

# 2020 Highlander

## At a Glance

- \* Toyota Safety Sense™ 2.0 (TSS 2.0)[1]
- \* Standard 8-in., available 12.3-in. touchscreen
- \* Standard Android Auto™[2], Apple CarPlay®[3] and Amazon Alexa®[4] compatibility
- \* Standard SiriusXM®[5] with 3-month All Access trial
- \* Connected Services[6] – standard Safety Connect®[7] and Wi-Fi Connect[8]; available Service Connect[9], Remote Connect[10] and Destination Assist[11]

## New for 2020

All-new from the ground up, the fourth-generation Highlander comes packed with a long list of new features:

### Technology

- \* Toyota Safety Sense™ 2.0 (TSS 2.0)[1]
- \* Android Auto™[2], Apple CarPlay®[3] and Amazon Alexa®[4] compatibility
- \* Available 7-in. Multi-Information Display (MID)
- \* Available Electronic On-Demand All-Wheel Drive – Highlander Hybrid

### Performance

- \* 295-hp V6
- \* Available Dynamic Torque Vectoring All-Wheel Drive (TV-AWD) with Driveline Disconnect
- \* Available Multi-terrain Select
- \* Up to a manufacturer-estimated 35/33/34 mpg (city/hwy/comb) – Highlander Hybrid[12]

### Design

- \* 8.2 in. of ground clearance
- \* LED exterior lighting
- \* New colors: Magnetic Gray Metallic, Moon Dust[13], Ruby Flare Pearl[13], Blueprint and Opulent Amber
- \* Active grille shutters – Highlander Hybrid

## Awards

- 2020 Toyota Highlander is an Insurance Institute for Highway Safety TSP when equipped with specific headlights.[61]

- 2020 Toyota Highlander was named a Best Family Car by Kelley Blue Book's KBB.com[62]
- 2020 Toyota Highlander was named Best Resale Value in its class by Kelley Blue Book's KBB.com[63]

## Models

6967	Hybrid Platinum	Hybrid Platinum (2.5L 4-cyl. AWD ECVT)	2.5L 4-cyl.

## Key Features

### L

When it comes to features, the base model doesn't hold back thanks to the standard Stop and Start Engine System (S&S), Trailer-Sway Control (TSC)[14], an 8-inch touchscreen and available all-wheel drive, making Highlander's point of entry very well-equipped.

- Toyota Safety Sense™ 2.0 (TSS 2.0)[1]
- Android Auto™[2], Apple CarPlay®[3] and Amazon Alexa®[4] compatibility
- Three-zone automatic climate control

## *LE*

Highlander LE adds more standard safety and convenience features, as well as additional Connected Services[6] – including standard Service Connect[9] and Remote Connect.[10]

- Blind Spot Monitor (BSM)[15] and Rear Cross-Traffic Alert (RCTA)[16]
- Power liftgate
- LED fog lights

## *Hybrid LE*

The base hybrid model may have a quiet start but there's never been a louder Highlander Hybrid in terms of features and specifications, thanks to an abundance of standard safety and convenience equipment, plus a next-generation hybrid powertrain.

- Manufactured-estimated 35/33/34 mpg (city/hwy/comb)[12]
- Available Electronic On-Demand All-Wheel Drive (AWD)

## *XLE*

With the XLE grade, Toyota's mid-size SUV gains interior amenities like an auto-dimming rearview mirror with HomeLink®[18] Universal Transceiver, heated front seats, Qi-compatible wireless charging[19] and more, making Highlander's cabin more inviting than ever.

- 7-in. Multi-Information Display (MID)
- Power tilt/slide moonroof
- SofTex®[17]-trimmed seating

## *Hybrid XLE*

Highlander Hybrid XLE takes the efficiency of Hybrid LE and combines it with the amenities of XLE, including a 7-inch Multi-Information Display (MID), power tilt/slide moonroof, SofTex®[17]-trimmed seating and more.

- 10-way power-adjustable driver's seat
- Second-row captain's chairs
- Roof rails[20]

## *Limited*

With Highlander Limited, owners can expect to find standard features typically reserved for luxury vehicles like a hands-free power liftgate, heated and ventilated front seats and an 11-speaker JBL®[22] Premium Audio system.

- 20-in. alloy wheels
- Perforated leather-trimmed seating
- Dynamic Navigation[21]

## *Hybrid Limited*

Limited Hybrid steps things up a notch with larger alloy wheels, upscale seating upholstery and integrated navigation[23], all while providing an efficient driving experience expected from that of a hybrid vehicle.

- 1,200-watt, 11-speaker JBL®[22] Premium Audio
- Wood-grain-style interior trim
- Driver's seat with memory function

## *Platinum*

The Platinum grade rounds out Highlander with state-of-the-art technologies like a digital rearview mirror, the largest touchscreen in its segment[60], a Head-Up Display (HUD) and more, giving the driver an extra boost of confidence while behind the wheel.

- 12.3-in. touchscreen
- Digital rearview mirror
- Bird's Eye View Camera[24] with Perimeter Scan

## *Hybrid Platinum*

Highlander Platinum Hybrid pairs advanced features like a massive touchscreen, Bird's Eye View Camera[24] with Perimeter Scan and more, while simultaneously having excellent fuel economy estimates.

- Panoramic moonroof
- Adaptive Front-Lighting System (AFS)[25] with auto-leveling headlights
- Head-Up Display (HUD)

6. Connected Services depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See [Toyota.com/connected-services](http://Toyota.com/connected-services) for details. To learn about Toyota's data collection, use, sharing and retention practices, please visit [www.toyota.com/privacyvts](http://www.toyota.com/privacyvts). Stolen vehicle police report required to use Stolen Vehicle Locator.
7. Toyota Safety Connect depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Registration required. Service subject to change at any time without notice. Terms of Use apply. Service may vary by vehicle and region. See usage precautions and service limitations in Owner's Manual and [Toyota.com/connected-services/](http://Toyota.com/connected-services/) for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit [www.toyota.com/privacyvts/](http://www.toyota.com/privacyvts/). The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service.
8. Eligible vehicle and wireless service required. Coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to [att.com/toyota](http://att.com/toyota) for terms and conditions. Wi-Fi Connect is available on select 2019 and newer Toyota vehicles. Visit [Toyota.com](http://Toyota.com) for vehicle availability. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Services subject to change at any time without notice. The Wi-Fi Connect trial period is at no extra cost and begins on the date of activation. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply.
9. Information provided is based on the last time data was collected from the vehicle and may not be up to date. Service Connect depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, which can limit functionality or availability. Service may vary by vehicle and region. Registration required. Service subject to change at any time without notice. Terms of Use apply. See usage precautions and service limitations in Owner's

Manual and [Toyota.com/connected-services](http://Toyota.com/connected-services) for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit [www.toyota.com/privacyvts/](http://www.toyota.com/privacyvts/). The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service.

10. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota's control, which can limit system functionality and availability. Service may vary by vehicle and region. Registration and app download required. Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Owner's Manual and [www.toyota.com/connected-services](http://www.toyota.com/connected-services) for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit [www.toyota.com/privacyvts/](http://www.toyota.com/privacyvts/). The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply.
11. Destination Assist depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota's control, which can limit system ability, functionality or availability. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Services subject to change at any time without notice. Terms and conditions of subscription services agreement apply. See Owner's Manual and [Toyota.com/connected-services](http://Toyota.com/connected-services) for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit [www.toyota.com/privacyvts/](http://www.toyota.com/privacyvts/). The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service.
12. 2020 Highlander manufacturer-estimated mileage. EPA estimates not available at time of posting. Actual mileage will vary.
13. Extra cost of \$425 for (070) (1K5) (3T3) painted exterior molding.
14. Trailer Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
15. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner's Manual for additional limitations and details.
16. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner's Manual for additional limitations and details.
17. Softex is a registered trademark of Toyota Motor Sales, U.S.A., Inc.
18. HomeLink and the HomeLink® house icon are registered trademarks of Gentex Corporation.
19. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns.
20. Do not overload your vehicle. See Owner's Manual for weight limits and restrictions.
21. Dynamic Navigation depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota's control which can limit system functionality or availability. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Terms of Use apply. See Owner's Manual and [www.toyota.com/connected-services](http://www.toyota.com/connected-services) for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit [www.toyota.com/privacyvts/](http://www.toyota.com/privacyvts/).
22. JBL is a registered trademark of Harman International Industries, Inc.
23. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability and accuracy of the information provided by the navigation system are dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See Owner's Manual for additional limitations and details.
24. The Bird's Eye-View Camera does not provide a comprehensive view of the area surrounding the vehicle and you should also look around the vehicle, using mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details.
25. The Adaptive Front-Lighting System helps improve night vision. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain may limit effectiveness requiring the driver to manually turn off the system. See Owner's Manual for additional limitations and details.
26. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring the driver to manually operate the high beams. See Owner's Manual for additional limitations and details.
27. May not be compatible with all mobile phones, MP3/WMA players and like models.
28. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
29. Advanced Voice Recognition capabilities vary by head unit.
30. Do not attempt to pair a Bluetooth device while driving. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
31. HD Radio Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
32. Dynamic Voice Recognition capabilities vary by head unit.
33. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices.

System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner's Manual for additional limitations and details.

34. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions when DRCC is engaged. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
35. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for additional limitations and details.
36. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details.
37. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details.
38. Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the DAC's ability to prevent loss of control. See Owner's Manual for additional limitations and details.
39. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for additional limitations and details.
40. When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See Owner's Manual for additional limitations and details.
41. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
42. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See Owner's Manual for additional limitations and details.
43. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
44. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331.
45. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions.
46. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
47. 2020 Highlander EPA-estimated mileage. Actual mileage will vary.
48. Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. When potential lane departure is detected, LTA provides a visual warning and either an audible alert or vibration in the steering wheel and can apply a slight steering force. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. LTA not available on manual transmissions. See Owner's Manual for additional limitations and details.
49. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See Owner's Manual for additional limitations and details.
50. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for additional limitations and details.
51. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to [www.aloa.org](http://www.aloa.org) to find a qualified locksmith in your area who can perform high-security key service.
52. Front and Rear Parking Assist Sonar is designed to warn drivers of potential front and rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Front and Rear Parking Assist Sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details.
53. Whiplash Injury Lessening front seats can help reduce the severity of whiplash injury in certain rear end collisions.

54. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. Calculated with the new SAE J2807 method. Installation of a tow hitch receiver will disable the touchless sensor in your vehicle's power rear-door liftgate and sensor operation setting should be turned off. See Owner's Manual for additional limitations.
55. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their Maintenance Guide. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.
56. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.
57. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.
58. For Hybrid, Plug-in Hybrid and Fuel Cell Electric Vehicle model year 2020 or newer. Hybrid battery warranty is covered for 10 years from original date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your new Vehicle Limited Warranty. See Toyota \*Owner's Warranty and Maintenance Guide\* for full details.
59. Predictive Efficient Drive Systems requires a destination entry in the navigation system for use. See Owner's Manual for additional limitations and details.
60. Based on manufacturers' data as of 9/24/2019.
