

Key Selling Points

Rugged yet refined, Tundra features a TripleTech™ frame and 4.6L or 5.7L V8, which means it's ready for work or play. For 2017, Tundra continues to offer something for everyone with three different cab and bed sizes and six distinct trim levels, including the exceptionally capable TRD Pro models.

Built for Work, Ready for Fun

- With long cargo beds for Regular Cab, standard and long beds for Double Cab and a short bed for CrewMax, Tundra comes in a variety of configurations to meet customers' needs. Properly equipped Tundra offers up to 10,500 lb. of maximum towing capacity¹, up to 2060 lb. of maximum payload² and serves up features such as integrated trailer brake controller and Trailer-Sway Control³, helping owners confidently power through the toughest jobs. Plus, Tundra tow ratings¹ adhere to the Society of Automotive Engineers (SAE) J2807 trailering standard.

A Distinct Model For Every Lifestyle

- Tundra offers two different engine choices and E85 Flex-Fuel capability⁴, in addition to rear-wheel drive or 4WDemand part-time four-wheel drive. For 2017, Tundra features six different trim levels starting with the workhorse SR and then stepping it up a notch with SR5 while adding luxury with Limited and

Platinum. The 1794 Edition offers full-sized luxury with western style while the new TRD Pro is made for off-road⁵ adventure, ready to take on any terrain.

Enhanced Safety

- Tundra comes standard with eight airbags⁶, Toyota's Star Safety System™ and Trailer-Sway Control³. Plus, Tundra has standard front and rear parking sonar⁷ on Platinum and 1794 models and standard integrated trailer brake controller on all 5.7L V8 equipped models.

Value

- Tundra offers standard ToyotaCare⁸, which includes a no-cost scheduled maintenance plan for two years or 25,000 miles, whichever comes first, plus 24/7 roadside assistance for two years. For 2016, Tundra has a higher residual value than any other vehicle in the full-size pickup segment according to ALG (Automotive Leasing Guide)⁹. Tundra won Highest Retained Value¹⁰, Lowest Ownership Cost¹¹ and Lowest Maintenance Cost¹² by Intellichoice and Best Resale Value - Full Size Pickup Truck by Kelly Blue Book¹³.

Off-Road Capability

- The rugged and capable TRD Off-Road package is offered in many Tundra trims and of course, the TRD Pro is ready to leave the pavement behind, equipped with standard 4WDemand part-time 4WD, a TRD performance dual exhaust system, TRD-tuned 2.5-in. Bilstein® shock absorbers with remote reservoirs and TRD-tuned springs, which help optimize ride quality over harsh terrain. Plus, TRD Pro has a standard 10.6-in. ground clearance with 31° approach and 17° departure angles. TRD Pro's rugged exterior features 18-in. TRD Pro alloy wheels with all-terrain P275/65R18 tires, a TRD aluminum front skid plate, and unique "TOYOTA" badging.

What's New

Mechanical

- Tow hitch receiver now standard on all models - added as standard equipment on 4.6L V8 models

Exterior

- Radiant Red (3L5) has been discontinued
- SR now available in Barcelona Red Metallic (3R3), Super White (040), Black (202)
- Inferno (4X0) now uncoupled from TRD PRO, and available on SR5 and Limited models
- Quicksand (4V6) now available on SR5 and Limited models

Interior

- Limited models now include 4-way power front passenger seat

Trims at a Glance

SR

The Dependable Workhorse

- Standard 4.6L aluminum i-FORCE V8 DOHC 32-Valve with Dual Independent Variable Valve Timing with intelligence (VVT-i)
- Available 5.7L aluminum i-FORCE V8 DOHC 32-Valve with Dual Independent Variable Valve Timing with intelligence (VVT-i)
- Automatic Limited-Slip rear Differential (Auto-LSD)
- Daytime Running Lights (DRLs)
- Fabric-trimmed 40/20/40-split fold-down front bench seat
- 4-way adjustable driver's seat, 4-way adjustable front passenger bench seat
- 3.5-in. color Multi-Information Display
- Entune™ Audio with Entune™ Multimedia bundle
- Integrated backup camera
- 8 standard airbags
- Trailer-Sway Control
- Available Integrated Trailer Brake Controller (5.7L V8 only)

SR5

No Compromise Content and Capability

- Fog lights
- Chrome rear bumper
- Entune™ Audio Plus with Connected Navigation App
- Rear under-seat storage - Double Cab
- Sliding horizontal rear window with privacy glass (Double Cab)
- Power vertical sliding rear window with defogger and privacy glass (CrewMax)
- Available Large Fuel Tank (38 gallons) - standard on all Limited, Platinum, 1794 Edition and TRD Pro and available on 5.7L V8-equipped SR5 with the SR5 Upgrade Package
- Available SR5 Upgrade Package (SP)
- Available Safety and Convenience Package (SZ)
- Available TRD Off-Road Package (OF)

Limited

Ready for Anything

- Multi-reflector halogen headlights with manual level control and auto on/off feature
- 20-in. Limited grade split 5-spoke wheels with P275/55R20 tires
- Silver billet grille with chrome grille surround and matte black lower front

- bumper with chrome end cap
- Optional power tilt/slide moonroof with sliding sunshade
- Dual zone automatic climate control
- Leather-trimmed and heated front bucket seats
- 10-way power-adjustable driver's seat with power lumbar support & power-adjustable 4-way front passenger seat
- Leather-trimmed 60/40 split, fold-up rear seats
- Entune™ Premium Audio with Integrated Navigation and Entune® App Suite
- Leather-trimmed tilt/telescopic 4-spoke steering wheel with audio, *Bluetooth*® hands-free phone, voice command controls, and center console gated shift lever
- Auto-dimming rearview mirror with compass and HomeLink® universal transceiver
- Chrome heated power outside mirrors
- Available TRD Off-Road Package (OF)
- Available Limited Premium Package (LX)

Platinum

Luxury on a Large Scale

- Chrome heated power and auto-dimming outside mirrors with turn signal indicators, power-folding and memory feature
- Silver billet grille with color-keyed grille surround and color-keyed front bumper
- Power tilt/slide moonroof with sliding sunshade
- 20-in. 6-spoke Premium-grade wheels with P275/55R20 tires
- LED Daytime Running Lights (DRL)
- Entune™ Premium JBL® Audio with Integrated Navigation and Entune® App Suite
- Leather-trimmed tilt/telescopic 4-spoke steering wheel with memory function and audio, *Bluetooth*® hands-free phone controls, and center-console gated shift lever
- Perforated, leather-trimmed, heated and ventilated front bucket seats with embroidered upper back rests
- Perforated, leather-trimmed 60/40 split, fold-up rear seats
- 12-way power-adjustable driver's seat with 2-position memory function and power thigh and lumbar support
- 6-way power-adjustable front passenger seat with power lumbar support
- Power windows with driver and front passenger one-touch auto up/down, power door locks with shift-linked auto lock/unlock feature and programmable auto door lock logic, remote keyless entry system with lock, unlock and panic functions, one-touch auto start
- Front and rear parking assist sonar
- Blind Spot Monitor with Rear Cross Traffic Alert (BSM with RCTA) and color-keyed rear bumper
- Anti-theft system with alarm, glass breakage sensor and engine immobilizer
- Available Safety and Convenience Package (SZ)

1794 Edition

Rugged Meets Refined

- Chrome grille and gunmetal gray lower front bumper with chrome end caps
- Leather-trimmed tilt/telescopic 4-spoke steering wheel with wood-grain-style accents, memory function and audio, *Bluetooth*® hands-free phone controls, and center console gated shifter
- Available Safety and Convenience Package (SZ)
- Available TRD Off-Road Package (OF)

TRD Pro

Built to Dominate

- TRD Pro front and rear TRD Bilstein® shocks with external remote reservoirs and TRD-tuned springs
- Matte black lower front bumper with color keyed end caps and "TOYOTA" grille with color-keyed grille surround
- TRD shift knob
- 18-in. 5-spoke TRD alloy wheels with P275/65R18 Michelin tires
- TRD front skid plate with oil pan drain access panel
- TRD dual exhaust
- Entune™ Premium Audio with Integrated Navigation and Entune® App Suite
- Black TRD PRO leather-trimmed front bucket seats with red contrast stitching and TRD Pro logo; 10-way power-adjustable driver's seat with power lumbar support; 4-way adjustable front passenger seat
- TRD Pro bedside stamping

1. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with the new SAE J2807 method.

2. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.

3. Trailer Sway Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for details.

4. Flex Fuel Vehicles are not available in every state. In states where available, all 4x4, 5.7L V8 models are FFV. Flex Fuel Vehicles use E85, gasoline or a combination of both. Estimated mileage will vary. Consult your dealer for nearest E85 filling stations. See Toyota.com for further details.

5. The Toyota Tundra is designed to meet most off-road driving requirements, but off-roading is inherently dangerous. Abusive use may result in bodily harm or vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area.

6. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: typically, frontal and knee airbags inflate in frontal collisions, side torso and side curtain airbags inflate in side collisions and roll-sensing curtain airbags inflate at a severe roll angle or roll rate. To decrease the risk of injury from an inflating airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating airbag may cause serious injury or death. See your *Owner's Manual* for further information/warnings.

7. Do not exclusively rely on the Parking Assist Sonar system. Always look over your shoulder and use your mirrors to confirm clearance. Certain vehicle and environmental conditions may affect the ability of the sensors to detect an object. Even the shape and composition of the object can be a factor. See *Owner's Manual* for details.

8. Covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. Roadside assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.

9. Based on ALG's 2015 Residual Value Award for the Full-Size Pickup segment. ALG, the industry benchmark for residual values and depreciation data, www.alg.com.

10. 2016 IntelliChoice, www.IntelliChoice.com; Full-Size Pickup LD, CrewMax models only. Based on 2016 model year study.

11. 2016 IntelliChoice, www.IntelliChoice.com; Full-Size Pickup LD, Double Cab models only. Based on 2016 model year study.

12. 2016 IntelliChoice, www.IntelliChoice.com; Full-Size Pickup LD, Regular Cab models only. Based on 2016 model year study.

13. Vehicle's projected resale value is specific to the 2016 model year. For more information, visit Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.

14. May not be compatible with all WMA/MP3 players and like models.

15. iPod® is a registered trademark of Apple, Inc. All rights reserved. iPod® accessory is not included. iPod® is a registered trademark of Apple, Inc. All rights reserved.

reserved.

16. Advanced Voice Recognition capabilities vary by head unit.

17. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.

18. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage & carrier.

19. Always drive safely, obey traffic laws & focus on the road while driving. Siri® is available only on iPhone® 4s, or later iPad® w/Retina display, iPad® mini, & iPod® touch (5th gen.) & requires Internet access. Siri® is not available in all languages or all areas & features vary by area. Some Siri® functionality & commands are not accessible in the vehicle. Data charges may apply. See Apple.com & phone carrier for details. Siri® is a registered trademark of Apple Inc.'s

20. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for details.

21. Availability & accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services & programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for details.

22. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details.

23. SiriusXM® services require a subscription after a 3 month trial period. Subscriptions governed by SiriusXM® Customer Agreement available at SiriusXM.com. **If you decide to continue your SiriusXM® service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates unless you call 1-866-635-2349 to cancel.** Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C.

24. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.

25. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See Toyota.com/entune® for details.

26. Do not rely exclusively on the blind-spot monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection, range and clarity of the monitor. See *Owner's Manual* for details.

27. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. See *Owner's Manual* for details.

Competitive Advantages

2017 Chevrolet Silverado

Key Takeaways

- **More powerful:** Tundra 5.7-liter V8 offers more peak horsepower (381 hp) and torque (401 lb.-ft.) than Silverado's 5.3-liter V8 (355 hp, 383 lb.-ft.).
- **Easier to maneuver:** Tundra's 44-foot turning circle is significantly tighter than Silverado's 47.2 feet.
- **More versatile comfort:** Tundra Limited features automatic dual-zone climate control, while Silverado LT Z71 gets a manual single-zone system.

Challenges

- Silverado Crew Cab comes with seating for six occupants, whereas Tundra CrewMax's cabin has capacity for only five
- Silverado offers Chevrolet's "Teen Driver Mode" functionality for added peace of mind; Tundra has no similar feature
- Chevrolet offers 5 years (or 60,000 miles) of roadside assistance with the 2017 Silverado, beating the 2-year/unlimited-mile service provided by ToyotaCare⁹

2017 Ford F-150

Key Takeaways

- **Smart value:** Despite similar equipment, Tundra Limited boasts an MSRP¹⁰ that is significantly lower than F-150 Lariat, at \$44,295 versus \$50,630.
- **Comprehensive safety:** Tundra's eight-airbag⁷ arrangement includes both driver and front passenger knee airbags, neither of which is offered on F-150.
- **Standard equipment:** Tundra Limited comes standard with many utility features that are extra cost on F-150 Lariat, like a high-capacity fuel tank, trailer brake controller, full-sliding rear glass and deck rail system.

Challenges

- With the 3.5L EcoBoost® engine, F-150 4x4 achieves EPA-estimated fuel economy ratings of 17/23/20 mpg (city/hwy/combined), beating Tundra 4x4's 13/17/15 mpg estimates¹¹
- Along with impressive efficiency, F-150's EcoBoost® engine delivers much more torque than Tundra's V8, at 470 lb.-ft. versus 401 lb.-ft.
- F-150 Lariat SuperCrew 4x4 tips the scales at 4,890 lbs. - significantly less than Tundra CrewMax 4x4, which weighs in at 5,670 lbs.

2017 Ram 1500

Key Takeaways

- **Smart buy:** At \$44,195, Tundra Limited has a lower MSRP¹⁰ than 1500 Laramie, which has an MSRP of \$47,295 when equipped with the HEMI V8 engine.
- **Safety conscious:** Tundra's cabin offers eight airbags⁷ - including driver and front passenger knee airbags; 1500 is equipped with six airbags.
- **Standard tech:** With Tundra Limited's Entune™ Premium Audio, integrated navigation⁵ is a standard feature; navigation is extra for 1500 Laramie.

Challenges

- 1500 Laramie's HEMI engine outputs more peak horsepower and torque (395 hp, 410 lb.- ft.) than Tundra Limited (381 hp, 401 lb.-ft.)
- At 15/21/17 mpg (city/hwy/comb), 1500 Laramie offers better EPA-estimated fuel economy ratings than Tundra Limited, which is rated 13/17/15 mpg¹¹
- 1500 Laramie features a nine-speaker audio system from Alpine®, whereas Tundra Limited's JBL®-branded system is an extra-cost upgrade

2017 Nissan Titan

Key Takeaways

- **Loaded with standard equipment:** Tundra SR5's lower MSRP¹⁰ is especially

impressive considering that its standard equipment includes many features that are only offered through extra-cost packages on Titan SV.

- **Well-rounded safety:** Tundra SR5 comes equipped with eight airbags⁷ - including knee airbags for driver and front passenger; Titan SV has six airbags.
- **Ready to tow:** Tundra SR5 has a standard towing capacity of 9,800 lbs.¹; Titan SV requires an extra-cost package to achieve a tow rating of 9,090 lbs.

Challenges

- With EPA-estimated fuel economy ratings of 15/21/18 mpg (city/hwy/comb), Titan beats Tundra's ratings of 13/17/15 mpg¹¹
- As part of the SV Comfort & Convenience Package, Titan SV offers integrated navigation; Tundra SR5 has a connected navigation app¹²
- Nissan includes a five-year/100,000-mile bumper-to-bumper warranty with the 2017 Titan; Tundra comes with a three-year/36,000-mile warranty

1. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with the new SAE J2807 method.

2. Trailer Sway Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for details.

3. May not be compatible with all WMA/MP3 players and like models.

4. The *Bluetooth*® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage & carrier.

5. Availability & accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services & programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for details.

6. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See toyota.com/entune for details.

7. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for further information/warnings.

8. Do not exclusively rely on the Parking Assist Sonar system. Always look over your shoulder and use your mirrors to confirm clearance. Certain vehicle and environmental conditions may affect the ability of the sensors to detect an object. Even the shape and composition of the object can be a factor. See *Owner's Manual* for details.

9. Covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.

10. Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$885 for Cars, \$960 for Small/Light Trucks (RAV4, RAV4 HV, Highlander, Highlander HV, 4Runner, Sienna, Tacoma), \$1,195 for Large Trucks (Tundra), and \$1,195 for Large SUVs (Sequoia and Land Cruiser). (Historically, vehicle manufacturers and distributors have charged a separate fee for processing handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. Actual dealer price will vary.

11. 2017 Tundra 4X4 EPA 13/city, 17/hwy, 15/comb MPG estimates. Actual mileage will vary.

12. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details.
