

Key Selling Points

For 2017, the Camry lineup continues to offer a broad range of models that appeals to a wide variety of owners, helping to make Camry the best-selling car in America.

Convenience Features

- Standard backup camera⁴
- Standard 8-way power-adjustable driver's seat with power lumbar support
- Standard power windows with driver and front passenger auto up/down
- Available Technology Package which includes: Pre-Collision System (PCS)⁵, Dynamic Radar Cruise Control (DRCC)⁶, Lane Departure Alert (LDA)⁷, and Automatic High Beams (AHB)⁸
- Available Blind Spot Monitor (BSM)⁹ and Rear Cross-Traffic Alert (RCTA)¹⁰

In-Cabin Technology

- Qi-compatible wireless smartphone charging¹ (XSE 4-cyl., XSE V6, XLE 4-cyl., XLE V6, and Hybrid XLE; available on Hybrid LE)
- Entune[™] Audio (LE and SE)
- Entune[™] Audio Plus with Connected Navigation² App (available on LE, SE, Hybrid LE, and Hybrid SE)
- NEW! Entune[™] Audio Plus with Connected Navigation² App and JBL[®] (XSE

- 4-cyl., XSE V6, XLE 4-cyl., XLE V6, and Hybrid XLE)
- Entune™ Premium Audio with Integrated Navigation² and App Suite¹¹ (available on SE and Hybrid SE)
- Entune™ Premium JBL® Audio with Integrated Navigation² and App Suite¹¹ (available on XSE 4-cyl., XSE V6, XLE 4-cyl., XLE V6, and Hybrid XLE)

Available Hybrid Version

- Camry Hybrid is available in three trim levels: LE, SE, and XLE
- Camry Hybrids offer outstanding EPA mpg ratings¹⁴
- 42/38/40 mpg¹⁴ Camry Hybrid LE
- 40/37/38 mpg¹⁴ Camry Hybrid SE and Hybrid XLE

Segment-Leading Safety

- 10 airbags¹², Star Safety System™ and Smart Stop Technology®¹³ all standard
- Awarded 5-Star Overall Safety Rating for 2017 from the National Highway Traffic Safety Administration (NHTSA)¹⁵

Award-Winning Value

- The 2016 Toyota Camry was named Best Midsize Car for the Money by U.S. News and World Report¹⁶
- 2017 Toyota Camry received the NHTSA 5-Star Overall Safety Rating¹⁵
- Camry received a 2016 5-Year Cost to Own Award¹⁷ and named a Best Buy Award Finalist²⁴ by Kelley Blue Book

What's New

In-Cabin Technology

- Qi-compatible wireless smartphone charging¹ now standard on XSE 4-cylinder, XLE 4-cylinder, and XLE Hybrid
- NEW! Entune[™] Audio Plus with Connected Navigation² App and JBL[®] Audio is now standard on all XSE and XLE gas models as well as XLE Hybrid

Exterior

- Blue Streak Metallic (8T7) is now available on SE and XSE
- Attitude Black is now Midnight Black Metallic (218)
- Blue Crush Metallic (8W7) was discontinued

Safety & Convenience

- Hill Start Assist Control³ is now standard on all Camry Hybrid models

- Technology Package (Optional)

1. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models.

2. Availability & accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services & programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for details.

3. Hill-Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for details.

4. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for details.

5. The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See *Owner's Manual* for details.

6. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness depends on many factors, such as weather, traffic and road conditions. See *Owner's Manual* for details.

7. Lane Departure Alert is designed to read lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors. See *Owner's Manual* for details.

8. Automatic high beams operate at speeds above 25 mph. Factors such as dirty windshield, weather, lighting & terrain limit effectiveness requiring driver to manually operate the high beams. See *Owner's Manual* for details.

9. Do not rely exclusively on the blind-spot monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection, range and clarity of the monitor. See *Owner's Manual* for details.

10. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. See *Owner's Manual* for details.

11. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See Toyota.com/entune[®] for details.

12. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: typically, frontal and knee airbags inflate in frontal collisions, side torso and side curtain airbags inflate in side collisions and roll-sensing curtain airbags inflate at a severe roll angle or roll rate. To decrease the risk of injury from an inflating airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating airbag may cause serious injury or death. See your Owner's Manual for further information/warnings.

13. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for details.

14. 2017 EPA-estimated mileage. Actual mileage will vary.

15. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov).

16. View U.S. News Best Cars at www.usnews.com/cars.

17. 2016 model-year vehicle's projected cost to own for the initial five-year ownership period is based on the average Kelley Blue Book 5-Year Cost to Own data which considers depreciation and costs such as fuel and insurance. For more information, visit www.kbb.com.

18. The Smart Key system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.

19. The Bluetooth[®] word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage & carrier.

20. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.

21. Whiplash Injury Lessening front seats can help reduce the severity of whiplash injury in certain rear end collisions.

22. Contact with the response center may not be available in all areas. Service Agreement required. A variety of subscription terms available; charges will vary. See Toyota.com for details.

23. Covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. Roadside assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.

24. For more information, visit Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.

Competitive Advantages

2017 Ford Fusion

Key Takeaways

- **Fuel Efficient:** Camry SE's EPA-estimated fuel economy is better than Fusion SE, at 24/33/27 mpg (city/hwy/ combined)¹⁰ versus 21/32/25 mpg.
- **Modern Tech:** The 6.1-inch touchscreen for Camry SE's Entune™ Audio system beats Fusion SE's 4.2-inch audio display, which is not touch-capable.
- **Standard Safety:** Every Camry model features 10 airbags², including rear seat-mounted side airbags, which Fusion SE does not have. Fusion SE comes equipped with 8 airbags.

Challenges

- Fusion's 16.0 cu. ft. of cargo capacity provides slightly more storage space than Camry SE, which offers 15.4 cu. ft¹¹
- Fusion SE's 10-way power driver's seat and 6-way power passenger seat beat Camry SE's 8-way power driver's seat and 4-way passenger seat
- Ford's MyKey® system limits top speed, restricts radio volume and more when valeting or lending the Fusion SE to someone. No similar feature is available on Camry SE

2017 Honda Accord

Key Takeaways

- **Economical:** With its standard automatic transmission, Camry SE beats a standard manual-transmission Accord Sport in fuel efficiency, at 24/33/27 mpg (city/hwy/combined)¹⁰ versus 23/32/26 mpg.
- **Practical:** Camry SE comes with a standard 6-speed automatic transmission, while a CVT costs extra (MSRP \$800) on Accord Sport.

- **Safe:** Camry's 10 airbags² deliver greater peace of mind than Accord, which is equipped with only 6 airbags.

Challenges

- Accord Sport outputs more power, 189 horsepower and 182 lb.-ft. of torque, versus Camry SE's 178 horsepower and 170 lb.-ft. of torque
- Accord Sport's 8-inch multimedia screen is larger than Camry SE's 6.1-inch Entune™ display
- Accord's 3 years or 36,000 miles of roadside assistance is a longer period than Camry's 2 years or unlimited miles

2017 Hyundai Sonata

Key Takeaways

- **Comprehensive Safety:** Camry delivers peace of mind with a 10-airbag² layout, which includes a front passenger knee airbag not offered on the 7-airbag Sonata.
- **Modern Technology:** Camry SE's Entune™ Audio system can be upgraded to either Entune™ Audio Plus or Entune™ Premium Audio, both of which offer advanced features not available on Sonata Sport, like navigation¹².
- **Smart Purchase:** Camry beats Sonata with its greater long-term value, lower 5-year ownership cost and its "Excellent" value rating from IntelliChoice¹³.

Challenges

- Sonata Sport's EPA-estimated 25/35/28 mpg (city/hwy/combined) fuel economy figures exceed Camry SE's ratings of 24/33/27 mpg¹⁰
- Complimentary for one year, Sonata's Blue Link® Telematics System will remotely start/stop the engine, lock/unlock the doors, set cabin temperature and more
- Hyundai's 5-year/60,000-mile basic warranty and 10-year/100,000-mile powertrain warranty are both longer than Toyota's 3-year/36,000-mile and 5-year/60,000-mile warranties¹⁴

2017 Nissan Altima

Key Takeaways

- **Serious Safety:** All Camry models come equipped with 10 airbags², while Altima features only 6 airbags.
- **Great Value:** Camry SE offers an MSRP of \$23,840¹⁵ and an "Excellent" IntelliChoice Value Rating¹⁶, beating Altima 2.5 SR's \$24,470 MSRP and "Poor" IntelliChoice rating.
- **Audio & Navigation:** The 6.1-inch touch-screen display, standard in Camry SE, is larger than the 5.0-inch audio display which is standard in the Altima 2.5 SR but is not touch-capable.

Challenges

- Altima 2.5 returns better EPA-estimated fuel economy ratings of 26/37/30 mpg (city/hwy/combined) than Camry SE (24/33/27 mpg)¹⁰
- Altima 2.5 SR comes equipped with large 18-inch alloy wheels, whereas Camry SE features a smaller 17-inch set
- Altima's 3 years (or 36,000 miles) of roadside assistance beats the 2-year duration included with Camry's ToyotaCare service¹⁷

2017 Ford Fusion Hybrid

Key Takeaways

- **Audio & Navigation :** The 6.1-inch touch-screen display, standard in Camry Hybrid LE and SE models. Standard on the Camry Hybrid XLE and optional on Camry Hybrid LE and SE is an even larger 7.1-inch high-resolution touch-screen display.
- **Safety :** Every Camry Hybrid model features 10 airbags², including rear seat-mounted side airbags.
- **ToyotaCare :** Camry Hybrid models include 2-years or unlimited-miles of roadside assistance through ToyotaCare¹⁷, Ford does not offer a no-cost scheduled maintenance plan which is part of ToyotaCare.

Challenges

- Standard on Fusion Hybrid S and SE, SYNC[®] Audio comes with nine speakers compared to six speakers on standard Entune[™] Audio and optional Entune[™] Audio Plus with Connected Navigation¹² App for Camry Hybrid LE and SE

- Fusion Hybrid models can come equipped with several convenience features including rain-sensing wipers and heated steering wheel, heated and cooled front seats, halogen fog lamps and LED fog lamps
- Fusion Hybrid models can also come equipped with several technology features such as Enhanced Active Park Assist featuring reverse perpendicular parking and park out assist or Pre-Collision Assist with Pedestrian Detection

2017 Honda Accord Hybrid

Key Takeaways

- **Audio & Navigation:** The 6.1-inch touch-screen display, standard in Camry Hybrid LE and SE models. Standard on the Camry Hybrid XLE and optional on Camry Hybrid LE and SE is an even larger 7.1-inch high-resolution touch-screen display.
- **Convenience :** Blind Spot Monitor (BSM)¹⁸ and Rear Cross-Traffic Alert (RCTA)¹⁹ is available as an option on the Camry Hybrid XLE.
- **Value :** All Camry Hybrid models come standard with ToyotaCare¹⁷, a no cost maintenance plan that covers normal factory recommended maintenance for 2 years/25,000 miles, whichever comes first, from the date of first use. Also included is 24-hour roadside assistance for 2 years from the date of first use with no mileage limitation.

Challenges

- Accord Hybrid received a higher EPA estimated fuel economy than Camry Hybrid
- All Accord Hybrids come standard with a 10-way power driver's seat which includes power lumbar support while all Camry Hybrid models come standard with an 8-way power-adjustable driver's seat with power lumbar support
- All Accord Hybrid models come standard with Adaptive Cruise Control (ACC), a Lane Keeping Assist System (LKAS), and a Road Departure Mitigation System (RDM). Dynamic Radar Cruise Control (DRCC)²⁰ and Lane Departure Alert (LDA)²¹ are available on Camry Hybrid XLE as part of the optional Technology Package

2017 Hyundai Sonata Hybrid

Key Takeaways

- **Driver Assistance** : Camry Hybrid XLE's Advanced Technology Package (MSRP \$750) offers Lane Departure Alert²¹, Automatic High Beams²² and Dynamic Radar Cruise Control²⁰ for much less than the cost to get these features as part of the Ultimate Package (MSRP \$4,400) on the Sonata Hybrid Limited.
- **Navigation** : Navigation¹² comes standard on the Camry Hybrid XLE, but is an optional feature on the Sonata Hybrid Limited.
- **ToyotaCare** : Camry Hybrid models include 2-years or 25,000 miles (whichever comes first) of normal factory scheduled maintenance through ToyotaCare¹⁷, a feature Hyundai does not offer.

Challenges

- Sonata Hybrid Limited comes standard with Blind Spot Detection with Rear Cross-traffic Alert and Lane Change Assist as well as heated power driver's and front passenger seats and a hands-free smart trunk
- Sonata Hybrid comes standard with Apple CarPlay[™], Android Auto[™], and a 7-in touchscreen
- Sonata Hybrid's EPA estimated fuel economy is 39/45/42 on the SE and 38/43/40 on the Limited

1. 2017 EPA-estimated mileage. Actual mileage will vary.

2. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: typically, frontal and knee airbags inflate in frontal collisions, side torso and side curtain airbags inflate in side collisions and roll-sensing curtain airbags inflate at a severe roll angle or roll rate. To decrease the risk of injury from an inflating airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating airbag may cause serious injury or death. See your *Owner's Manual* for further information/warnings.

3. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models.

4. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for details.

5. May not be compatible with all WMA/MP3 players and like models.

6. iPod[®] is a registered trademark of Apple, Inc. All rights reserved.

7. The Bluetooth[®] word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage & carrier.

8. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See toyota.com/entune for details.

9. PANDORA[®], the PANDORA[®] logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission.

10. 2017 Camry SE EPA 24/city, 33/hwy, 27/comb MPG estimates. Actual mileage will vary.

11. Cargo and load capacity limited by weight and distribution.

12. Availability & accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services & programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for details.

13. 2016 IntelliChoice, www.IntelliChoice.com; Passenger Car, 4-cyl. models only. Based on 2016 model year study.

14. Vehicle life is dependent on many factors. Toyota's basic warranty is 36 months/36,000 miles, whichever comes first. Actual results will vary.

15. Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$885 for Cars, \$960 for Small/Light Trucks (RAV4, RAV4 HV, Highlander, Highlander HV, 4Runner, Sienna, Tacoma), \$1,195 for Large Trucks (Tundra), and \$1,195 for Large SUVs (Sequoia and Land Cruiser). (Historically, vehicle manufacturers and distributors have charged a separate fee for processing handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. Actual dealer price will vary.

16. 2016 IntelliChoice, www.IntelliChoice.com; Passenger Car, 4-cyl. models only. Based on 2016 model year study.

17. Covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. Roadside assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.

18. Do not rely exclusively on the blind-spot monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection, range and clarity of the monitor. See *Owner's Manual* for details.

19. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. See *Owner's Manual* for details.

20. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness depends on many factors, such as weather, traffic and road conditions. See *Owner's Manual* for details.

21. Lane Departure Alert is designed to read lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors. See *Owner's Manual* for details.

22. Automatic high beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details.
