

# 2019 Tacoma

## At a Glance

For over two decades, Tacoma has been the de facto choice for the everyday worker. Why? Because it's built on a foundation that consists of reliability, capability and durability. iSeecars.com reported in 2017 that 2.5% of Tacomas on the road have 200,000 or more miles on the odometer. Under the hood, the available 3.5-liter V6, which produces 278 horsepower and 265 lb.-ft. of torque, can tow up to 6,800 lbs.[1] Lastly, Tacoma can handle a maximum payload of up to 1,440 lbs.[2], thanks to its wide rear bed.

### Design

- \* Available LED Daytime Running Lights and fog lights
- \* Available 16-in., 17-in. or 18-in. alloy wheels[3]
- \* 9.4-in. ground clearance

### Safety

- \* Toyota Safety Sense™ P (TSS-P)[4]
- \* Star Safety System™ – incorporates several standard braking technologies for enhanced driver and road safety
- \* 8 airbags[5]

### Convenience

- \* Entune™ multimedia
- \* Available rear parking assist sonar[6]
- \* Available Blind Spot Monitor (BSM)[7] and Rear Cross-Traffic Alert (RCTA)[8]

### Performance

- \* Available 3.5-liter V6 engine with 278 horsepower and 265 lb.-ft. of torque
- \* Available part-time 4WD with automatic limited-slip differential
- \* Up to 6,800 lbs. maximum towing capacity[1]

## New for 2019

Tacoma enters 2019 sporting a new package for SR models and enhancements to the rugged TRD Pro model, as well as some miscellaneous updates across the lineup.

### \*New SX Package\*

Available on Tacoma SR, the SX package adds more appeal to the already stylish Tacoma. This appearance package adds a splash of black to the exterior, specifically to keyed

accents such as mirror caps and door handles – as well as to the 16-inch alloy wheels – giving Tacoma a sportier look.

#### \*Pro-Grade Enhancements\*

On the other end of the spectrum, the TRD Pro trim receives a number of equipment upgrades. The Desert Air Intake, silver skid plate and TRD Pro exhaust are all available options, while a power moonroof and six JBL®[10] speakers (for models equipped with the 6-speed electronically controlled automatic transmission) are now standard. TRD Pro is also available in Voodoo Blue exterior color, which is an exclusive option.

#### \*Odds and Ends\*

Hide your valuables from prying eyes with standard privacy glass across all trims. Inside, the addition of two USB ports[9] in the center console will keep your electronic devices fully charged at all times. Calvary Blue, which was previously limited to only TRD Pro, is now available for all trims.

## The Bottom Line

There's a reason Tacoma sells in the hundreds of thousands every year. It delivers nearly everything and then some. It's economical thanks to its top EPA-estimated 23 miles per gallon highway fuel economy[11], and with a starting price under \$26,000, it's also affordable[12]. Tacoma is smooth and practical when you want it and rugged and ready when you need it.

## Awards

- Tacoma is the Best-selling compact pickup in America[13]
- America's best-selling compact pickup for the last ten years[14]
- 2018 Toyota Tacoma – Best Resale Value: Mid-Size Pickup Truck[15]
- 2018 Toyota Tacoma – Best Resale Value: Top 10[15]
- Toyota Tacoma is one of the top 15 models owners keep for 15 years or more.[48]

## Key Features

### SR

SR may be the least expensive of all Tacomas, but its bountiful features mask its utilitarian purpose, with a six-speaker sound system, backup camera[16] and a host of advanced safety technologies not found on many other trucks regardless of price.

- TSS-P[4] suite of advanced safety technologies
- Backup camera[16] with integrated display
- Entune™ Audio with 6.1-in. touch-screen display and 6 speakers

### SR5

Step up to SR5, and Tacoma picks up modern conveniences like navigation that pairs with a smartphone, a 4.2-in. color Multi-Information Display mounted in the instrument panel, and a leather-trimmed steering wheel.

- Entune™ Audio Plus with Connected Navigation[17] App
- Leather-trimmed steering wheel
- Upgraded 4.2-in. color Multi-Information Display

## *Limited*

Tacoma's top-of-the-line Limited trim brings full-sized luxury features to the midsized truck, with leather-trimmed seats, dual-zone climate control, premium JBL®[10] audio, and items like power moonroof as standard equipment.

- Leather-trimmed seats
- Dual-zone climate control
- Entune™ Premium Audio with JBL®[10]

## *TRD Sport*

TRD Sport stands out from the crowd, providing an upscale visual experience – starting in the front with its distinguishing hood scoop – while offering luxuries to go with it, including a power sliding rear window and an available power sliding moonroof.

- Sport trim, including hood scoop and color-keyed mirrors and door handles
- Available power sliding moonroof
- Power sliding rear window (Double Cab)

## *TRD Off-Road*

With a rear locking differential for added traction in precisely the environment from which TRD Off-Road takes its name, plus advanced driver aids like Crawl Control and Multi-terrain Select to help maintain control in treacherous conditions, TRD Off-Road is where the fun really starts.

- Rear locking differential
  - Crawl Control and Multi-terrain Select
  - Available Blind Spot Monitor with Rear Cross-Traffic Alert

## *TRD Pro*

TRD Pro brings professional-caliber off-roading capabilities to the table. Built for blasting across the open desert, its heavy-duty suspension and beefed-up skid plate to protect its underside provide both the confidence and durability to maximize Tacoma's fun factor.

- FOX 2.5 Internal Bypass off-road shocks
- Quarter-inch aluminum TRD skid plate
- TRD Pro "cat-back" exhaust

## Additional Features...

	<b>TRD Pro (V6 6AT 4WD Double Cab 5' Bed)</b>	<b>TRD Pro (V6 6MT 4WD Double Cab 5' Bed)</b>
<b>Safety/Convenience</b>		
<b>Airbags</b>		
Driver and front passenger Advanced Airbag System[5]	S	S
Driver and front passenger seat-mounted side airbags, driver and front passenger knee airbags, and front and rear Roll-sensing Side Curtain Airbags (RSCA)[5]	S	S
<b>Backup Camera</b>		
Integrated backup camera display[16]	S	S
<b>Braking Systems</b>		
Vehicle Stability Control (VSC)[31] – part of Star Safety System™	S	S
Traction Control – part of Star Safety System™	S	S
Anti-lock Brake System (ABS) – part of Star Safety System™	S	S
Electronic Brake-force Distribution (EBD) – part of Star Safety System™	S	S
Brake Assist (BA)[32] and Smart Stop Technology®[33] – part of Star Safety System™	S	S
Pre-Collision System[34] with Pedestrian Detection[35] (PCS w/PD) – part of Toyota Safety Sense™ P (TSS-P)[4]	S	S
Active Traction Control (A-TRAC)	-	S
Hill-start Assist Control (HAC)[36]	S	-
Multi-terrain Select (MTS) and Crawl Control (CRAWL)[37]	S	-
<b>Convenience</b>		
Class IV towing receiver hitch, ATF cooler (not available on manual transmission), engine oil cooler, power steering cooler, 130-amp alternator, 4- & 7-pin connector with converter, and Trailer-Sway Control (TSC)[38] (V6 only)	S	S
<b>Cruise Control</b>		
Dynamic Radar Cruise Control (DRCC)[39] – part of Toyota Safety Sense™ P (TSS-P)[4]	S	S
<b>Power Outlets</b>		
Qi-compatible wireless smartphone and mobile device charging[29] (compatible smartphone is placed on top of the power transmission pad)	S	S
3 total USB ports[9]: 1 USB media port, 2 USB charge ports	S	S
Two 12-volt auxiliary power outlets	S	S
<b>Safety &amp; Security</b>		
Tire Pressure Monitor System (TPMS)[40]	-	-
Tire Pressure Monitor System (TPMS)[40] with individual tire location alert	S	S
Toyota Safety Sense™ P (TSS-P)[4] – includes Pre-Collision System[34] with Pedestrian Detection[35] (PCS w/PD), Lane Departure Alert (LDA)[41] with Sway Warning System (SWS)[42], Automatic High Beams (AHB)[43] and Dynamic Radar Cruise Control (DRCC)[39]	S	S
Star Safety System™ – includes Vehicle Stability Control (VSC)[31], Traction Control, Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD), Brake Assist (BA)[32] and Smart Stop Technology®[33]	S	S
Blind Spot Monitor (BSM)[7] and Rear Cross-Traffic Alert (RCTA)[8]	S	S
Rear parking assist sonar[6]	S	S

	<b>TRD Pro (V6 6AT 4WD Double Cab 5' Bed)</b>	<b>TRD Pro (V6 6MT 4WD Double Cab 5' Bed)</b>
Child-protector rear door locks	S	S
Engine immobilizer[44]	S	S
<b>Seatbelts &amp; Child Restraint System</b>		
Driver and front passenger active headrests	S	S
3-point seatbelts for all seating positions; driver-side Emergency Locking Retractor (ELR) and Automatic/Emergency Locking Retractor (ALR/ELR) on all passenger seatbelts	S	S
LATCH (Lower Anchors and Tethers for Children) includes lower anchors for front passenger seat on Access Cab and outboard rear seats on Double Cab	S	S
<b>Windows, Glass &amp; Wipers</b>		
Two-speed windshield wipers	-	-
Variable intermittent windshield wipers	S	S
<b>Interior</b>		
<b>Air Conditioner, Heater &amp; Defroster</b>		
Air conditioning	-	-
Front dual-zone automatic climate control with air filter and individual temperature settings for driver and front passenger	S	S
<b>Audio, Entertainment &amp; Navigation</b>

# Disclaimers

- Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle

“equipment” includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle’s exact curb weight is to weigh your vehicle without passengers or cargo. Calculated with the new SAE J2807 method.

2. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.
3. 17-in. & 18-in. performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than mileage expectancy, depending on driving conditions.
4. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
5. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for additional limitations and details.
6. Rear Parking Assist Sonar is designed to warn drivers of potential rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Rear Parking Assist Sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details.
7. Do not rely exclusively on the blind spot monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner's Manual for additional limitations and details.
8. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner's Manual for additional limitations and details.
9. May not be compatible with all mobile phones, MP3/WMA players and like models.
10. JBL is a registered trademark of Harman International Industries, Incorporated.
11. 2019 Tacoma 4-cyl. 6AT preliminary 20/city, 23/hwy, 21/comb MPG estimates determined by Toyota. EPA estimates not available at time of posting. Actual mileage will vary.
12. MSRP excludes the Delivery, Processing and Handling Fee of \$920 for Cars (Yaris, Yaris iA, 86, Corolla, Corolla HB, Camry, Camry HV, Prius LB, Prius c, Prius Prime, Mirai, Avalon, Avalon HV), \$1,045 for Small/Medium Trucks, SUVs and Van (C-HR, RAV4, RAV4 HV, Highlander, Highlander HV, 4Runner, Sienna, Tacoma), \$1,295 for Large SUVs (Sequoia, Land Cruiser), and \$1,395 for Large Trucks (Tundra). (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. Actual dealer price will vary.
13. Based on manufacturer estimates, CY 2017 sales.
14. Based on manufacturer estimates, CY 2008–2017 sales.
15. Vehicle's projected resale value is specific to the 2018 model year. For more information, visit Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.
16. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details.
17. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See Toyota.com/entune for details.
18. Availability & accuracy of the information provided by the navigation system is dependent upon many factors. Use common sense when relying on information provided. Services & programming subject to change. Services not available in every city or roadway. Updates may be available from your dealer at an additional cost. See Owner's Manual for details.
19. iPod is a registered trademark of Apple Inc. All rights reserved.
20. Advanced Voice Recognition capabilities vary by head unit.
21. Concentrating on the road should always be your first priority while driving. Do not use the hands-free phone system if it will distract you.
22. The *Bluetooth* word mark and logos are registered trademarks owned by *Bluetooth SIG, Inc.* and any use of such marks by Toyota is under license. A compatible *Bluetooth* enabled phone must first be paired. Phone performance depends on software, coverage and carrier.
23. Always drive safely, obey traffic laws and focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. Data charges may apply. See Apple.com and phone carrier for details. Siri is a registered trademark of Apple Inc.
24. The Scout GPS Link app is compatible with select vehicle models. Availability and accuracy of the information provided by Scout GPS Link is subject to change at any time without notice and is dependent upon many factors, including smartphone connectivity, capability and cellular reception. Always use safe driving practices and follow all traffic rules. Data charges may apply. Scout and Telenav are registered trademarks of Telenav, Inc. The Scout GPS Link trial is at no extra cost and begins when the app is downloaded on the vehicle. Contact the Toyota Customer Experience Center at 800-331-4331 for length of trial period. After the trial

- period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply.
- 25. SiriusXM audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2018 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc.
  - 26. HD Radio Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp.
  - 27. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See [Toyota.com/entune](http://Toyota.com/entune)® for details.
  - 28. HomeLink and the HomeLink house icon are registered trademarks of Gentex Corporation.
  - 29. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns.
  - 30. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.
  - 31. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
  - 32. Brake Assist (BA) is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details.
  - 33. Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for additional limitations and details.
  - 34. The TSS Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
  - 35. The Pedestrian Detection System, part of the Advanced Pre-Collision System, is designed to detect a pedestrian or bicyclist ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a collision avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for additional limitations and details.
  - 36. Hill-Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
  - 37. Crawl Control is designed for driving on difficult terrain at low speeds. It assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. The Tacoma is designed to meet off-road driving requirements, but off-roading is inherently dangerous. Always wear seatbelts. See Owner's Manual for additional limitations and details.
  - 38. Trailer Sway Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.
  - 39. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner's Manual for additional limitations and details.
  - 40. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for details.
  - 41. Lane Departure Alert is designed to read visible lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
  - 42. Sway Warning is designed to provide a visual and audible alert if it detects a pattern of vehicle movement that might indicate driver inattention or drowsiness. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details.
  - 43. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring the driver to manually operate the high beams. See Owner's Manual for additional limitations and details.
  - 44. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting [www.aloa.org](http://www.aloa.org).
  - 45. 2019 preliminary MPG estimates by Toyota. Actual mileage will vary.

46. ToyotaCare plan covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.
47. Roadside Assistance coverage is 2 years unlimited mileage. Does not include parts and fluids, except emergency fuel delivery. See Toyota Dealer for details and exclusions. Valid only in the continental U.S. and Alaska.
48. For more information, please visit [iSeeCars.com](http://iSeeCars.com).
