KEY SELLING POINTS

- 1** Form + Function = Tacoma
- 2** New Limited Package
- 3** Go-anywhere, do-anything toughness
- 4** Outstanding value
- 5** Fun to drive
- 6** Extensive standard safety features

■ WHAT'S NEW FOR 2013

• Interior

- Display Audio now standard on all grades. Display Audio System includes: 6.1-in. touch-screen, AM/FM CD player with MP3/WMA playback capability, 6 speakers (4 speakers for **Regular Cab** models), subwoofer on X-Runner, auxiliary audio jack, USB port with iPod[®] connectivity and control, hands-free phone capability, phone book access and music streaming via *Bluetooth*[®] wireless technology

• Safety

- Daytime Running Lights (DRL) are now standard on all grades

• Packaging

New Limited Package {LT} available for Tacoma Double Cab models 7188, 7190, 7594 and 7596. It includes:

- SofTex-trimmed heated front sport seats with four-way adjustable driver's seat
- 18-in. chrome-clad alloy wheels with P265/60R18 tires
- Color-keyed front bumper and overfenders
- Chrome grille surround and rear bumper
- Chrome fog light housing
- Chrome door handles
- Chrome power outside mirrors with turn signal indicator
- Fog lights
- Variable-intermittent windshield wipers
- Metallic tone instrument panel trim
- Leather-trimmed steering wheel with audio controls
- Dual sun visors with mirrors and extenders
- Auto-dimming mirror with monitor, outside temperature gauge and Homelink[®] universal transceiver
- Limited badging

• TRD Sport Upgrade Package {PT} no longer available

Look for this icon  and **red** typeface to easily identify **NEW** features or changes for 2013.

[†]Please see "Cautions" section in the back of the CARS book for important information on this feature.

■ TRIMS AT A GLANCE

4x2

CAPABLE, COMFORTABLE, ANYTHING BUT CUTE

- 2.7L DOHC 16-valve SEFI I4 with Variable Valve Timing with intelligence (VVT-i) (LEV II)
- 5-speed manual transmission (5MT) with overdrive or available 4-speed Electronically Controlled automatic Transmission with intelligence (4ECT-i) and automatic overdrive
- Automatic Limited-Slip rear Differential (Auto-LSD)
- Coil-spring double-wishbone independent front suspension and solid rear axle with leaf spring suspension
- Display Audio System: includes 6.1-in. touch-screen, AM/FM CD player with MP3/WMA playback capability, 6 speakers (4 speakers for Regular Cab models), auxiliary audio jack, USB port with iPod^{®†} connectivity and control, hands-free phone capability, phone book access and music streaming via *Bluetooth*^{®†} wireless technology
- Star Safety System[™]
- Deck rail system with 4 adjustable tie-down cleats
- 15-in. x 6.0-in. styled steel wheels with P215/70R15 all-season tires

PRERUNNER

ADDED FEATURES FOR ADDED FUN

- Front skid plate, engine skid plate and fuel tank protector
- Available 4.0L DOHC 24-valve SEFI V6 engine with Variable Valve Timing with intelligence (VVT-i) with 5-speed Electronically Controlled automatic Transmission with intelligence (5ECT-i) and automatic overdrive
- Black overfenders
- 16-in. x 70-in. styled steel wheels with P245/75R16 Mud-and-Snowrated tires

X-RUNNER

STREET-TUNED, UNCOMPROMISED UTILITY

- 4.0L DOHC 24-valve V6 engine with Variable Valve Timing with intelligence (VVT-i) and 6-speed manual transmission
- Tailgate-handle integrated backup camera[†] linked with an auto-dimming mirror with monitor
- Display Audio System includes: 6.1-in. touch-screen, AM/FM CD player with MP3/WMA playback capability, 6 speakers, auxiliary audio jack, USB port with iPod^{®†} connectivity and control, handsfree phone capability, phone book access and music streaming via *Bluetooth*^{®†} wireless technology
- X-brace-tuned suspension
- 18-in. alloy wheels with Bridgestone Potenza RE050A tires
- Color-keyed exterior with body kit

[†]Please see "Cautions" section in the back of the CARS book for important information on this feature.

■ TRIMS AT A GLANCE (CONTINUED)**4x4****EXTRA CAPABILITY WHEN YOU NEED IT**

- 5-speed Electronically Controlled automatic Transmission with intelligence (5ECT-i) with automatic overdrive or 6-speed manual transmission (6MT) with overdrive (Access Cab or Double Cab, 6MT unavailable for Long Bed)
- Touch-Select 4WD system: part-time 4-wheel-drive system with 2-speed electronically controlled transfer case
- Clutch start cancel switch
- Transfer case skid plate
- Front differential with Automatic Disconnecting Differential (ADD) feature
- Active Traction Control (A-TRAC)

*Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$795 for Cars, \$845 for Small/Medium Trucks (Sienna, RAV4, Highlander Gas, Highlander HV, FJ Cruiser, 4Runner, Tacoma, and Land Cruiser), and \$995 for Large Trucks (Tundra and Sequoia). (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. Actual dealer price will vary.

COMPETITIVE COMPARISON

■ 2012 CHEVROLET COLORADO

KEY ADVANTAGES

2013 Tacoma Double Cab V6 4x4 with AT and TRD Off-Road Package vs. 2012 Chevrolet Colorado Crew Cab 4WD 2LT

- **More standard torque** – Tacoma's 4.0L V6 engine produces 24 more lb.-ft. of torque than Colorado's 3.7L I-5, at 266 vs. 242
- **Impressive technology** – Tacoma's available Entune® system features familiar Apps that allow occupants to order movie tickets, make dinner reservations, find nearby points of interest, and listen to Pandora® and iHeartRadio. Drivers and passengers can also stay updated on stocks, sports, weather, traffic and fuel prices. Colorado fails to offer a system this comprehensive
- **Front seat-mounted side airbags**[†] – standard for Tacoma and not available for Colorado 2LT
- **Higher maximum towing capacity**[†] – 6500 lbs. for Tacoma V6 vs. 5500 lbs. for Colorado 2LT
- **Enhanced safety** – Tacoma comes standard with front active headrests[†] and Brake Assist[†] – 2 features you won't find on Colorado Crew Cab 2LT
- **More gears** – Tacoma V6 comes equipped with a 5-speed automatic transmission while Colorado makes do with a 4-speed

CHEVROLET COLORADO CHALLENGES

- More front and rear leg room
- Longer powertrain warranty coverage
- Almost 2 inches more ground clearance
- Better highway fuel-economy rating by 1 MPG^{*}

[†]Please see "Cautions" section in the back of the CARS book for important information on this feature.

^{*}2012 and 2013 EPA MPG estimates. Actual mileage will vary.

2012 NISSAN FRONTIER

KEY ADVANTAGES

2013 Tacoma Double Cab 4x4 V6 with AT and 4x4 with TRD[†] Off-Road Package vs. 2012 Nissan Frontier Crew Cab Pro-4X 4x4 V6 AT

- **More off-road ability** – Tacoma 4X4 is rated to clear steeper approach and departure angles than the Nissan Frontier 4X4
- **Impressive technology** – Tacoma's available Entune[®] system features familiar Apps that allow occupants to order movie tickets, make dinner reservations, find nearby points of interest, and listen to Pandora[®] and iHeartRadio. Drivers and passengers can also stay updated on stocks, sports, weather, traffic and fuel prices. Frontier fails to offer a system this comprehensive
- **Better city fuel-economy rating*** – 16 MPG for Tacoma 4X4 V6 and 14 MPG for Frontier Pro-4X
- **Higher maximum towing capacity[†]** – 6500 lbs. for Tacoma V6 vs. 6100 lbs. for Frontier Pro-4X
- **More payload** – Tacoma Double Cab 4x4 V6 features almost 200 lbs. more of maximum payload than Frontier Crew Cab Pro-4X 4x4

NISSAN FRONTIER CHALLENGES

- More horsepower and torque
- Available power-adjustable and heated seats
- More ground clearance
- More front and rear leg room

[†]Please see "Cautions" section in the back of the CARS book for important information on this feature.

*2012 and 2013 EPA MPG estimates. Actual mileage will vary.

1.3 TACOMA

TIPS & FACTS

DEMO TIPS

Tacoma comes standard with a deck rail system that allows four adjustable tie-down cleats to be positioned for secure transportation. While showing a Tacoma to your customer, demonstrate how easy it is to slide the tie-down cleats down the rail to more snugly secure cargo. The deck rail system's simple operation makes worrying about rope or strap length a thing of the past and makes your customer's hauling easier.

Tacoma Access Cabs offer an available subwoofer that provides deep, rich bass to whatever your customer may choose as a soundtrack. While on a demo drive, point out the subwoofer's location in the back seat and ask your customer to pick a satellite radio channel. Find one that's playing music and turn up the volume so they can experience the crisp and clear audio heightened by the subwoofer's solid bass.

Tacoma Access Cab offers extra seating and storage with its second row of seating. The flip-up cushions hide under-seat storage compartments that are great for tools and gear you don't want to leave in the open cabin. Before you start off on your drive, open the access door and show the customer how easy and convenient the under-seat storage compartments are to access. Give them ideas of the items they can store in them, e.g., tools, gloves, safety equipment, rope, etc.

QUICK FACTS

Tacoma has a great reputation as a workhorse pickup, but Tacoma X-Runner also delivers impressive on-road performance. X-Runner features a performance-tuned suspension with Bilstein® shock absorbers, an added rear stabilizer bar, front- and rear-frame braces and a 6-speed manual transmission. X-Runner also comes with front and rear underbody spoilers, a hood scoop and 18-in. alloy wheels, to set it apart from other Tacomas.

Standard on 4x4 Tacomas with manual transmissions, the clutch start-cancel switch allows drivers to start the vehicle without depressing the clutch. This operation helps in off-road situations where drivers want to avoid rolling back or when crawling over rocks. When the driver is starting Tacoma and needs guaranteed traction, the clutch startcancel switch is the answer. Starting Tacoma in gear helps reduce sudden jerky movements as a result of engaging the clutch and helps maintain its footing while accelerating at a slower pace than when 4LO is engaged.

Impressive technology – Tacoma Double Cab's available Entune® system features familiar Apps that allow occupants to order movie tickets, make dinner reservations, find nearby points of interest, and listen to Pandora® and iHeartRadio. Drivers and passengers can also stay updated on stocks, sports, weather, traffic and fuel prices.

*Please see "Cautions" section in the back of the CARS book for important information on this feature.
