

## Key Selling Points

The third-generation Tacoma has been completely redesigned and re-engineered to continue its dominance of the mid-size truck segment. Tacoma's "trophy truck"-inspired exterior design is combined with a spacious and refined interior. The 2017 Tacoma is loaded with segment first or segment exclusive features including some that will redefine "capability" in the mid-size truck segment.

### Fully Capable

- Tacoma offers rear-wheel drive models with Automatic Limited-Slip rear Differential; 4WD models feature 4WDemand part-time four-wheel drive. With up to 6800 lbs. of maximum towing capacity<sup>5</sup> and up to 1620 lbs. of maximum payload<sup>6</sup>, Tacoma offers near full-size capability in a mid-size package.

### Total Connectivity

- Tacoma SR models feature standard Entune™ Audio, which includes the Entune™ Multimedia Bundle, Siri® Eyes Free<sup>7</sup>, and integrated backup camera<sup>8</sup> display. As standard equipment, SR5 models feature Entune™ Audio Plus with Connected Navigation<sup>9</sup>. TRD Sport, TRD Off-Road and TRD Pro models feature Entune™ Premium Audio with Integrated Navigation<sup>9</sup>. Limited models feature Entune™ Premium JBL® Audio with Integrated Navigation<sup>9</sup>.

## **Off-Road Ready**

- The 2017 Tacoma owns off-road. Tacoma TRD Off-Road models boast an impressive 32° approach angle, 23.5° departure angle and 9.4 inches of ground clearance. Tacoma's available Crawl Control (CRAWL)<sup>10</sup>, Multi-terrain Select, electronically controlled locking rear differential and new 6-speed automatic transmission ensure all 278 horsepower and 265 lb. ft. of torque get put to good use, allowing owners to experience the next level of off-road pickup truck performance! Plus, a new 6-speed manual transmission is available for purists or for those who just prefer to row their own gears.

## **A Distinct Model For Every Lifestyle**

- Tacoma offers a variety of configurations with long or short bed models and a variety of packages and accessories. Tacoma further differentiates grade levels with unique grille and trim treatments and wheel/tire packages.

## **Exceptional Value**

- Tacoma is well equipped with fuel-efficient powertrains that offer impressive EPA estimates and standard ToyotaCare<sup>11</sup>, including a no-cost scheduled maintenance plan for 2 years or 25,000 miles, whichever comes first, and 24/7 roadside assistance.

# What's New

## Performance

- TRD Pro Cat-back Exhaust System (TRD Pro)
- TRD-tuned off road suspension with 2.5-inch FOX Internal Bypass coil-over shocks and FOX rear remote reservoir shocks (TRD Pro)
- 16 in. TRD Pro black alloy wheels with P265/70R16 All-Terrain tires (TRD Pro)
- TRD Pro front skid plate (TRD Pro)

## Exterior

- Optional 16 in. black alloy wheels have been discontinued for SR
- Optional mudguards have been discontinued for SR
- SR5 Appearance Package with Parking Sonar & Navigation Package discontinued for 4-cylinder SR5
- Optional mudguards for 4-cylinder SR5 are only available on models equipped with SR5 Appearance Package
- TRD Sport, TRD Off-Road, TRD Pro and Limited Double Cab models now equipped with standard power sliding rear window
- Rigid Industries(R) LED fog lights, and taillights with black sport bezels (TRD Pro)
- Heritage-inspired "TOYOTA" front grille, black badging, overfenders, hood scoop with graphic (TRD Pro)

## Interior

- Black TRD Pro leather-trimmed heated front seats; 4-way adjustable driver's seat with lumbar support; 4-way adjustable front passenger seat (TRD Pro)
- TRD Pro shift Knob and TRD floor mats (TRD Pro)
- Auto-dimming Day/night rearview mirror with compass now standard on V6 SR5 models
- SR5 Appearance Package with Parking Sonar & Navigation Package discontinued for 4-cylinder SR5
- Power sliding rear window w/privacy glass now available on TRD Sport, TRD Off-Road, TRD Pro and Limited Double Cab models

## Safety & Convenience

- Driver and front passenger knee airbags<sup>1</sup> (SR, SR5, TRD Sport, TRD Off-Road, TRD Pro, Limited)
- Tire Pressure Monitor System (TPMS)<sup>2</sup> with individual tire location alert (SR5, TRD Sport, TRD Off-Road, TRD Pro, Limited)
- Blind Spot Monitor (BSM)<sup>3</sup> and Rear Cross-Traffic Alert (RCTA)<sup>4</sup> (available with package for TRD Sport and TRD Off-Road, standard on TRD Pro and

Limited)

**Value**

- Utility Package: Removes rear seats (seatbacks, headrests and seatbelts) along with rear cup holders. Adds black door handles, black mirror caps, black bumper and fixed rear window. (SR Access Cab L4)
- Convenience Package: Includes cruise control and remote keyless entry (SR)

# Trims at a Glance

## SR

### Setting the Standard

- Entune™ Audio
- Tire Pressure Monitor System (TPMS)
- Fiber-reinforced Sheet-Molded Composite (SMC) inner bed
- Deck Rail System with four adjustable tie-down cleats and four fixed cargo bed tie-down points
- Optional Hard Tri-Fold Tonneau Cover
- Cruise control (available with SR Convenience Package)
- Remote keyless entry system with lock, unlock and panic functions (available with SR Convenience Package)
- Available V6 Tow Package

## SR5

### A Legendary Nameplate

- Entune™ Audio Plus with Connected Navigation App
- 4.2" Color Multi Information Display (MID)
- Tire Pressure Monitor System (TPMS) with individual tire location alert
- Remote keyless entry
- Auto-dimming day/night rearview mirror with compass (SR5 V6 models)
- Sliding rear glass w/ privacy glass
- Variable intermittent windshield wipers
- Integrated fog lights
- Available Entune™ Premium Audio with Integrated Navigation and App Suite (with SR5 Appearance Package w/Parking Sonar & Navigation)
- SR5 Appearance Package (L4): 16" silver alloy wheels and color-keyed over fenders

## TRD Sport

### Ready for Anything

- Entune™ Premium Audio with Integrated Navigation and App Suite
- Integrated wide-angle fog lamps and hood scoop
- 120V/400W deck-mounted AC power outlet
- Qi-compatible wireless charger
- Smart Key System on drivers door with Push Button Start (Not avail on M/T)
- Available Blind Spot Monitor (BSM) w/Rear Cross-Traffic Alert (RCTA) (Premium & Technology Package)
- Front Dual Zone Climate Control (Premium Technology Package)

- Available Entune™ Premium JBL® Audio with Integrated Navigation and App Suite (Premium and Technology Package with JBL® Audio)(Double Cab A/T only)
- Available Rear Parking assist sonar (Premium & Technology Package)

## TRD Off-Road

### Pushing the Limit

- Active Traction Control (A-TRAC) (V6 M/T only)
- Multi-terrain Select (TRD Off-Road 4X4 A/T only)
- Crawl Control (CRAWL) (TRD Off-Road 4X4 A/T only)
- Electronically Controlled Locking Rear Differential
- TRD Off-road tuned suspension with Bilstein® shocks

## TRD Pro

### Unstoppable Performance

- Rigid Industries® LED fog lights
- Heritage-inspired "TOYOTA" front grille and black badging and hood scoop
- 16" TRD Pro black alloy wheels with P265/70R16 All-Terrain tires
- TRD Pro front skid plate
- TRD-tuned off-road suspension with 2.5-inch FOX Internal Bypass coil-overs and rear remote reservoir shocks
- TRD Pro cat-back exhaust system
- Black TRD Pro leather-trimmed heated front seats; TRD Pro shift knob and TRD Pro floor mats
- HomeLink® universal transceiver
- Blind Spot Monitor (BSM) w/Rear Cross-Traffic Alert (RCTA)
- Standard V6 Tow Package

## Limited

### Luxury Meets Capability

- Entune™ Premium JBL® Audio with Integrated Navigation and App Suite
- Projector beam headlights with LED Daytime Running Lights (DRL) and integrated fog lights with chrome bezel
- Charcoal grille w/polished finish and chrome surround, chrome accented power outside mirrors with turn signal indicators, chrome handles, color keyed overfenders and rear bumper
- 18" polished alloy wheels with P265/60R18 tires
- Leather-trimmed seats; 4-way driver's seat with lumbar support; 4-way adj. front passenger seat
- Power tilt/slide moonroof
- HomeLink® universal transceiver
- Blind Spot Monitor (BSM) w/Rear Cross-Traffic Alert (RCTA)
- Rear Parking assist sonar
- Integrated wide-angle fog lamps
- 120V/400W deck-mounted AC power outlet

- Qi-compatible wireless charger
- Smart Key System on driver's door with Push Button Start
- Front Dual Zone Climate Control

1. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: typically, frontal and knee airbags inflate in frontal collisions, side torso and side curtain airbags inflate in side collisions and roll-sensing curtain airbags inflate at a severe roll angle or roll rate. To decrease the risk of injury from an inflating airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating airbag may cause serious injury or death. See your Owner's Manual for further information/warnings.

2. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for details.

3. Do not rely exclusively on the blind-spot monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection, range and clarity of the monitor. See Owner's Manual for details.

4. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. See Owner's Manual for details.

5. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with the new SAE J2807 method.

6. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.

7. Always drive safely, obey traffic laws & focus on the road while driving. Siri® is available only on iPhone® 4s, or later iPad® w/Retina display, iPad® mini, & iPod® touch (5th gen.) & requires Internet access. Siri® is not available in all languages or all areas & features vary by area. Some Siri® functionality & commands are not accessible in the vehicle. Data charges may apply. See Apple.com & phone carrier for details. Siri® is a registered trademark of Apple Inc.'s.

8. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for details.

9. Availability & accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services & programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for details.

10. Crawl Control is designed for driving on difficult terrain at low speeds. It assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. The Tacoma TRD Off-Road model is designed to meet off-road driving requirements, but off-roading is inherently dangerous. Always wear seatbelts. See *Owner's Manual* for details.

11. Covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. Roadside assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.

12. 2017 Tacoma V6 6A/T 19/city, 24/hwy MPG estimates. Actual mileage will vary.

13. Hill-Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for details.

14. Trailer Sway Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for details.

15. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models.

16. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See Toyota.com/entune® for details.

17. The Smart Key system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.

18. Does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions.

19. For more information, please refer to [www.fourwheeler.com](http://www.fourwheeler.com) - <http://www.fourwheeler.com/vehicle-reviews/1601-2016-petersens-4-wheel-and-off-road-4x4-of-the-year-winner-2016-toyota-tacoma-trd-off-road/>

20. Vehicle's projected resale value is specific to the 2016 model year. For more information, visit Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.

21. Based on manufacturer industry sales data as of December 2015.

# Competitive Advantages

## 2017 Honda Ridgeline

### Key Takeaways

- **Built like a truck:** Tacoma's higher ground clearance and approach/breakover/departure angles - as well as its traditional body-on-frame construction - make it exceptionally well-suited to hard work and off-roading. Ridgeline features a more car-like unibody construction.
- **Room in back:** Tacoma's Standard Bed and Long Bed configurations offer 73.3 inches of bed length - nearly ten inches more than Ridgeline's 64-inch bed.
- **Towing power:** Depending on model, Tacoma can tow up to 6,800 lbs<sup>17</sup>. Ridgeline offers a maximum towing capacity of 5,000 lbs.

### Challenges

- Every AWD Ridgeline model offers an EPA-estimated 25 mpg on the highway and 2WD models achieve an EPA-estimated 26 mpg. Tacoma's fuel economy varies by trim, up to a maximum EPA-estimated 24 mpg highway<sup>18</sup>
- Ridgeline's four-wheel independent suspension (MacPherson strut front; multilink rear) may provide better road manners than Tacoma's leaf spring rear suspension.
- Regardless of trim, Ridgeline offers at least 109.7 cu. ft. of passenger volume. Tacoma offers either 85.6 or 100.1 cu. ft., depending on cab size.

## 2017 Nissan Frontier

### Key Takeaways

- **Powerful:** Despite its smaller displacement, Tacoma's 3.5-liter V6 puts out more horsepower than Frontier's 4.0-liter V6, at 278 hp versus 261 hp.
- **Efficient:** Tacoma TRD Off-Road achieves higher EPA estimates than

Frontier PRO-4X, at 18/23/20 mpg (city/hwy/comb)<sup>18</sup> versus 15/21/17.

- **Safe:** Driver and front passenger knee airbags help make up Tacoma's eight-airbag<sup>8</sup> layout; Frontier comes equipped with six airbags.

## Challenges

- Frontier's 4.0-liter V6 produces 281 lb.-ft. of torque, beating the 265 lb.-ft. figure achieved by Tacoma's 3.5-liter V6
- Frontier PRO-4X comes standard with dual zone automatic temperature control, an extra-cost feature on Tacoma TRD Off-Road
- Frontier PRO-4X is outfitted with ten Rockford Fosgate<sup>®</sup> speakers, while Tacoma TRD Off-Road comes standard with six unbranded speakers

# 2017 Chevrolet Colorado Crew Cab

## Key Takeaways

- **Safety for all occupants:** Tacoma's cabin comes equipped with eight airbags<sup>8</sup>, two more than the six-airbag arrangement found in Colorado LT.
- **Standard off-road readiness:** A locking rear differential is a standard feature on Tacoma TRD Off-Road - it is only offered as an extra-cost option on Colorado LT.
- **Advanced traction management:** Tacoma TRD Off-Road is equipped with Multi-terrain Select and Crawl Control<sup>4</sup>; Colorado LT has no equivalent off-road features.

## Challenges

- Colorado LT delivers more horsepower than Tacoma TRD Off-Road, at 308 hp versus 278 hp
- Colorado LT can be equipped with a diesel engine that delivers better EPA fuel estimates (20/28 mpg city/hwy) and torque (369 lb.-ft.)
- At 1,548 lbs. and 7,000 lbs., Colorado LT offers greater payload and towing figures than Tacoma TRD Off-Road

1. Vehicle's projected resale value is specific to the 2016 model year. For more information, visit Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.

2. Covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. Roadside assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.

3. Does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions.

4. Crawl Control is designed for driving on difficult terrain at low speeds. It assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. Toyota 4x4s are designed to meet most off-road driving requirements, but off-roading is inherently dangerous. Always wear seatbelts. See Owner's Manual for details.

5. GoPro<sup>®</sup> camera accessory not included with purchase. GOPRO, HERO, the GOPRO logo and the GoPro Be a Hero logo are trademarks or registered trademarks of GoPro Inc. © 2015 GoPro, Inc. All Rights Reserved. Patented USA. USA and International patents pending.

6. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models.

7. The Smart Key system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
8. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: typically, frontal and knee airbags inflate in frontal collisions, side torso and side curtain airbags inflate in side collisions and roll-sensing curtain airbags inflate at a severe roll angle or roll rate. To decrease the risk of injury from an inflating airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating airbag may cause serious injury or death. See your Owner's Manual for further information/warnings.
9. Do not rely exclusively on the blind-spot monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection, range and clarity of the monitor. See Owner's Manual for details.
10. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. See Owner's Manual for details.
11. May not be compatible with all WMA/MP3 players and like models.
12. iPod® is a registered trademark of Apple, Inc. All rights reserved.
13. Advanced Voice Recognition capabilities vary by head unit.
14. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage & carrier.
15. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See Toyota.com/entune® for details.
16. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your Owner's Manual for details.
17. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with the new SAE J2807 method.
18. 2017 EPA-estimated city/highway mileage. Actual mileage will vary.
