

2020 Sienna

At a Glance

- * 296-hp V6 engine
- * Toyota Safety Sense™ P (TSS-P)[2]
- * Seating for up to 8 passengers
- * 6-speaker audio multimedia with Apple CarPlay®[7] compatibility
- * Three-zone automatic climate control
- * Available All-Wheel Drive (AWD)

New for 2020

Sienna SE is now available with the **Nightshade Package**, which features exterior black accents that crank up Sienna's swag:

- * Black sport mesh front grille
- * Black outside door handles
- * Black spoiler

- * Black side mirror caps
- * Black 19-in. alloy wheels
- * Black Toyota emblem and grade badging

- * Limited to 4,000 units
- * Available in Super White, Celestial Silver Metallic, Midnight Black Metallic and Salsa Red Pearl
- * MSRP \$700

Awards

- 2020 Toyota Sienna received the NHTSA 5-Star Overall Safety Rating.[48]
- 2020 Sienna is the only vehicle in its class to have available All-Wheel Drive.[49]

Key Features

L

Sienna L offers the kind of safety and versatility families need, with wallet-friendly value.

- Toyota Safety Sense™ P (TSS-P)[2]
- Three-zone automatic climate control
- Apple CarPlay®[7] compatibility

LE Mobility Auto Access

LE Mobility Auto Access makes ingress and egress easier for those with disabilities, thanks to the motorized and remote-controlled Auto Access Seat and second-row captain's chairs that slide further to allow for more space when accessing the third row.

- Remote keyless entry system with power-sliding side door
- Auto Access Seat
- Safety Connect®[8] and Wi-Fi Connect[9]

LE

With its well-rounded practicality, Sienna LE offers connectivity services and available all-wheel drive, as well as a remote power-sliding side door making it easier getting in and out.

- Remote keyless entry system with power-sliding side door
- Available AWD
- Safety Connect®[8] and Wi-Fi Connect[9]

SE

Sienna SE earns its Swagger Wagon nickname with sporty styling and practical features like a power rear liftgate[47] and seating for eight.

- Available 19-in. alloy wheels
- Power rear liftgate[1]
- Standard 8-passenger seating; available 7-passenger seating (AWD)

SE Premium

Thanks to features like Blind Spot Monitor (BSM)[4] and Rear Cross-Traffic Alert (RCTA)[5], Smart Key System[12] and a power tilting and sliding moonroof, SE Premium blends state-of-the-art technology with sporty styling.

- Blind Spot Monitor (BSM)[4] and Rear Cross-Traffic Alert (RCTA)[5]
- Smart Key System[12] on all doors with Push Button Start
- Power tilt/slide moonroof

XLE Mobility Auto Access

XLE Mobility Auto Access makes ingress and egress easier for those with disabilities, thanks to the motorized and remote-controlled Auto Access Seat and second-row captain's chairs that slide further to allow for more space when accessing the third row.

- Audio Plus
- Auto Access Seat
- Leather-trimmed second-row captain's chairs with long-slide feature on driver's side

XLE

With luxury and convenience offerings the entire family will enjoy, Sienna XLE also accounts for versatility and value without sacrificing comfort.

- Power windows with auto up/down, jam protection and power rear windows
- Blind Spot Monitor (BSM)[4] and Rear Cross-Traffic Alert (RCTA)[5]
- Leather-trimmed, heated, power-adjustable front seats

XLE Premium

XLE Premium adds peace-of-mind features designed to help make driving a Sienna full of family a bit easier.

- Driver Easy Speak
- Dual-View Blu-Ray DVD Entertainment Center with 16.4-in. display
- Rear parking assist sonar[13]

Limited

Sienna Limited is for those who want it all, bringing all kinds of features typically found in a fully-loaded luxury vehicle – because it is one.

- Premium Audio with JBL® w/Clari-Fi™[14] and 10 speakers including subwoofer
- Dual moonroof with front power tilt/slide and power rear slide
- Premium leatherette-trimmed 60/40 Split & Stow 3rd-Row Seat

Limited Premium

When the absolute best is the minimum requirement, Limited Premium is the top-of-the-line, no-holds-barred grade that wows with its high-tech approach to minivan luxury.

- HID headlights with level control, auto on/off and LED Daytime Running Lights
- Rain-sensing windshield wipers
- Bird's Eye View Camera[6] with Perimeter Scan

Disclaimers

1. See Owner’s Manual for additional limitations and details.
2. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner’s Manual for additional limitations and details.
3. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner’s Manual for additional limitations and details.
4. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner’s Manual for additional limitations and details.
5. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner’s Manual for additional limitations and details.
6. The Bird’s Eye View Camera does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner’s Manual for additional limitations and details.
7. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® tethered with an approved data cable into the USB media port. Apple CarPlay is a trademark of Apple Inc.
8. Toyota Safety Connect is dependent upon an operative telematics device, a cellular connection and other factors outside of Toyota's control, which can limit the ability to reach the response center or receive emergency support or otherwise limit the functionality or

- availability of the system. Terms and conditions of subscription service agreement apply. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See Toyota.com/entune for details. To learn about Toyota's data collection, use, sharing and retention, please visit www.toyota.com/privacyvts/. Stolen vehicle police report required to use Stolen Vehicle Locator.
9. Verizon Wireless is the network provider for Wi-Fi Connect which uses Verizon's 4G LTE network to transmit data. Data usage applies. Coverage varies; see vzw.com. Other terms apply. Verizon Wireless data subscription required upon end of 6-month trial period or use of 2 GB data (whichever comes first). Use of Wi-Fi Connect is subject to Verizon Wireless' Customer Agreement at verizonwireless.com/legal/notices/customer-agreement, Privacy Policy at verizon.com/about/privacy/privacy-policy-summary, and data use policies at verizonwireless.com/support/vz-email-legal, Privacy Policy, and data use policies. Apps and services subject to change at any time without notice. See Toyota.com/entune for details.
 10. Front and Rear Parking Assist Sonar is designed to warn drivers of potential front and rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Front and Rear Parking Assist Sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details.
 11. 2020 Sienna FWD, SE & SE Premium EPA-estimated 19/city, 27/hwy, 22/comb MPG estimates. Actual mileage will vary.
 12. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
 13. Rear Parking Assist Sonar is designed to warn drivers of potential rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Rear Parking Assist Sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details.
 14. JBL & Clari-Fi are registered trademarks of Harman International Industries, Incorporated.
 15. Dynamic Navigation is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control which can limit the ability or functionality of the system. To learn about Toyota Entune 3.0's data collection, use, sharing and retention, please visit Toyota Link: www.toyota.com/privacyvts/. Use common sense when relying on information provided. Services and programming subject to change at any time without notice. Services not available in every city or roadway. Subscription required upon end of trial service period. See Navigation System Owner's Manual for additional limitations and details. See Toyota.com/entune for details.
 16. HD Radio Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
 17. May not be compatible with all mobile phones, MP3/WMA players and like models.
 18. Dynamic Voice Recognition capabilities vary by head unit.
 19. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
 20. The *Bluetooth* word mark and logos are registered trademarks owned by *Bluetooth* SIG, Inc. and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
 21. Always drive safely, obey traffic laws and focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. Data charges may apply. See Apple.com and phone carrier for details. Siri is a registered trademark of Apple Inc.
 22. SiriusXM audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2019 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc.
 23. Destination Assist is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability or functionality of the system. Use common sense when relying on this information. Apps and services subject to change at any time without notice. See Toyota.com/entune for details. To learn about Toyota Entune 3.0's data collection, use, sharing and retention, please visit www.toyota.com/privacyvts/. See Owner's Manual for additional limitations and details. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions of subscription service agreement apply. Apps and services subject to change at any time without notice. See Toyota.com/entune for details. To learn about Toyota Entune 3.0's data collection, use, sharing and retention, please visit www.toyota.com/privacyvts/. See Owner's Manual for additional limitations and details.
 24. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. Terms and conditions apply.
 25. Headphones are for passenger use only. Do not use while operating vehicle.
 26. Do not rely exclusively on the blind-spot mirror. Always look over your shoulder and use your turn signal. There are limitations to the function of the mirror. See Owner's Manual for additional limitations and details.
 27. Roof rack with crossbars is not recommended for luggage. See Owner's Manual for additional limitations and details.
 28. The Scout GPS Link app is compatible with select vehicle models. Availability and accuracy of the information provided by Scout GPS Link is subject to change at any time without notice and is dependent upon many factors, including smartphone connectivity, capability and cellular reception. Always use safe driving practices and follow all traffic rules. Data charges may apply. Scout and

Telenav are registered trademarks of Telenav, Inc. The Scout GPS Link trial is at no extra cost and begins when the app is downloaded on the vehicle. Contact the Toyota Customer Experience Center at 800-331-4331 for length of trial period. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply.

29. Advanced Voice Recognition capabilities vary by head unit.
30. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details.
31. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
32. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details.
33. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for additional limitations and details.
34. The TSS Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
35. The Pedestrian Detection System is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a collision avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See Owner's Manual for additional limitations and details.
36. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. DRCC is unavailable on manual transmissions. See Owner's Manual for additional limitations and details.
37. Roadside Assistance coverage is 2 years unlimited mileage. Does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.
38. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
39. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring the driver to manually operate the high beams. See Owner's Manual for additional limitations and details.
40. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for details.
41. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org.
42. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
43. 2020 EPA-estimated mileage. Actual mileage will vary.
44. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. Calculated with the new SAE J2807 method.
45. ToyotaCare plan covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.
46. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.
47. Extra cost of \$425 for (070) painted exterior molding.
48. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov)
49. Based on manufacturers' data, January 2020.
50. Amazon, Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Not all Amazon Alexa functionality is available for in-vehicle use.
