trucks (Land Cruiser, Tundra and Sequoia). Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, FL, GA, NC, SC, AR, LA, MS, OK and TX will be higher. Actual dealer price will vary.

2014 NISSAN FRONTIER

KEY ADVANTAGES

2014 Tacoma Double Cab 4WD V6 with AT and TRD[†] Off-Road Package vs. 2014 Nissan Frontier Crew Cab PRO-4X 4WD V6 AT

- **Tacoma #1** – Tacoma dominates the compact truck segment
- **More off-road ability** – Tacoma 4WD is rated to clear steeper approach and departure angles than Nissan Frontier 4WD
- **Impressive technology** – Tacoma's available Entune[®] App Suite[†] features familiar Apps that allow occupants to order movie tickets, make dinner reservations, find nearby points of interest, and listen to Pandora^{®†} and iHeartRadio, to name a few. Drivers and passengers can also stay updated on stocks, sports, weather, traffic and fuel prices. Frontier fails to offer a system this comprehensive
- **Better city fuel-economy rating*** – 16 MPG for Tacoma 4WD V6 and 15 MPG for Frontier PRO-4X
- **Higher maximum towing capacity[†]** – 6400 lb. for Tacoma V6 vs. 6100 lb. for Frontier Crew Cab PRO-4X. Plus, Tacoma's is SAE J2807 certified for added peace of mind
- **More payload** – Tacoma Double Cab 4WD V6 features over 200 lb. more of maximum payload than Frontier Crew Cab PRO-4X 4WD
- **Interior comfort** – More rear leg room and front and rear head room

NISSAN FRONTIER CHALLENGES

- More horsepower and torque
- Available power-adjustable and heated seats
- More ground clearance
- More front leg room

*2014 EPA MPG estimates. Actual mileage will vary.

1.4 TACOMA

TIPS & FACTS

DEMO TIPS

Tacoma comes standard with a deck rail system that allows four adjustable tie-down cleats to be positioned for secure transportation. While showing a Tacoma to your customer, demonstrate how easy it is to slide the tie-down cleats down the rail to more snugly secure cargo. The deck rail system's simple operation makes worrying about rope or strap length a thing of the past and makes your customer's hauling easier.

Tacoma's available Entune® App Suite† features familiar Apps that allow occupants to order movie tickets, read peer reviews on restaurants and make reservations, find nearby points of interest, and listen to customized internet radio, to name a few. Drivers and passengers can also stay updated on stocks, sports, weather, traffic and fuel prices. Make sure to have the Entune® App Suite† on your smartphone and integrated with a properly-equipped Tacoma so you can show your customers how easy and practical the system can be.

Tacoma Access and Double Cab offer extra seating and storage with its second row of seating. The flip-up cushions hide under-seat storage compartments that are great for tools and gear you don't want to leave in the open cabin. Before you start off on your drive, open the rear door and show the customer how easy and convenient the under-seat storage compartments are to access. Give them ideas of the items they can store in them, e.g., tools, gloves, safety equipment, rope, etc.

QUICK FACTS

Tacoma's available SofTex®-trimmed seats combine refinement with practicality. SofTex® is a revolutionary material that is soft like leather, but weighs half as much. It's also easier to clean and generates around 85% fewer volatile organic compounds than normal synthetic leather.

Standard on 4WD Tacomas with manual transmissions, the clutch start cancel switch allows drivers to start the vehicle without depressing the clutch. This operation helps in off-road situations where drivers want to avoid rolling back or when crawling over rocks. When the driver is starting Tacoma and needs guaranteed traction, the clutch start-cancel switch is the answer. Starting Tacoma in gear helps reduce sudden jerky movements as a result of engaging the clutch and helps maintain its footing while accelerating at a slower pace than when 4LO is engaged.

Standard on every Tacoma, the Automatic Limited-Slip Differential (Auto LSD) helps increase performance in many low-traction situations without the need for 4-wheel drive. Auto LSD uses the brakes to simulate the action of a mechanical limited-slip differential, applying individual brakes to wheels with no traction and feeding power to those with grip. Using the brake system also eliminates added differential maintenance costs.
