

2023 Camry

- * 18-vehicle lineup includes five hybrid trims
- * All-wheel drive available on five gas trims
- * V6-powered TRD trim with performance enhancements
- * Nightshade Edition brings added style to SE trims
- * Toyota Safety Sense™ 2.5+ (TSS 2.5+)[1] standard
- * Available hybrid powertrain with up to an EPA-est. 52 mpg combined

What's New

For 2023, Camry gains an updated SE Nightshade Edition, which now includes 19-in. TRD matte bronze-finished wheels. New exterior color options, including Cavalry Blue, Reservoir Blue, and Underground Gray with Midnight Black Metallic Roof [5], have been added, giving select Camry grades extra visual flair.

Quick Specs

- * Standard 203-hp 4-cyl. engine
- * Available 301-hp V6 engine
- * EPA-est. 52 mpg (comb.) on LE Hybrid[6]
- * 15.1 cu. ft. of cargo volume[7]

Awards

- 2022 Toyota Camry is an Insurance Institute for Highway Safety (IIHS) **Top Safety Pick+** [2]
- 2023 Toyota Camry received the NHTSA 5-Star Overall Safety Rating[3]
- **Best-selling Midsize Sedan** in America for the last 20 years[4]

Key Features

LE

Camry LE is dressed to impress with stylish 17-inch alloy wheels on the outside and a crisp 7-inch touchscreen with Apple CarPlay®[8] and Android Auto™[9] compatibility inside.

- Toyota Safety Sense™ 2.5+ (TSS 2.5+)[2]
- Dual-zone automatic climate control
- Available all-wheel drive

LE Hybrid

In hybrid guise, Camry transforms into a midsize miracle thanks to stellar estimated fuel economy ratings and standard convenience features – like Smart Key System with Push Button Start – for its well-equipped LE Hybrid trim.

- 208 hp (net comb.)
- Est. 52 mpg (comb.)[3]
- Full-Speed Range Dynamic Radar Cruise Control[11]

SE

Camry SE gets larger, 18-inch black machined-finished alloy wheels with a color-keyed rear spoiler and sport side rocker panels outside, as well as sport SofTex®-trimmed[12] front seats and paddle shifters on the inside.

- Headlights and taillights with black accents
- Sport-tuned suspension
- Available all-wheel drive

SE Hybrid

SE Hybrid sports an advanced hybrid powertrain offering instant torque and smooth acceleration. Who says hybrids can't be fun?

- Est. 46 mpg (comb.)[13]
- Sport-tuned suspension
- Full-Speed Range Dynamic Radar Cruise Control[11]

SE Nightshade

Available in three exterior colors, Camry SE Nightshade embraces the dark side with 19-inch TRD matte bronze-finished alloy wheels and stylish, standout black-painted exterior accents.

- Black exterior badging
- Sport-tuned suspension
- Available all-wheel drive

SE Nightshade Hybrid

The SE Nightshade Hybrid trim includes 19-inch TRD matte bronze-finished alloy wheels and sport SofTex®-trimmed[12] front seats that transforms this hybrid into a seriously head-turning electrified sedan.

- Black exterior badging
- Sport-tuned suspension
- Black-painted exterior accents

XLE

XLE refines Camry's interior with a vibrant 9-inch touchscreen and a 7-inch Multi-Information Display (MID) front and center, in addition to leather-trimmed multi-stage

heated front seats.

- Blind Spot Monitor (BSM)[14] with Rear Cross-Traffic Alert (RCTA)[15]
- Qi-compatible wireless smartphone charging[16]
- Available all-wheel drive

XLE Hybrid

Camry XLE Hybrid adds leather-trimmed seating, a larger audio multimedia touchscreen and Multi-Information Display (MID), as well as hybrid tech to help go the distance.

- Blind Spot Monitor (BSM)[14] with Rear Cross-Traffic Alert (RCTA)[15]
- Qi-compatible wireless smartphone charging[16]
- Ambient interior lighting

XSE

XSE brings the most out of Camry's sleek look with 19-inch gloss-black alloy wheels, a dual exhaust with quad chrome tips, and an available eye-catching Cockpit Red leather-trimmed interior.

- 206 hp
- Sport-tuned suspension
- Available all-wheel drive

XSE Hybrid

The XSE Hybrid trim ups the sporty hybrid ante with impressive looks inside and out that include leather-trimmed seats, plus an available two-tone Midnight Black Metallic roof[1] and rear spoiler.

- Blind Spot Monitor (BSM)[14] with Rear Cross-Traffic Alert (RCTA)[15]
- Sport-tuned suspension
- Ambient interior lighting

XLE V6

A 9-speaker JBL®[17] audio system and Dynamic Navigation trial[18] are just a few of the added amenities Camry XLE V6 has to offer – along with a more powerful six-cylinder engine up front.

- 301 hp

- 10-in. color Head-Up Display (HUD)
- Panoramic glass roof

XSE V6

In addition to a panoramic glass roof that offers unparalleled views, and high-tech 10-inch color Head-Up Display (HUD) that helps keep eyes forward, Camry XSE V6 also packs a potent powerplant under the hood.

- 301 hp
- Sport-tuned suspension
- 9-speaker JBL®[17] audio system

TRD

Sitting on 19-inch TRD matte-black alloy wheels, Camry TRD is ready to hit the track with its front splitter, side aero skirts, rear diffuser, and pedestal rear spoiler, as well as Active Cornering Assist (ACA) to help with those tight turns.

- 301 hp
- TRD track-tuned suspension
- TRD cat-back exhaust

Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. To use Android Auto on your car display, you'll need an Android phone running Android 8 or higher, an active data plan, and the Android Auto app. Google, Android, Android Auto, YouTube Music and other marks are trademarks of Google LLC.
10. Amazon, Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Not all Amazon Alexa functionality is available for in-vehicle use.
11. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details.
12. SofTex is a registered trademark of Toyota Motor Sales, U.S.A., Inc.
13. EPA-estimated 44city/47hwy/46comb MPG for 2023 Camry SE Hybrid. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.
14. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details.
15. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details.
16. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns.
17. JBL is a registered trademark of Harman International Industries, Inc.
18. Dynamic Navigation depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service

- may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See Owner's Manual and www.toyota.com/connected-services/ for additional limitations and details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/.
19. HomeLink and the HomeLink house icon are registered trademarks of Gentex Corporation.
 20. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle and you should also look around the vehicle, using mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details.
 21. Intelligent Clearance Sonar (ICS) is designed to assist drivers in avoiding potential forward and rearward collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's shape, size and composition, may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details.
 22. At speeds of 9 mph or less, Front and Rear Parking Assist with Automated Braking (PA w/AB) is designed to assist drivers in avoiding potential collisions with nearby static objects when the vehicle is in Drive or Reverse and approaching crossing vehicles when the vehicle is in Reverse. Do not overly rely on PA w/AB. Always look around outside the vehicle and use mirrors to confirm clearance. Certain vehicle and environmental factors, including an object or vehicle's shape, size and composition, may affect the system's effectiveness. See *Owner's Manual* for additional limitations and details.
 23. May not be compatible with all mobile phones, MP3/WMA players and like models.
 24. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
 25. The *Bluetooth* word mark and logos are registered trademarks owned by *Bluetooth SIG, Inc.* and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
 26. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy**, visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. SiriusXM trial length and service availability may vary by model, model year or trim.
 27. Destination Assist depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and [Toyota.com/connected-services](http://www.toyota.com/connected-services/) for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.
 28. Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. See usage precautions and service limitations in *Owner's Manual* and www.toyota.com/connected-services/ for additional limitations and details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply.
 29. Requires subscription to Remote Connect. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Digital Key also requires *Bluetooth* connectivity. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Toyota *Owner's Manual* and www.toyota.com/connected-services/ for additional details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Remote Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. Terms of Use apply.
 30. Safety Connect® depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Requires app download/registration and subscription after trial (if applicable). Service subject to change at any time without notice. Terms of Use apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and www.toyota.com/connected-services/ for additional details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. The Safety Connect® trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service.

31. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331.
32. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions.
33. Information provided is based on the last time data was collected from the vehicle and is not real time data. Service Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Requires app download/registration and subscription after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and www.toyota.com/connected-services/ for additional details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/privacyvts/. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect®, Remote Connect or Drive Connect upon trial expiration. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect®, Remote Connect or Drive Connect upon trial expiration.
34. Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of activation and expires when 2 GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply.
35. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details.
36. Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details.
37. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details.
38. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details.
39. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details.
40. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details.
41. When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See *Owner's Manual* for additional limitations and details.
42. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.
43. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details.
44. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See *Owner's Manual* for additional limitations and details.
45. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details.
46. The Rear Seat Reminder does not sense objects in the rear seat. The Rear Seat Reminder is designed to recognize a unique rear door opening pattern that may be consistent with an object being placed in the rear seating area. See Owner's Manual for additional details.
47. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details.
48. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. Not available on vehicles with manual transmissions. See *Owner's Manual* for additional limitations and details.
49. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common

- sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details.
50. Whiplash Injury Lessening front seats can help reduce the severity of whiplash injury in certain rear end collisions.
51. For Toyota hybrid, plug-in hybrid, and fuel cell and battery electric vehicles beginning with model year 2020, the hybrid (HV) battery is covered for 10 years from original date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See *Owner's Warranty and Maintenance Guide* for details.
52. Hybrid-related components are covered for 8-years from original date of first use or 100,000 miles, whichever comes first. The HV battery may have longer coverage under emissions warranty. See *Owner's Warranty and Maintenance Guide* for details.
53. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance is included for two years, unlimited mileage. Roadside Assistance limits towing distances and locations and does not include parts and fluids, except emergency fuel delivery for certain vehicles. Excludes rental company fleet sale vehicles. See your Toyota dealer for additional restrictions and exclusions. Valid only in the continental U.S.
54. EPA-estimated 28 city/39 hwy/32 combined mpg rating for 2023 Camry LE, SE and SE Nightshade Edition; 27 city/38 hwy/31 combined mpg rating for 2023 Camry XLE 4-Cylinder and XSE 4-Cylinder; 22 city/33 hwy/26 combined mpg rating for 2023 Camry XLE V6; 22 city/32 hwy/26 combined mpg rating for 2023 Camry XSE V6; 22 city/31 hwy/25 combined mpg rating for 2023 Camry TRD; 51 city/53 hwy/52 combined mpg rating for 2023 Camry LE Hybrid; and 44 city/47 hwy/46 combined mpg rating for 2023 Camry SE Hybrid, XLE Hybrid and XSE Hybrid. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.
