

2023 Tacoma

Top 5 Facts

- * Standard tow package on all V6 models
- * Dual-zone automatic climate control on all V6 AT models
- * Available power adjustable 10-way driver's seat
- * Seven trims include three models tuned by Toyota Racing Development
- * 34 possible configurations

What's New

Tacoma returns for 2023 with fresh new updates, including two available appearance packages: the Chrome Package and SX Package. TRD Pro gains the Solar Octane exterior color, while Electric Lime Metallic is now exclusive to TRD Sport and TRD Off-Road.

Quick Specs

- * Choice of 2.7L 4-cyl. or 3.5L V6 engines
- * Available 4WDemand part-time 4WD
- * Standard 9.4-inch ground clearance
- * Up to a 6,800-lb. maximum towing capacity[1]
- * Up to a 1,685-lb. maximum payload capacity[2]

Awards

- 2023 Toyota Tacoma is a Kelley Blue Book KBB.com **Best Buy**[19]
- The Toyota Tacoma has been **America's best-selling midsized pickup** for the last eighteen years.[20]
- 2023 Toyota Tacoma was named **Best Resale Value** in its class by Kelley Blue Book's KBB.com[21]
- 2023 Toyota Tacoma – **Best Resale Value: Top 10**[21]

Key Features

SR

The popular SR trim gets a healthy dose of style, thanks to two new available packages: SX and Chrome. Of course, Toyota Safety Sense™ P (TSS-P)[8] is still standard, as are

features like engine and front suspension skid plates.

- Apple CarPlay®[3] and Android Auto™[4] compatibility
- 7-in. touchscreen
- Safety Connect®[6] and Wi-Fi Connect[7] trials

SR5

Tacoma SR5 is always a top pick with its multitude of cab, bed, and engine combinations. Additional standard equipment brings more useful features everytime you get behind the wheel.

- 8-in. touchscreen
- Integrated fog lights
- 16-in. alloy wheels (V6 models)

Trail Special Edition

Trail Edition returns with lots of tweaks aimed at improving off-road performance. In addition to a lifted suspension and an electronically locking rear differential, Tacoma Trail Edition borrows its skid plates from TRD Off-Road and sports overfenders highlighting its rugged good looks.

- Lifted off-road-tuned suspension and electronically locking rear differential
- Skid plates taken from the TRD Off-Road grade
- Unique heritage-inspired "TOYOTA" front grille with bronze-colored lettering

Limited

The well equipped Limited grade brings luxuries like leather-trimmed seating and convenience features including Panoramic View Monitor (PVM)[9] and Blind Spot Monitor (BSM)[10] with Rear Cross-Traffic Alert (RCTA)[11].

- Standard 278-hp V6 engine
- Smart Key System with Push Button Start
- Power tilt/slide moonroof

TRD Sport

With upscale standard tech like a Smart Key System with Push Button Start and Qi-compatible wireless smartphone charging[12], TRD Sport brings more to the table than

aggressive street cred.

- TRD sport-tuned suspension
- Hood scoop
- 17-in. alloy wheels

TRD Off-Road

Things get serious in the TRD Off-Road grade, which sees uprated drivetrain components, an off-road ready suspension, and an inclinometer with roll/pitch displays to take things well off the beaten path.

- Electronically controlled locking rear differential
- TRD-tuned off-road suspension with Bilstein®[13] shocks
- 16-in. alloy wheels

TRD Pro

There's no keeping the hard-core TRD Pro from the trails – it brings a TRD skid plate, an electronically controlled locking rear differential, even beefier suspension with Fox®[14] shocks, and 16-in. TRD Pro alloy wheels shod with all-terrain tires.

- TRD machine-forged upper control arms
- 1.5-in. front suspension lift
- FOX®[14] internal bypass shocks

Disclaimers

1. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. See *Owner's Manual* for limitations.
2. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.
3. Requires compatible smartphone. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. Apple CarPlay is a registered trademark of Apple Inc.
4. Android Auto requires compatible smartphone. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. To use Android Auto on your car display, you'll need an Android phone running Android 8 or higher, an active data plan, and the Android Auto app. Google, Android, Android Auto, YouTube Music and other marks are trademarks of Google LLC.
5. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331.
6. Safety Connect® depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Requires app download/registration and subscription after trial (if applicable). Service subject to change at any time without notice. Terms of Use apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and www.toyota.com/connected-services/ for additional details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Safety Connect® trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service.
7. Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of activation and expires when 2 GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply.
8. Toyota Safety Sense effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details.
9. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details.
10. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details.
11. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details.
12. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns.
13. Bilstein is a registered trademark of ThyssenKrupp Bilstein GmbH FED REP GERMANY.
14. Fox is a registered trademark of FOX Factory, Inc.
15. Extra-cost color.
16. Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions.
17. Rear Parking Assist Sonar is designed to warn drivers of potential rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Rear Parking Assist Sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details.
18. Dynamic Navigation depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection,

- GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See *Owner's Manual* and www.toyota.com/connected-services/ for additional limitations and details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/.
19. Destination Assist depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and Toyota.com/connected-services for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.
20. Requires subscription to Remote Connect. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Digital Key also requires Bluetooth connectivity. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Toyota *Owner's Manual* and www.toyota.com/connected-services/ for additional details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Remote Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. Terms of Use apply.
21. Information provided is based on the last time data was collected from the vehicle and is not real time data. Service Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Requires app download/registration and subscription after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and www.toyota.com/connected-services/ for additional details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect®, Remote Connect or Drive Connect upon trial expiration. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect®, Remote Connect or Drive Connect upon trial expiration.

23. Goodyear is a registered trademark of The Goodyear Tire & Rubber Company.
24. Kevlar is a registered trademark of E.I. du Pont de Nemours and Company.
25. Do not exceed 120V. See *Owner's Manual* for additional limitations and details.
26. Rigid Industries is a registered trademark of JST Performance, LLC d/b/a Rigid Industries.
27. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
28. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. A compatible Bluetooth enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
29. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy**, visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. SiriusXM trial length and service availability may vary by model, model year or trim.
30. Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. See usage precautions and service limitations in *Owner's Manual* and www.toyota.com/connected-services/ for additional limitations and details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply.
31. Crawl Control is designed for driving on difficult terrain at low speeds and assists driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations and details.
32. HomeLink and the HomeLink house icon are registered trademarks of Gentex Corporation.
33. May not be compatible with all mobile phones, MP3/WMA players and like models.
34. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat

- as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details.
35. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details.
36. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details.
37. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.
38. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See Owner's Manual for additional limitations and details.
39. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details.
40. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.
41. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details.
42. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details.
43. Lane Departure Alert is designed to read visible lane markers under certain conditions and provide visual and audible alerts when lane departure is detected. It is not a collision avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors, including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details.
44. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service.
45. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details.
46. Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds. See *Owner's Manual* for additional limitations and details.
47. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their *Maintenance Guide*. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. Excludes rental company fleet sales. See Toyota dealer for details and exclusions. Valid only in the continental U.S.
48. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions.
