

2019 Tundra

At a Glance

For nearly two decades, the full-size Tundra pickup truck has disrupted its class. This isn't just because of Toyota's legendary reputation for reliability and durability, though, as Tundra also comes packing serious power from its choice of two V8 engines – enough power, in fact, to enable Tundra Limited to tow as much as five tons[1]. And with recent annual sales of more than 100,000 units, Tundra's ready for another round of success in 2019.

Design

- * LED Daytime Running Lights
- * Available LED fog lights
- * Standard alloy wheels (18 to 20 inches)[2]
- * Heated power outside mirrors

Safety

- * Toyota Safety Sense™ P (TSS-P)[3]
- * Star Safety System™
- * Trailer-Sway Control (TSC)[4]
- * 8 airbags[5]

Convenience

- * Entune™ Audio[6] with up to 12 speakers
- * Available front and rear parking assist sonar[7]
- * Available Blind Spot Monitor (BSM)[8] and Rear Cross-Traffic Alert (RCTA)[9]
- * Up to 1,730 lbs. of maximum payload[10]

Performance

- * 4.6-liter or 5.7-liter V8 engines produce 310 and 381 horsepower respectively
- * 6-speed electronically controlled automatic transmission
- * Up to 38-gallon fuel tank capacity
- * Up to 10,200 lbs. maximum towing capacity[1]

New for 2019

2019 marks the return of TRD Pro – Tundra's enhanced off-road[11] trim with rugged styling. The top-of-the-line trim comes with performance upgrades including 18-inch BBS forged-aluminum alloy wheels, FOX off-road suspension, a quarter-inch aluminum skid

plate and TRD Pro dual exhaust. A new Voodoo Blue exterior color option is available exclusively on TRD Pro.

Also new for 2019 is the SX Package, which adds more style to the well-equipped SR5 trim. This new option gives Tundra a more refined feel with color-keyed accents that include grille surround, front and rear bumpers, and even 18-inch black alloy wheels[2]. Limited to only three exterior colors, this SX Package provides a premium look for Tundra.

The Bottom Line

It goes without saying that Tundra's serious can-do attitude will get the job done. This workhorse provides a solid platform for drivers to build and customize upon. With six different trim options, two engine choices and large or small cab and bed, Tundra can be had in dozens of combinations. As a well-established vehicle in its class, Tundra offers everyday practicality for the long haul.

Awards

- 2018 Toyota Tundra – Best Resale Value: Top 10[12]
- 2018 Tundra is Built in America[13]
- Toyota Tundra is one of the top 15 models owners keep for 15 years or more.[40]

Key Features

SR

SR is only offered in Double Cab configuration, but can be equipped with a long bed and four-wheel drive. The quintessential truck for no frills hard work.

- Toyota Safety Sense™ P (TSS-P)[3]
- Available all-weather flooring
- Available vinyl seating surfaces

SR5

Available in a dozen different configurations (including Flex Fuel models), SR5 is the bread and butter of the Tundra line, and includes noteworthy upgrades to comfort and convenience functionalities.

- Entune™ Audio Plus[6]
- Steering wheel audio controls
- Voice command controls

Limited

Only offered with the larger 5.7-liter V8, Tundra Limited takes the work truck up to luxury level with unique upscale features like integrated navigation[14] and dual-zone climate control.

- Chrome heated power outside mirrors
- Entune™ Premium Audio[6] with Integrated Navigation[14]
- Dual-zone automatic climate control

Platinum

Tundra Platinum is outfitted with a CrewMax cab and short bed, and is designed for buyers looking to blend utility with luxury – right down to its plush perforated leather front seats.

- Leather-trimmed, heated/cooled front seats
- 12-way power-adjustable driver's seats
- 20-in. premium six-spoke wheels

1794 Edition

The 1794 Edition builds on Tundra Platinum to make the ultimate full-size truck. Includes upgraded interior materials as well as unique trim and accents both inside and out.

- Premium interior trim
- Chrome grille and gray lower front bumper
- Available front skid plate

TRD Pro

TRD Pro transforms Tundra into an off-road[11] machine with a variety of performance-oriented add-ons. From its lightweight wheels to upgraded suspension and exhilarating exhaust, these components make Tundra better and more capable in every way.

- 18-in. BBS forged-aluminum alloy wheels[2]
- FOX off-road suspension[11]
- TRD Pro dual exhaust

Dynamic Radar Cruise Control (DRCC)[29] – part of Toyota Safety Sense™ P (TSS-P)[3]	S	S	S
Lane Departure Alert (LDA)[30] with Sway Warning System (SWS) – part of Toyota Safety Sense™ P (TSS-P)[3]	S	S	S
Pre-Collision System[34] with Pedestrian Detection[35] (PCS w/ PD) – part of Toyota Safety Sense™ P (TSS-P)[3]	S	S	S
Anti-theft system with engine immobilizer[26]	-	-	-
Anti-theft system with alarm and engine immobilizer[26]	-	-	S
Anti-theft system with alarm, Glass Breakage Sensor (GBS) and engine immobilizer[26]	S	S	-
Blind Spot Monitor[8] with Rear Cross-Traffic Alert (BSM and RCTA)[9]	S	S	-
Front and rear parking assist sonar[7]	S	S	-
Tire Pressure Monitor System (TPMS)[36]	S	S	S
Trailer-Sway Control (TSC)[4]	S	S	S
Seatbelts & Child Restraint System			
3-point seatbelts for all seating positions; driver-side Emergency Locking Retractor (ELR), and Automatic/Emergency Locking Retractor (ALR/ELR) on all passenger seatbelts	S	S	S
Driver and front passenger seatbelt pretensioners with force limiters	S	S	S
LATCH (Lower Anchors and Tethers for Children) includes lower anchors on outboard rear seats and tether anchor on rear center seat	S	S	S
Child-protector rear door locks	S	S	S
Windows, Glass & Wipers			

	1794 Edition (5.7L 4x2 CrewMax 5.5' Short Bed)	1794 Edition (5.7L 4x4 CrewMax 5.5' Short Bed)	TRD Pro (5.7L 4x4 CrewMax 5.5' Short Bed)
Fixed rear window	-	-	-
Horizontal-sliding rear window with privacy glass	-	-	-
Power horizontal-sliding rear window with privacy glass	-	-	-
Power vertical-sliding rear window with defogger and privacy glass	S	S	S
High Solar Energy-Absorbing (HSEA) glass	S	S	S
Two-speed windshield wipers	-	-	-
Variable intermittent windshield wipers	S	S	S
Windshield wiper de-icer	S	S	S
Interior			
Air Conditioner, Heater & Defroster			
Air conditioning with dust and pollen air filter and single temperature setting for driver and front passenger	-	-	S
Dual-zone automatic climate control with dust and pollen filter and individual temperature settings for driver and front passenger	S	S	-
Rear window defogger	S	S	S
Audio, Entertainment & Navigation			
Entune™ Audio[6] with 6.1-in. touchscreen	-	-	-
Entune™ Audio Plus[6] with 7-in. high-resolution touchscreen	-	-	-
Entune™ Premium Audio[6] with 7-in. high-resolution touchscreen with split-screen display	S	S	S
AM/FM CD player with MP3/WMA playback capability	S	S	S
Auxiliary audio jack	S	S	S
USB 2.0 port[15] with iPod®[16] connectivity and control	S	S	S
Hands-free phone capability[18], phone book access and music streaming via Bluetooth®[19] wireless technology	S	S	S
Siri® Eyes Free[20]	S	S	S

Disclaimers

1. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in the Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo calculated with the new SAE J2807 method.
2. Rigid Industries is a registered trademark of JST Performance, LLC d/b/a Rigid Industries.
3. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
4. Trailer Sway Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
5. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for additional limitations and details.
6. Toyota Entune 3.0 services are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, which can limit the ability to reach the response center or receive emergency support. Terms and conditions of subscriber agreement apply. To learn about Toyota Entune 3.0's data collection, use, sharing and retention, please visit www.toyota.com/support/privacy-rights. Stolen vehicle police report required to use Stolen Vehicle Locator.
7. Front and Rear Parking Assist Sonar is designed to warn drivers of potential front and rear collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Front and Rear Parking Assist Sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details.
8. Do not rely exclusively on the blind-spot monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner's Manual for additional limitations and details.
9. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner's Manual for additional limitations and details.
10. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.
11. The Tundra is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area.
12. Vehicle's projected resale value is specific to the 2018 model year. For more information, visit Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.
13. Assembled in Texas with U.S. and globally sourced parts.
14. Availability & accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services & programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See Owner's Manual for details.
15. May not be compatible with all mobile phones, MP3/WMA players and like models.

16. iPod is registered trademark of Apple Inc. All rights reserved.
17. Advanced Voice Recognition capabilities vary by head unit.
18. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
19. The *Bluetooth*® word mark and logos are registered trademarks owned by *Bluetooth SIG, Inc.* and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage & carrier.
20. Always drive safely, obey traffic laws & focus on the road while driving. Siri® is available on select iPhone/iPad models & requires Internet access. Siri® is not available in all languages or all areas & features vary by area. Some Siri® functionality & commands are not accessible in the vehicle. Data charges may apply. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2018 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc.
24. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details.
25. Do not rely exclusively on the blind-spot mirror. Always look over your shoulder and use your turn signal. There are limitations to the function of the mirror. See Owner's Manual for additional limitations and details.
26. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org.
27. JBL is a registered trademark of Harman International Industries, Incorporated.
28. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details.
29. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner's Manual for additional limitations and details.
30. Lane Departure Alert is designed to read visible lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
31. Brake Assist (BA) is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details.
32. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for details.
33. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
34. The TSS Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
35. The Pedestrian Detection System is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians and weather, light and road conditions. See Owner's Manual for additional limitations and details.
36. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for details.
37. 2019 EPA-estimated mileage. Actual mileage will vary.
38. ToyotaCare plan covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.

39. Roadside Assistance coverage is 2 years of unlimited mileage. Does not include parts and fluids, except emergency fuel delivery.
See Toyota dealer for details and exclusions. Valid only in the continental U.S. & Alaska.
