TRIMS AT A GLANCE

LE

CORNERING THE SEDAN MARKET

- 2.5L DOHC 16-Valve Dual Variable Valve Timing with intelligence (Dual VVT-i)
- 6-speed Electronically-Controlled automatic overdrive Transmission with intelligence (ECT-i) and sequential shift mode
- 10 airbags³ including driver and front passenger knee airbags³ and rear outboard seat-mounted side airbags³
- Backup camera⁴
- 16-in. steel wheels with wheel covers and P205/65R16 tires
- Projector-beam halogen headlights with auto on/off feature
- Tilt/telescopic steering wheel with audio and *Bluetooth*^{®5} hands-free phone⁶ controls
- Fabric-trimmed front seats with seatback pockets; 8-way power-adjustable driver's seat with power lumbar support; 4-way adjustable front passenger seat
- Multi-function in-key remote keyless entry system
- Entune™ Audio – includes 6.1-in. touch-screen display, USB 2.0 port³⁴ with iPod^{®7} connectivity and control, and *Bluetooth*^{®5} wireless technology

SE

ADDITIONAL AMENITIES

- 17-in. alloy wheels with Graphite finish and P215/55R17 tires
- Projector-beam halogen headlights with black sport trim bezels and auto on/off feature
- Sport mesh front grille
- Color-keyed rear spoiler
- Chrome-tipped exhaust
- Leather-trimmed sport steering wheel with paddle shifters and *Bluetooth*^{®5} hands-free phone⁶ and audio controls
- Sport fabric SofTex[®]-trimmed front seats
- 4.2-in. color TFT Multi-Information Display with customizable settings, odometer, tripmeter, ECO and Sport Mode indicator, ECO Drive Level indicator and warning messages
- Tire Pressure Monitor System (TPMS)⁸ with direct pressure readout
- Available Entune™ Audio Plus, featuring SiriusXM[®] Radio⁹ with 3-month complimentary trial, HD Radio^{™10}, and HD Traffic and Weather in major metro areas

SPECIAL EDITION

BOLD MOVES. MORE ATTITUDE

- Unique 18-inch alloy wheels with machined face and gloss black painted accents
- Standard power tilt/slide moonroof
- Smoked tail lamp treatment
- Unique exterior badge
- Two exterior colors: Blizzard Pearl¹⁶ and new Blue Streak Metallic
- Unique interior with blue contrast stitching, meter cluster and ornamentation
- Entune™ Audio Plus with Connected Navigation¹¹
- Smart Key¹⁴ and Qi Wireless Charging¹²
- Floor mats with logo
- Available Entune™ Premium Audio with Integrated Navigation¹¹ and App Suite¹³

2016 CAMRY

COMPETITIVE COMPARISONS

2016 FORD FUSION SE

KEY ADVANTAGES

2016 Camry SE vs. 2016 Ford Fusion SE

- **Technology:** 6.1-in. touchscreen vs. 4.2-in. audio screen in the Fusion SE
- **Fuel Economy:** Camry SE is rated 25/35/28³¹. Fusion SE is rated 22/34/26 (city/hwy/comb).
- **Value:** According to IntelliChoice, Camry SE received an Excellent value rating and a 5 year cost of ownership that is \$3,355 less than Fusion SE which received a Below Average value rating³⁷.

2016 FORD FUSION SE CHALLENGES

- 10-way power-adjustable driver's seat vs. 8-way in the Camry SE
- Fusion comes with a 5-year/60,000-mile Roadside Assistance Program vs. Camry SE's 2-year/unlimited mile
- Exterior mirrors with puddle lamps and turn signal indicator – unavailable on the Camry SE

2016 CAMRY

COMPETITIVE COMPARISONS

2016 HONDA ACCORD SPORT SEDAN

KEY ADVANTAGES

2016 Camry SE vs. 2016 Honda Accord Sport Sedan

- **Performance:** Comes standard with a sport-tuned suspension, reinforced chassis, and a tighter turning circle (36.7 ft. vs. Accord Sport's 39.6 ft.)
- **Comfort and Convenience:** Available power tilt/slide moonroof (MSRP \$915), which is not offered on the Accord Sport
- **Safety:** 10 standard airbags[3] vs. 6 standard airbags on the Accord Sport, plus the Star Safety System™

2016 HONDA ACCORD SPORT SEDAN CHALLENGES

- More horsepower and torque (189 hp / 182lb.-ft.) than Camry SE (178 hp / 170 lb.-ft.)
- Sporty features not on Camry SE, like dual exhaust, body-colored side sills and 19-in. alloy wheels compared to Camry SE's 17-in. alloy wheels
- More adjustable driver's power seat (10-way vs. Camry SE's 8-way)

DISCLAIMERS

1. Scout® is a registered trademark of Telenav, Inc. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details.
2. Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$835 for Cars, \$900 for Small/Light Trucks (Sienna, RAV4, Highlander Gas, Highlander HV, 4Runner, Tacoma and Venza), \$1195 for Large Trucks (Tundra), and \$995 for Large SUVs (Sequoia and Land Cruiser). (Historically, vehicle manufacturers and distributors have charged a separate fee for processing handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. Actual dealer price will vary.
3. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: typically, frontal and knee airbags inflate in frontal collisions, side torso and side curtain airbags inflate in side collisions and roll-sensing curtain airbags inflate at a severe roll angle or roll rate. To decrease the risk of injury from an inflating airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating airbag may cause serious injury or death. See your Owner's Manual for further information/warnings.
4. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for details.
5. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage & carrier.
6. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
7. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
8. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for details.
9. SiriusXM® services require a subscription after a 3 month trial period. Subscriptions governed by SiriusXM® Customer Agreement available at SiriusXM.com. If you decide to continue your SiriusXM® service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates unless you call 1-866-635-2349 to cancel. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C..
10. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
11. Availability & accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services & programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See Owner's Manual for details.
12. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models.
13. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See Toyota.com/entune® for details.
14. The Smart Key system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
15. Contact with the response center may not be available in all areas. Service Agreement required. A variety of subscription terms available; charges will vary. See Toyota.com for details.
16. Extra cost for (070)(3T3) painted exterior molding, requires Option (PC).
17. Advanced Voice Recognition capabilities vary by head unit.
18. Always drive safely, obey traffic laws & focus on the road while driving. Siri® is available only on iPhone® 4s, or later

DISCLAIMERS

- iPad® w/Retina display, iPad® mini, & iPod® touch (5th gen.) & requires Internet access. Siri® is not available in all languages or all areas & features vary by area. Some Siri® functionality & commands are not accessible in the vehicle. Data charges may apply. See Apple.com & phone carrier for details. Siri® is a registered trademark of Apple Inc.'s.
19. PANDORA®, the PANDORA® logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission.
 20. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness depends on many factors, such as weather, traffic and road conditions. See Owner's Manual for details.
 21. Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear end collisions.
 22. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for details.
 23. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance, tire and road conditions. See Owner's Manual for details.
 24. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for details.
 25. Automatic high beams operate at speeds above 25 mph. Factors such as dirty windshield, weather, lighting & terrain limit effectiveness requiring driver to manually operate the high beams. See Owner's Manual for details.
 26. Do not rely exclusively on the blind-spot monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection, range and clarity of the monitor. See Owner's Manual for details.
 27. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. See Owner's Manual for details.
 28. The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See Owner's Manual for details.
 29. Lane Departure Alert is designed to read lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors. See Owner's Manual for details.
 30. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org.
 31. 2016 EPA-MPG estimates. Actual mileage will vary.
 32. Cargo and load capacity limited by weight and distribution.
 33. 2016 Camry SE EPA 25/city, 35/hwy, 28/comb MPG estimates. Actual mileage will vary.
 34. May not be compatible with all WMA/MP3 players and like models.
 35. Covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. Roadside assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.
 36. Hybrid-related components are covered for 8-years or 100,000 miles, whichever comes first, from original date of first use when sold as new. The HV battery may have longer coverage under emissions warranty. See Owner's Warranty information booklet for details.
 37. 2015 IntelliChoice, www.IntelliChoice.com; Passenger Car, 4-cyl. models only. Based on 2015 model year study.
