

2024 GR Supra

Top 5 Facts

- * 4 grades including 45th Anniversary Special Edition
- * Available 382-hp 3.0L turbocharged 6-cyl. engine
- * 6-speed manual or 8-speed automatic transmission
- * 0 to 60 mph in as little as 3.9 seconds (Supra 3.0 with automatic transmission)
- * Available Adaptive Variable Suspension (AVS)
- * Available Active Sport Differential

What's New

GR Supra returns for 2024 with a new 45th Special Edition grade. This variant features several unique design cues like an adjustable rear spoiler, orange-colored strut tower braces, and black-colored front brake calipers with the GR logo. Additionally, GR Supra 45th Anniversary Special Edition introduces a new exterior color called Mikan Blast.

Key Features

2.0

GR Supra comes out of the gate with generous levels of standard equipment. Powered by a 255-hp 2.0-liter turbocharged four-cylinder engine, this legendary sports coupe brings exciting driving dynamics wrapped in a stylish package.

- LED exterior lighting
- Smart key system
- 8.8-in. full-digital gauge cluster

3.0

Thanks to a powerful 382-hp turbocharged six-cylinder engine, GR Supra 3.0 offers a significant performance enhancement. Together with its quick-shifting eight-speed automatic transmission, GR Supra 3.0 can hit 60 mph in as little as 3.9 seconds.[1]

- Adaptive Variable Sport (AVS) suspension
- 10-speaker HiFi sound system
- Active Sport Differential

3.0 Premium

For those that want more convenience, GR Supra 3.0 Premium adds just that. Features like a 12-speaker JBL®[3] Premium Audio system and heated seats enhance every drive with added comfort and technologies.

- Wireless Apple CarPlay® compatibility[2]
- Black leather-trimmed sport seats
- Available Full Color Head-Up Display

45th Anniversary Special Edition

In celebration of GR Supra's 45th Anniversary, this special edition dials up the iconic coupe's style with distinct design cues inside and out. This limited-edition model is

finished in an exclusive exterior color called Mikan Blast.

- Black Front Calipers with "GR" logo
- Orange strut tower braces
- Leather-trimmed shift knob
- Unique manually adjustable rear spoiler
- Black "Supra" side graphic

Disclaimers

1. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers.
2. Available on select GR Supra models. Requires compatible smartphone. Operability depends on network availability and other factors. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* or www.supraconnect.com for service details and limitations. For Supra Connect data collection, use, sharing and retention practices, please visit *Supra Connect Terms and Conditions*. Apple CarPlay is a registered trademark of Apple Inc.
3. JBL is a registered trademark of Harman International Industries, Inc.
4. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.
5. Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for instructions and limitations.
6. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations.
7. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner's Manual* for limitations.
8. The Parking Sensors system is designed to assist drivers in avoiding potential collisions at very slow speeds. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the system to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for limitations.
9. Available on select GR Supra models. Includes a 4-year trial period, except Roadside Assistance which is a 2-year period. Paid subscription required after trial. Services require 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required for use of Stolen Vehicle Recovery. Service is subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* or www.supraconnect.com for service details and limitations. For Supra Connect data collection, use, sharing and retention practices, please visit Supra Connect Terms and Conditions.
10. Available on select GR Supra models. Includes a 4-year trial period. Paid subscription required after trial. Services require 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability and availability may be limited or precluded. Service not available in every city or roadway. Use common sense when relying on information provided. Service is subject to change at any time without notice. Data charges may apply. For service details and limitations, see your *Navigation System Owner's Manual* and www.supraconnect.com. For Supra Connect data collection, use, sharing and retention practices, please visit *Supra Connect Terms and Conditions*.
11. Available on select GR Supra models. Includes a 4-year trial period. Paid subscription required after trial. Services require 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability and availability may be limited or precluded, including access to response center and emergency support. Service is subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* or www.supraconnect.com for service details and limitations. For Supra Connect data collection, use, sharing and retention practices, please visit Supra Connect Terms and Conditions.
12. Available on select GR Supra models. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. Services require 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability and availability may be limited or precluded. Service is subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* or www.supraconnect.com for service details and limitations. For Supra Connect data collection, use, sharing and retention practices, please visit *Supra Connect Terms and Conditions*.
13. Available on select GR Supra models. Paid subscription required after trial. Services require 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability and availability may be limited or precluded, including access to response center and emergency support. Service is subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* or www.supraconnect.com for service details and limitations. For Supra Connect data collection, use, sharing and retention practices, please visit *Supra Connect Terms and Conditions*.
14. Available on select GR Supra models. Includes a 4-year trial period. Paid subscription required after trial, which provides up to 4 updates/year. Map updates based on your current North American region. If you relocate to a new region, the user region will be updated automatically after 45 days in that region. You can also visit your Supra dealer to have your map data manually updated, which may be at an additional cost to you. Services require 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability and availability may be limited or precluded. Service is subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* or www.supraconnect.com for service details and limitations. For Supra Connect data collection, use, sharing and retention practices, please visit *Supra Connect Terms and Conditions*.
15. A compatible Bluetooth enabled phone must be paired. Phone performance depends on software, coverage and carrier. The Bluetooth word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license.
16. Charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.
17. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM® services require a subscription, each sold separately by SiriusXM after the trial period. Service subject

to the SiriusXM Customer Agreement and Privacy Policy, visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.

18. Voice Recognition capabilities vary by head unit.
19. Requires cellular network availability, a cellular connection and GPS signal. May not work in all areas. Service may vary by vehicle and region. See Toyota dealer for details and exclusions.
20. Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details.
21. Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag See *Owner's Manual* for limitations.
22. The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See *Owner's Manual* for limitations.
23. When system is on, Electric Parking Brake is designed to engage Parking Brake under limited conditions and may not hold vehicle under all conditions. See *Owner's Manual* for additional limitations.
24. The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations.
25. Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See *Owner's Manual* for limitations.
26. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for limitations and details.
27. The engine immobilizer is a state-of-the-art anti-theft system initiated when key is inserted into ignition switch or a Smart Key fob is in/near vehicle. Engine will only start if the code in transponder chip inside the key/fob matches code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or FOB, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for highsecurity key service.
28. Automatic high beams operate at speeds above 25 mph. See *Owner's Manual* for instructions and limitations.
29. Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving practices. Speed, grade, surface conditions, driver input, etc. can affect HAC function. See *Owner's Manual*.
30. Lane Departure Warning with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations.
31. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance is included for two years, unlimited mileage. Roadside Assistance limits towing distances and locations and does not include parts and fluids, except emergency fuel delivery for certain vehicles. Excludes rental company fleet sale vehicles. See your Toyota dealer for additional restrictions and exclusions. Valid only in continental U.S.
32. Front and Rear Parking Assist Sonar is designed to warn drivers of potential front and rear collisions with certain objects at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for instructions and limitations.
33. EPA estimates not available at time of posting. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.
