• 2015 Tacoma	1
• Models & Colors	4
• Features	6
• Options & Packages	20
• Specifications	25
• Competitive Comparison	35
• Tips & Facts	40

## KEY SELLING POINTS

- 1** Form + Function = Tacoma
- 2** New TRD Pro models
- 3** Go-anywhere, do-anything toughness
- 4** ToyotaCare
- 5** Fun to drive
- 6** Extensive standard safety features

## ■ WHAT'S NEW FOR 2015

## • Models

- Regular Cab is discontinued for 2015
- New TRD Pro Access Cab and Double Cab models introduced
  - Includes unique TRD-tuned front springs, TRD Bilstein® high performance shocks, TRD cat-back exhaust, unique “TOYOTA” front grille, black front and rear bumper lower bumper accents, black door handles and outside mirrors, 16-in. TRD bead-lock style matte black alloy wheels with BF Goodrich all-terrain KO tires, black “TRD PRO” and “TACOMA” badging, TRD shift knob, TRD floor mats and Entune™ Premium Audio with Navigation and App Suite†
  - Available with 6-speed manual/5-speed Electronically Controlled automatic Transmission with intelligence (ECT-i)

## • Packaging

- Introduction of new Utility Package {BZ} available on Access Cab 2.7L models (7113, 7114, 7162, 7513, 7514)
  - Removes rear seats, head rests and seat belts, removes rear speakers, rear cupholders, and rear console box or rear compartment

## • Colors

- New color: Inferno (4X0) (exclusive to TRD Pro)
- Discontinued color: Spruce Mica (6V4)

## • Interior

- Steering wheel-mounted audio controls now standard on all models
- Heavy Duty All-weather Flooring {FL} is no longer available
- Clock moved from info strip above HVAC unit to audio head unit
- Sliding rear window {WR} no longer standalone option, included with Convenience Packages {CP}, {CQ}

Look for this icon  and **red** typeface to easily identify **NEW** features or changes for 2015.

†Please see “Cautions” section in the back of the CARS book for important information on this feature.

## ■ TRIMS AT A GLANCE

### 2WD

#### CAPABLE, COMFORTABLE, ANYTHING BUT CUTE

- 2.7L DOHC 16-valve SEFI I4 with Variable Valve Timing with intelligence (VVT-i) (E20 compliant: 20% ethanol, 80% gasoline)
- 5-speed manual transmission (5MT) with overdrive or available 4-speed Electronically Controlled automatic Transmission with intelligence (4ECT-i) and automatic overdrive
- Automatic Limited-Slip rear Differential (Auto-LSD)
- Coil-spring double-wishbone independent front suspension and solid rear axle with leaf spring suspension
- Star Safety System™
- Deck rail system with four adjustable tie-down cleats
- 15-in. x 6.0-in. styled steel wheels with P215/70R15 all-season tires
- 5-speed Electronically Controlled automatic Transmission with intelligence (5ECT-i) with automatic overdrive or 6-speed manual transmission (6MT) with overdrive
- Available 4.0L DOHC 24-valve SEFI V6 with Variable Valve Timing with intelligence (VVT-i) with 5-speed Electronically Controlled automatic Transmission with intelligence (5ECT-i) and automatic overdrive

### PRERUNNER

#### ADDED FEATURES FOR ADDED FUN

- Front skid plate, engine skid plate and fuel tank protector
- Black overfenders
- 16-in. x 7.0-in. styled steel wheels with P245/75R16 Mud-and-Snow-rated tires
- Available SR Package with 16-in. black alloy wheels with P245/75R16 tires, color-keyed front and rear bumpers, grille surround, overfenders, door handles, and power outside mirrors with turn signal indicators, headlights with smoked trim, and fog lamps

\*Please see "Cautions" section in the back of the CARS book for important information on this feature.

## ■ TRIMS AT A GLANCE

### 4WD

#### EXTRA CAPABILITY WHEN YOU NEED IT

- 4WDemand part-trim 4WD system: part-time 4-wheel-drive system with 2-speed electronically controlled transfer case
- Clutch start cancel switch (manual transmission only)
- Transfer case skid plate
- Front differential with Automatic Disconnecting Differential (ADD) feature
- Available Active Traction Control (A-TRAC) (included in {OC})
- Available SR Package on Access and Double Cabs with 16-in. black alloy wheels with P245/75R16 tires, color-keyed front and rear bumpers, grille surround, overfenders, door handles, and power outside mirrors with turn signal indicators, headlights with smoked trim, and fog lamps

### TRD PRO

#### A LIVING OFF-ROAD LEGEND

- 4.0L DOHC 24-Valve V6 with 6-speed manual or 5ECT-i
- 4WDemand part-time 4WD with electronically controlled transfer case and Auto LSD\*
- Electronically controlled locking rear differential
- Active Traction Control (A-TRAC)
- Unique TRD-tuned front springs and Bilstein® high-performance shocks with remote reservoirs
- 16-in. TRD bead-lock style matte black alloy wheels with LT265/70R16 BF Goodrich All Terrain T/A KO Tires
- Unique “TOYOTA” front grille and black badging
- TRD Cat-Back exhaust system

\*Auto LSD operates only in 2WD mode

★ TRD PRO 4WD V6	5ECT-i	4.0L	6	7598	\$37,415

\*MSRP excludes the Delivery, Processing and Handling Fee of \$825 for Cars, \$885 for Small/Medium Trucks (Sienna, RAV4, Venza, Highlander Gas, Highlander Hybrid, FJ Cruiser, 4Runner, and Tacoma), \$925 for Large SUV (Land Cruiser, Sequoia) and \$1100 for Large Trucks (Tundra). Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, FL, GA, NC, SC, AR, LA, MS, OK and TX will be higher. Actual dealer price will vary.

## 2015 NISSAN FRONTIER

### KEY ADVANTAGES

**2015 Tacoma Double Cab 4WD V6 with TRD Off-Road Extra Value and V6 Towing Packages vs. 2015 Nissan Frontier Crew Cab PRO-4X AT**

- **Potential ownership savings** – Tacoma comes standard with ToyotaCare, including a 2-year/25,000-mile (whichever comes first) no-cost scheduled maintenance plan and 2 years of roadside assistance. Frontier doesn't include complimentary maintenance or roadside assistance
- **Value** – IntelliChoice rated Tacoma Double Cab 4x4 V6 as an "Excellent" value and estimated its 5-year cost of ownership at \$35,132. Frontier Crew Cab PRO-4X received a "Below Average" rating from IntelliChoice with a 5-year cost of ownership estimated at \$41,744
- **More off-road ability** – Tacoma 4WD is rated to clear steeper approach and departure angles than Nissan Frontier 4WD
- **Impressive technology** – Though Frontier now offers NissanConnect mobile apps for 2015, Tacoma's Available Entune® App Suite allows occupants to make dinner reservations, order movie tickets and much more all from the head unit. Plus, Tacoma has a larger 6.1-in. touch-screen vs. Frontier's 5.8-in. touch-screen
- **Better city fuel-economy rating\*** – 16 MPG for Tacoma 4WD V6 and 15 MPG for Frontier PRO-4X
- **Higher maximum towing capacity†** – 6400 lb. for Tacoma V6 vs. 6100 lb. for Frontier Crew Cab PRO-4X
- **More payload** – Tacoma Double Cab 4WD V6 features over 200 lb. more of maximum payload than Frontier Crew Cab PRO-4X 4WD
- **Interior comfort** – More rear leg room and front and rear head room

### NISSAN FRONTIER CHALLENGES

- More horsepower and torque
- Available power-adjustable and heated seats
- More ground clearance
- More front leg room

\*2015 EPA MPG estimates. Actual mileage will vary.

†Please see "Cautions" section in the back of the CARS book for important information on this feature.

Competitive comparison reflects most current information available for stated model year vehicles.

## COMPETITIVE COMPARISON

### 2015 CHEVROLET COLORADO

NO IMAGE AVAILABLE

#### KEY ADVANTAGES

**2015 Tacoma Double Cab V6 4x4 w/ TRD Off-Road Extra Value Package and V6 Tow Package vs. 2015 Chevrolet Colorado Crew Cab Z71 4x4 V6**

- **More off-road capability** – Tacoma PreRunner and 4WD models have a higher ground clearance (9.3-in. vs. 8.4-in.) and include engine and front suspension skid plates. Plus, with the TRD Off-Road Package, Tacoma features an off-road suspension with Bilstein® shock absorbers
- **Enhanced connectivity** – Tacoma's available Entune® App Suite† offers added functionality with the ability to purchase movie tickets, make dinner reservations and much more all from the head unit. While Colorado has a larger touch-screen (8-in. vs. 6.1-in.) it doesn't offer any integrated apps
- **Interior comfort** – Tacoma has more head room and more rear leg, hip and shoulder room than Colorado
- **Better utility** – A standard Deck Rail System including four tie-down cleats and a fiber-reinforced Sheet-Molded Composite inner bed with storage compartments and rail caps gives Tacoma added utility. Colorado's deck rail system costs extra
- **Standard safety** – With the TRD Off-Road Package, Tacoma Double Cab comes standard with Hill Start Assist (HAC)† and Downhill Assist Control (DAC)† while Colorado Z71 has Hill Descent Control but no HAC†

#### CHEVROLET COLORADO CHALLENGES

- More horsepower and torque
- Higher EPA mpg ratings†
- Available OnStar® 4G LTE
- 8-in. touch-screen and 4 USB ports† (2 charge only)

\*2015 EPA MPG estimates. Actual mileage will vary.

## 2015 GMC CANYON

### KEY ADVANTAGES

**2015 Tacoma Double Cab V6 4x4 w/ TRD Off-Road Extra Value Package and V6 Tow Package vs. 2015 GMC Canyon Crew Cab SLT 4x4 V6**

- **Better utility** – A standard Deck Rail System including four tie-down cleats and a fiber-reinforced Sheet-Molded Composite inner bed with storage compartments and rail caps give Tacoma added utility. Canyon's deck rail system is offered for an extra cost
- **Interior comfort** – Tacoma has more shoulder room and more rear head and hip room than Canyon
- **More off-road capability** – Tacoma PreRunner and 4WD models feature engine and front suspension skid plates and have higher approach (35° vs. 17.3°) and departure (26° vs. 22.1°) angles than Canyon. Plus, with the TRD Off-Road Package, Tacoma features an off-road suspension with Bilstein® shock absorbers
- **Standard safety** – With the TRD Off-Road Package, Tacoma Double Cab comes standard with Hill Start Assist (HAC)<sup>†</sup> and Downhill Assist Control (DAC)<sup>†</sup>. While Canyon SLT has standard HAC<sup>†</sup>, it doesn't offer DAC<sup>†</sup>
- **Enhanced connectivity** – Tacoma's available Entune® App Suite<sup>†</sup> offers added functionality with the ability to purchase movie tickets, make dinner reservations and much more all from the head unit. For Canyon, the only app it features is standard Pandora<sup>®†</sup> internet radio on SLE and SLT grades

### GMC CANYON CHALLENGES

- More horsepower and torque
- Available Forward Collision Alert
- 7000 lb. of maximum towing capacity<sup>†</sup>
- Higher EPA mpg ratings<sup>†</sup>
- 8-in. touch screen and 4 USB ports<sup>†</sup>

<sup>\*</sup>2015 EPA MPG estimates. Actual mileage will vary.

1.5 TACOMA

## TIPS & FACTS

### DEMO TIPS

**Tacoma comes standard with a deck rail system that allows four adjustable tie-down cleats to be positioned for secure transportation.** While showing a Tacoma to your customer, demonstrate how easy it is to slide the tie-down cleats down the rail to more snugly secure cargo. The deck rail system's simple operation makes worrying about rope or strap length a thing of the past and makes your customer's hauling easier.

**Tacoma's available Entune® App Suite† features familiar Apps that allow occupants to order movie tickets, read peer reviews on restaurants and make reservations, find nearby points of interest, and listen to customized internet radio, to name a few.** Drivers and passengers can also stay updated on stocks, sports, weather, traffic and fuel prices. Make sure to have the Entune® App Suite† on your smartphone and integrated with a properly-equipped Tacoma so you can show your customers how easy and practical the system can be.

**Tacoma Access and Double Cab offer extra seating and storage with its second row of seating.** The flip-up cushions hide under-seat storage compartments that are great for tools and gear you don't want to leave in the open cabin. Before you start off on your drive, open the rear door and show the customer how easy and convenient the under-seat storage compartments are to access. Give them ideas of the items they can store in them, e.g., tools, gloves, safety equipment, rope, etc.

### QUICK FACTS

**Tacoma's available SofTex®-trimmed seats combine refinement with practicality.** SofTex® is a revolutionary material that is soft like leather, but weighs half as much. It's also easier to clean and generates around 85% fewer volatile organic compounds than normal synthetic leather.

**Standard on 4WD Tacomas with manual transmissions, the clutch start cancel switch allows drivers to start the vehicle without depressing the clutch.** This operation helps in off-road situations where drivers want to avoid rolling back or when crawling over rocks. When the driver is starting Tacoma and needs guaranteed traction, the clutch start-cancel switch is the answer. Starting Tacoma in gear helps reduce sudden jerky movements as a result of engaging the clutch and helps maintain its footing while accelerating at a slower pace than when 4LO is engaged.

**Standard on every Tacoma, the Automatic Limited-Slip Differential (Auto LSD) helps increase performance in many low-traction situations without the need for 4-wheel drive.** Auto LSD uses the brakes to simulate the action of a mechanical limited-slip differential, applying individual brakes to wheels with no traction and feeding power to those with grip. Using the brake system also eliminates added differential maintenance costs.
