LIMITED/HYBRID LIMITED

THE ULTIMATE AVALON

- Three-zone automatic climate control with air filter and rear-seat vents
- Entune™ Premium JBL® Audio with Navigation and App Suite - includes the Entune Multimedia Bundle (7-in. high resolution touch-screen with split screen display, AM/FM CD player with MP3/WMA playback capability, 11 JBL® GreenEdge™ speakers in nine locations including subwoofer and amplifier, auxiliary audio jack, USB 2.0 port with iPod®[†] connectivity and control, advanced voice recognition, hands-free phone capability, phone book access and music streaming via Bluetooth®[†] wireless technology), Entune® App Suite[†], HD Radio™[†], HD predictive traffic and doppler weather overlay, AM/FM cache radio, SiriusXM All Access Radio[†] with 3-month complimentary trial, Gracenote® album cover art and integrated backup camera[†] display with projected path
- High Intensity Discharge (HID)[†] Quadrabeam headlights with auto on/off feature and LED Daytime Running Lights (DRL)
- Safety Connect^{®†} – includes Emergency Assistance, Stolen Vehicle Locator, Roadside Assistance and Automatic Collision Notification (available by subscription; complimentary one-year trial subscription)
- Premium perforated leather-trimmed multi-stage heated and ventilated front seats; 10-way power-adjustable driver's seat with power lumbar

- support and power cushion extension; 8-way power-adjustable front passenger seat
- Heated rear seats
- Rain-sensing washer-linked variable intermittent windshield wipers
- Available Technology Package {AY} – includes Dynamic Radar Cruise Control (DRCC)[†], Automatic High Beam, Pre-Collision System (PCS)[†] and Qi wireless charging capability for eBin[™] storage tray

Competitive Comparison 2015 BUICK LACROSSE

KEY ADVANTAGES

2015 Avalon XLE vs. 2015 Buick LaCrosse Leather Group

- **Better fuel economy ratings*** – Avalon achieves better estimated mileage ratings than LaCrosse across the board
- **Roomier interior** – Avalon offers both greater cargo volume[†] as well as greater EPA passenger volume than LaCrosse
- **Peace of mind** – Avalon features 10 airbags[†] while LaCrosse features 8, and includes Whiplash-Injury-Lessening (WIL)[†] front seats unmatched by LaCrosse
- **Connectivity** – Avalon XLE includes 8 standard speakers, HD Radio^{TM†}, and Intelligent Touch controls for climate and audio systems – upscale refinements not available on LaCrosse Leather Group
- **Upgrades** – Avalon XLE Premium and above can be equipped with Toyota's Entune[®] App Suite[†], providing in-cabin connectivity not matched by LaCrosse at any level. And Avalon Limited models offer Qi wireless charging capability, another impressive feature not matched by LaCrosse
- **Value** – Comparing 2014 models on IntelliChoice[†], Avalon received a better value rating and boasts lower 5-year estimated ownership costs than LaCrosse

BUICK LACROSSE CHALLENGES

- OnStar[®] with 4G LTE – built-in Wi-Fi hotspot capability
- Available continuously variable real-time damping suspension
- Available All-Wheel Drive
- Standard 8-in. IntelliLink[®] touch-screen display on all models

2015 FORD TAURUS

KEY ADVANTAGES

2015 Avalon XLE vs. 2015 Ford Taurus Limited FWD

- **Better fuel economy ratings*** – Comparing V6 engines, Avalon is rated at 21/31/24 (city/hwy/combined) while Taurus Limited is rated at 19/29/23
- **Better pounds-per-horsepower ratio** – Avalon is a nimbler, much lighter vehicle that pulls less weight than Ford Taurus, adding to its agile performance
- **Comfort and convenience** – Avalon comes standard with leather-trimmed seating and Smart Key[†] functionality with push button start. Taurus doesn't come standard with leather or push button start until Limited trim
- **Technology** – Avalon XLE features standard 8 speakers, HD Radio^{TM†}, and HD traffic and weather in major metro areas, just a few features not standard on Taurus Limited
- **Safety** – Avalon boasts ten standard airbags[†] compared to Taurus' six, and includes Whiplash-Injury-Lessening (WIL)[†] front seats and ToyotaCare[†] coverage unmatched by Taurus
- **Value** – Comparing 2014 models on IntelliChoice[†], Avalon's lowest value rating matched Taurus' highest rating, and Avalon XLE received lower 5-year estimated ownership costs than Taurus Limited

FORD TAURUS CHALLENGES

- Available SHO model with EcoBoost[®] turbocharged V6 engine
- Available Lane-Keeping System and Adaptive Cruise Control and Collision Warning with Brake Support
- Available All-Wheel Drive
- Power-adjustable pedals with memory standard on Taurus Limited (new for 2015)

2015 HYUNDAI AZERA

KEY ADVANTAGES

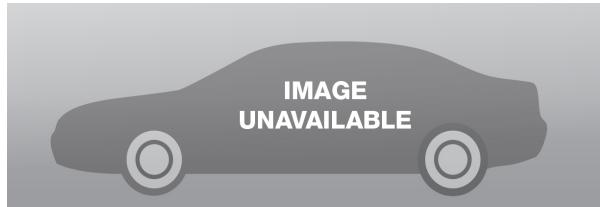

2015 Avalon XLE vs. 2015 Hyundai Azera

- **Better EPA gas mileage ratings*** – 21/31/24 MPG vs. 20/29/23 for Azera
- **Performance** – Avalon features paddle shifters and Sport, ECO and Normal Drives modes across its gas model lineup – Azera only offers an Active ECO System comparable to ECO Drive mode and paddle shifters are completely unavailable. Plus, Avalon has a lighter curb weight (3461 lb. vs. 3684 lb.) than Azera for more agile performance
- **Technology** – Avalon features subscription-free HD traffic and weather in major metro areas, and while Azera has SiriusXM Travel Link® it is only standard for a 3-month trial period. Plus, Avalon comes standard with Intelligent Touch controls for the climate and audio systems. A feature unavailable on Azera
- **Safety** – Avalon boasts 10 standard airbags[†] compared to Azera's nine
- **Value** – According to IntelliChoice[†], the 2014 Avalon XLE received a better value rating and boasts lower 5-year estimated ownership costs than 2014 Azera

HYUNDAI AZERA CHALLENGES

- 10-year/100,000-mile powertrain warranty, 5-year/unlimited-mile roadside assistance
- More horsepower and torque
- Larger diameter front and rear brakes
- Greater cargo volume[†] and passenger volume
- Standard 14-speaker audio, navigation systems with 8-in. touch-screen

2015 CHRYSLER 300

KEY ADVANTAGES

2015 Avalon XLE vs. 2015 Chrysler 300C RWD

- **Better V6 city and combined fuel economy ratings*** – Despite Chrysler 300's 8-speed automatic transmission, Avalon beats it in city and combined MPG ratings, 21/31/24 MPG vs. 19/31/23 MPG
- **More standard-equipment airbags[†]** – Avalon comes with ten airbags[†], including driver and front passenger knee airbags[†] and rear-seat side airbags[†], while Chrysler 300 has seven
- **Less weight** – Avalon is over 550 lb. lighter than Chrysler 300, an advantage that's seen in excellent fuel efficiency and performance
- **Technology** – Avalon features standard subscription-free HD traffic and weather (in major metro areas) and while 300C has standard SiriusXM Traffic and Travel Link, it only comes with a 1-year trial subscription
- **Value** – Comparing 2014 models on IntelliChoice[†], Avalon received a better value rating and boasts lower 5-year estimated ownership costs than 300c

CHRYSLER 300 CHALLENGES

- 8-speed automatic transmission
- More horsepower and torque
- Available 5.7L HEMI[®] V8
- Standard 8.4-in. touch-screen
- Available Beats by Dr. Dre and Harman Kardon audio systems

2014 NISSAN MAXIMA

KEY ADVANTAGES

2015 Avalon XLE vs. 2014 Nissan Maxima SV FWD

- **Roomier rear seating** – Avalon provides more cargo room[†] and passenger volume than Maxima. In fact, Avalon has 1.5 inches more of headroom and more than 4.5 inches more leg room than Maxima
- **Better EPA fuel mileage ratings*** – Despite Maxima's CVT, Avalon gets better EPA fuel economy ratings, 21/31/24 MPG (city/hwy/combined) vs. Maxima's 19/26/22
- **More standard amenities** – Avalon XLE comes standard with a backup camera[†], heated front seats and *Bluetooth*[®] streaming audio. All three cost extra on Maxima SV
- **Technology** – Avalon XLE features a standard 6.1-in. touch-screen, HD Radio^{TMT} and IntelliTouch capacitive touch audio and climate controls – features with availability unmatched by Maxima SV
- **Safety** – Avalon boasts ten standard airbags[†] compared to Maxima's six, and includes Whiplash-Injury-Lessening (WIL)[†] front seats and ToyotaCare[†] coverage unmatched by Maxima
- **Value** – Comparing 2014 models on IntelliChoice[†], Avalon received a better value rating and boasts lower 5-year estimated ownership costs than Maxima. In fact, Maxima's two models both received “Poor” ratings. While Avalon's lowest rating was “Above Average”

NISSAN MAXIMA CHALLENGES

- More horsepower and torque
- More front head and leg room
- Larger diameter front and rear brakes

Tips & Facts

Demo Tips

Make the most of the Smart Key[†] by demonstrating its full capabilities. Set the exterior mirrors and driver seat memory positions, and then change both items to completely different positions. Now, approach the car with the customer and display how the key fob “activates” the door handles, allowing the vehicle to be unlocked as soon as the handle is pulled; doing so will automatically adjust the seats and mirrors. Entering the car with seat and mirrors

in the perfect pre-set positions—without touching the key or key fob—is sure to make a lasting impression.

Before sending your customer on his or her test drive, point out the heated seat control. If that doesn't impress the customer, the ventilation function on the Limited sure will. Avalon is one of the few cars in its class to offer such a feature.

Ask your Avalon customers if they have ever used a smartphone, an iPad or some other kind of touch-screen tablet. If so, then they will feel right at home with Avalon's Intelligent Touch switches. Intelligent Touch switches have replaced some of the more conventional buttons and controls used to operate Avalon's audio, navigation and climate control systems, operating with a similar feel to touch-screen technology through capacitive sensors that respond to touch. Show your customers just how easy they are to use, then have them try. There are three sensitivity levels—the default is set on 'High.' The Intelligent Touch capacitive switches can even be used with gloves. It is recommended that customers ask the dealer to adjust the settings if they feel they are too sensitive.

Quick Facts

The Limited's HID headlights[†] produce approximately three times as much light as conventional halogen bulbs. The light they put out is also whiter, helping to increase visibility and making reflective surfaces like street signs stand out more. It's a great feature for those who have difficulty driving at night.

Preventing heat and glare transmissions through the large rear window can be a problem on some cars, but not on Avalon Limited. The power rear-window sunshade makes for a more comfortable ride—especially for rear-seat passengers. And the sunshade automatically retracts when backing up for maximum visibility.

Dynamic Radar Cruise Control (DRCC)[†]—available on the Limited {AY} — helps make driving more enjoyable when covering long distances at highway speeds. When cruising at speeds above 25 miles per hour, the driver can choose to maintain a desired distance between his or her vehicle and the one directly in front by simply pressing a switch: long (approximately 245 feet), ** medium (approximately 165 feet) or short (approximately 100 feet).

Disclaimers

[†]Please see "Cautions" section in the back of this book for important information on this feature.

^{*}2015 and 2014 EPA MPG estimates. Actual mileage will vary.

^{**}Range distances listed are approximate and will vary based on vehicle speed.

Competitive comparison reflects most current information available for stated model year vehicles.

Competitive information was compiled from each manufacturer's website, February 2015, with additional information from www.edmunds.com. All information is believed to be correct at date of printing and is subject to change without notice.

*MSRP excludes the Delivery, Processing and Handling Fee of \$825 for Cars, \$885 for Small/Medium Trucks (Sienna, RAV4, Venza, Highlander Gas, Highlander Hybrid, FJ Cruiser, 4Runner, and Tacoma), \$925 for Large SUV (Land Cruiser, Sequoia) and \$1100 for Large Trucks (Tundra). Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, FL, GA, NC, SC, AR, LA, MS, OK and TX will be higher. Actual dealer price will vary.
