

# 2021 GR Supra

## 5 Things You Need to Know

- \* **Four-grade lineup** – 2.0, 3.0, 3.0 Premium and A91 Edition
- \* Choice of 2.0-liter 4-cyl. turbo or 3.0-liter 6-cyl. turbo engines
- \* **0-60 mph in 3.9 secs** (3.0 models)[1]
- \* 1,000-unit limited-availability **A91 Edition**
- \* Complimentary one-year membership to National Auto Sport Association (NASA) and one High Performance Driving Event (HPDE)[16]

## What's New

- \* 2.0-liter 4-cyl. turbo model
- \* **382-hp** Supra 3.0 (up 47 hp from MY20)
- \* Standard **8.8-inch touchscreen**
- \* Revised **chassis tuning** for Supra 3.0
- \* Available Safety and Technology Package
- \* A91 Edition limited production grade
- \* Available **Refraction exterior paint color** (A91 Edition only)

## Quick Specs

- \* Standard 255-hp 4-cyl. turbo engine
- \* Available 382-hp 6-cyl. turbo engine
- \* Up to **368 lb.-ft. of torque**
- \* **155 mph electronically controlled top track speed**
- \* ZF 8HP **8-speed** automatic transmission
- \* **Front engine, rear-wheel drive (RWD)**, near 50:50 weight distribution

## Awards

- Motorweek – 2021 Toyota GR Supra: Drivers' Choice Award – Best Sport Coupe[17]

## Models

Model Code	Trim Name	Full Name	Engine
2370	2.0	2.0	2.0L 4-Cyl.
2372	3.0	3.0	3.0L 6-Cyl.
2374	3.0 Premium	3.0 Premium	3.0L 6-Cyl.
2377	A91 Edition	A91 Edition	3.0L 6-Cyl.

# Key Features

## 2.0

Powered by an all-new engine, the base model Supra kicks things into high gear with its near 50:50 weight distribution, 8.8-inch full-digital TFT LCD gauge cluster and of course, Launch Control.

- 255-hp 4-cyl. turbo engine
- 18-in. cast alloy wheels
- 8.8-in. touchscreen

## 3.0

In addition to its upgraded engine and retuned chassis, GR Supra 3.0 also boasts an Active Rear Sport Differential and Adaptive Variable Sport (AVS) suspension, making it the ideal everyday sports car.

- 382-hp 6-cyl. turbo engine
- 19-in. forged alloy wheels
- 4-piston Brembo front brakes

## 3.0 Premium

The Premium grade takes an already well-equipped sports coupe and rounds it out with tech that includes a 12-speaker JBL®[2] HiFi surround sound system, integrated navigation[3], Qi-compatible wireless charging[4] and more.

- Wireless Apple CarPlay®[1] compatibility
- Full-color Head-Up Display (HUD)
- Heated seats

## A91 Edition

A91 Edition lets Supra stand out with special touches like carbon fiber mirror caps, a rear black carbon fiber lip spoiler, C-pillar graphics and more.

- Limited to 1,000 units
- 19-in. forged matte-black alloy wheels
- Blue contrast interior stitching

# Disclaimers

1. Available on select GR Supra models. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay is a trademark of Apple Inc.
2. JBL is a registered trademark of Harman International Industries, Inc.
3. Available on select GR Supra models. Includes a 4-year trial period. Subscription required after trial. Service depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength, and other factors, all of which can limit service functionality or availability. Service not available in every city or roadway. Use common sense when relying on information provided. Service subject to change at any time without notice. For service details and limitations, see your \*Navigation System\* Owner's Manual and [www.supraconnect.com](http://www.supraconnect.com).
4. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns.
5. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner's Manual for additional limitations and details.
6. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner's Manual for additional limitations and details.
7. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner's Manual for additional limitations and details.
8. Available on select GR Supra models. Includes a 4-year trial period, except Roadside Assistance which is a 2-year period. Subscription required after trial. Services are dependent upon an operative telematics device, a cellular connection, navigation map data, GPS signal strength, and other factors, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required for use of Stolen Vehicle Recovery. Apps and services subject to change at any time without notice. Data charges may apply. For service details and limitations, see your Owner's Manual and [www.supraconnect.com](http://www.supraconnect.com), and to learn about Supra Connect data collection, use, sharing and retention practices, visit Supra Connect Terms & Conditions.
9. Available on select GR Supra models. Includes a 4-year trial period. Subscription required after trial. Services depend on an operative telematics device, a cellular connection, GPS signal strength, and other factors, all of which can limit system functionality or availability. Services subject to change at any time without notice. Data charges may apply. For service details and limitations, see your Owner's Manual and [www.supraconnect.com](http://www.supraconnect.com), and to learn about Supra Connect data collection, use, sharing and retention practices, please visit Supra Connect Terms & Conditions.
10. Available on select GR Supra models. Includes 4-year trial period for Battery Guard. Subscription required after trial. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. Services depends on an operative telematics device, a cellular connection, and other factors, all of which can limit system functionality or availability. Services may vary by region and are subject to change at any time without notice. Data charges may apply. For service details and limitations, see your Owner's Manual and [www.supraconnect.com](http://www.supraconnect.com).
11. Available on select GR Supra models. Includes a 4-year trial period. Subscription required after trial. Navigation must be functioning, and destination entered for service to function. Service depends on an operative telematics device, a cellular connection, GPS signal strength, and other factors, all of which can limit system functionality or availability. Services not available in every city or roadway. Use common sense when relying on information provided. Service subject to change at any time without notice. For service details and limitations, see your \*Navigation System\* Owner's Manual and [www.supraconnect.com](http://www.supraconnect.com).
12. Available on select GR Supra models. Includes a 4-year trial period. Subscription required after trial. Service depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength, and other factors, all of which can

limit service functionality or availability, including access to response center and emergency support. Service subject to change at any time without notice. For service details and limitations, see your Owner's Manual and [www.supraconnect.com](http://www.supraconnect.com).

13. Available on select GR Supra models. Includes a 4-year trial period. Map updates based on your current North American region. If you relocate to a new region, the user region will be updated automatically after 45 days in that region. You can also visit your Supra dealer to have your map data manually updated, which may be at an additional cost to you. Map updates unavailable upon the expiration of the trial period. Subscription required after trial, which provides up to 4 map updates per year. Service subject to change at any time without notice. Data charges may apply. For service details and limitations, see your \*Navigation System\* Owner's Manual and [www.supraconnect.com](http://www.supraconnect.com).
14. The *Bluetooth* word mark and logos are registered trademarks owned by *Bluetooth SIG, Inc.* and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
15. SiriusXM® audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2020 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. SiriusXM trial length and service availability may vary by model, model year or trim.
16. May not be compatible with all mobile phones, MP3/WMA players and like models.
17. Voice Recognition capabilities vary by head unit.
18. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for additional limitations and details.
19. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details.
20. When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See Owner's Manual for additional limitations and details.
21. The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
22. The Pedestrian Detection system is designed to detect a pedestrian or bicyclist ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist, and weather, light and road conditions. See Owner's Manual for additional limitations and details.
23. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
24. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
25. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for additional limitations and details.
26. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to [www.aloa.org](http://www.aloa.org) to find a qualified locksmith in your area who can perform high-security key service.
27. Automatic High Beams are activated under specific conditions. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See Owner's Manual for additional limitations and details.
28. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
29. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
30. The Parking Sensors system is designed to assist drivers in avoiding potential collisions at very slow speeds. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Parking Sensors system to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details.
31. 2021 Supra EPA-estimated mileage. Actual mileage will vary.
32. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models

require a different maintenance schedule as described in their Maintenance Guide. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.

33. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area.
