

## KEY SELLING POINTS

1. Built for Work, Ready for Fun
2. A Distinct Model For Every Lifestyle
3. Enhanced Safety
4. Incredible Value
5. Off-Road Capability

## WHAT'S NEW

### Mechanical

- Flex Fuel Vehicle (FFV)<sup>1</sup> is now available on 4x2 models. 10 new FFV models have been added; 22 of 50 available Tundra models are FFV
- Tundra gains the largest fuel tank in the segment, up from 26.4 gallons to 38 gallons. New 38-gallon Large Fuel Tank (LFT) is standard on all Limited, Platinum, 1794 Edition, and TRD Pro with 5.7L V8
- Integrated Trailer Brake Controller (TBC) is now standard on all 5.7L V8-equipped models (N/A with the 4.6L V8)

### Exterior

- New color: Magnetic Gray (1G3) available for TRD Pro
- New color: Quicksand (4V6) available for TRD Pro
- Blazing Blue Pearl (8T0) replaces Blue Ribbon Metallic (8T5)
- Attitude Black (218) is now Midnight Black Metallic (218)

- Sunset Bronze Metallic (4U3) now available on SR5
- Inferno (4X0) now available with TRD Off-Road Package (OF) on SR5 and Limited
- SR now only available in Super White, Black and Radiant Red
- SR5 receives an updated grille – chrome grille surround with blacked-out mounting and chrome center insert
- 1794 Edition receives the following changes:
  - Updated front grille – chrome grille surround with blacked-out mounting and chrome center insert
  - Center portion of lower front bumper is now gunmetal gray
- Off-Road package is now available with 1794 Edition
- Replaces standard wheel with 18" TRD Off-Road alloy wheels with Michelin LTX® A/T2 tires. Includes trail-tuned Bilstein® shocks, engine skid plate, fuel tank skid plate, front tow hooks on 4X2 and TRD Off-Road decals

## Interior

- TRD Pro receives standard black leather seats with red contrast stitching and TRD Pro logo
- Entune™ Audio is standard on SR
- Entune™ Audio Plus with Connected Navigation<sup>2</sup> (Scout®<sup>3</sup> GPS Link<sup>4</sup>) is standard on SR5
- Entune™ Premium Audio with In-Vehicle Navigation<sup>2</sup> and App Suite<sup>5</sup> is standard on Limited and TRD Pro and available as an option on SR5
- Entune™ Premium JBL® Audio with In-Vehicle Navigation<sup>2</sup> and App Suite<sup>5</sup> is standard on Platinum and 1794 Edition

## Safety & Convenience

- Spot Monitor (BSM)<sup>6</sup> no longer offered as a stand-alone option
- New SR5 Technology Package: includes front/rear sonar and Blind Spot Monitor<sup>6</sup> w/RCTA<sup>7</sup>
- Available on Double Cab and CrewMax; no conflict with the TRD
- Off-Road Package
  - BSM<sup>6</sup> added to Limited Premium Package (LX), available on Double Cab and CrewMax; no conflict with the TRD
  - BSM<sup>6</sup> now standard on 1794 Edition, Platinum

## COMPETITIVE COMPARISONS

### 2016 Ford F-150 Lariat SuperCrew® 4x4 with EcoBoost® 3.5L V6 & FX4 Off-Road Package

## KEY ADVANTAGES

2016 Tundra Limited 4x4 CrewMax 5.7L V8 with TRD Off-Road Package vs.

2016 Ford F-150 Lariat SuperCrew® 4x4 with EcoBoost® 3.5L V6 & FX4 Off-Road Package

- **More Horsepower:** Tundra's 5.7L V8 boasts more horsepower than F-150's 2.7L EcoBoost®, 3.5L EcoBoost® and 3.5L V6 engines.
- **Off-Road Ability:** Tundra excels off-road<sup>31</sup> with nearly an inch more ground clearance compared to F-150 Lariat SuperCrew® 4WD – 10.4 inches versus 9.4 inches.
- **Added Convenience:** Tundra's amenities stack up against (or exceed) those of F-150 in several areas, including Tundra's fully retractable vertical rear window.
- **Upscale Technology:** Tundra Limited pampers occupants with creature comforts like Entune™ Premium Audio with Integrated Navigation<sup>2</sup> and Entune® App Suite<sup>5</sup>. (Navigation is optional on F-150 Lariat SuperCrew®.)
- **Enhanced Safety:** Tundra features more airbags<sup>10</sup> than F-150 (eight vs. six) —including driver and front passenger knee airbags<sup>10</sup> and a standard backup camera<sup>9</sup>, plus Toyota's Star Safety System™.
- **Value:** Though F-150 offers longer roadside assistance than Tundra, Tundra comes standard with a 2-year/25,000-mile (whichever comes first) no-cost scheduled maintenance plan<sup>32</sup>.
- **Ownership Costs:** IntelliChoice rated Tundra Limited CrewMax an "Excellent" value<sup>21</sup>, while F-150 Lariat SuperCrew® was rated "Above Average." Plus, Tundra's 5-year estimated cost of ownership is over \$2500 less than F-150<sup>19</sup>.

## COMPETITIVE COMPARISONS

### FORD F-150 CHALLENGES

- Class-exclusive aluminum-alloy cab and box
- Better fuel economy (16 mpg city/22 mpg highway/18 mpg combined vs. Tundra's 13/17/15)
- More torque (420 lb.-ft. @ 2500 rpm vs. 401 lb.-ft. @ 3600 rpm)
- Higher maximum payload (2,060 lbs. vs. 1,530 lbs.)
- Greater towing capacity (10,700 lbs. vs. 9,800 lbs.)

## DISCLAIMERS

1. Flex Fuel Vehicles are not available in every state. In states where available, all 4x4, 5.7L V8 models are FFV. Flex Fuel Vehicles use E85, gasoline or a combination of both. Estimated mileage will vary. Consult your dealer for nearest E85 filling stations. See Toyota.com for further details.
2. Availability & accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services & programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See your navigation system Owner's Manual for details.
3. Scout® is a registered trademark of Telenav, Inc.
4. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details.
5. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See Toyota.com/entune® for details.
6. Do not rely exclusively on the blind-spot monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection, range and clarity of the monitor. For a complete list of limitations and directions, please see the Owner's Manual.
7. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. To learn more, see Owner's Manual.
8. Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$835 for Cars, \$900 for Small/Light Trucks (Sienna, RAV4, Highlander Gas, Highlander HV, 4Runner, Tacoma and Venza), \$1195 for Large Trucks (Tundra), and \$995 for Large SUVs (Sequoia and Land Cruiser). (Historically, vehicle manufacturers and distributors have charged a separate fee for processing handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. Actual dealer price will vary.
9. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy.
10. All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your Owner's Manual for further information/warnings.
11. Trailer Sway Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner's Manual for details.
12. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage & carrier.
13. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
14. Do not exclusively rely on the Parking Assist Sonar system. Always look over your shoulder and use your mirrors to confirm clearance. System effectiveness depends on many factors. See Owner's Manual for details.
15. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org.

## DISCLAIMERS

16. May not be compatible with all WMA/MP3 players and like models.
17. iPod® is a registered trademark of Apple, Inc. All rights reserved.

Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C.
22. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
23. PANDORA®, the PANDORA® logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission.
24. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details.
25. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance, tire and road conditions.
26. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your Owner's Manual for further details.
27. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your Owner's Manual for details.
28. 2016 EPA MPG estimates. Actual mileage will vary.
29. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.
30. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with the new SAE J2807 method.
31. The Tundra is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Seat belts should be worn at all times. Do not allow passengers to ride in cargo area. Towing hitch receivers/ball mount kits are not intended to provide crash protection.
32. Covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.
