

2024 Camry

Top 5 Facts

- * Efficient hybrid grades
- * Available AWD with four-cylinder engine
- * Standard Toyota Safety Sense™ 2.5+[1]
- * Stylish SE Nightshade Edition with 19-in. TRD matte-bronze-finished wheels
- * Exciting performance-oriented TRD grade

What's New

Camry returns for 2024 with an expansive lineup that includes efficient hybrid grades and the performance-focused TRD model. SE Nightshade Edition is back to amp up Camry's style game with features like 19-inch TRD matte-bronze-finished alloy wheels, while AWD remains available with the standard four-cylinder gas engine.

Key Features

LE

Camry LE impresses with stylish 17-inch alloy wheels on the outside and a 7-inch touchscreen with Apple CarPlay®[2] and Android Auto™[3] compatibility inside.

- Toyota Safety Sense™ 2.5+ (TSS 2.5+)[1]
- Dual-zone automatic climate control
- Available all-wheel drive

LE Hybrid

In hybrid guise, Camry transforms into a midsize wonder thanks to with exceptional estimated fuel economy ratings and standard convenience features – like Smart Key System with Push Button Start – for its well-equipped LE Hybrid trim.

- 208 hp (net comb.)[4]
- Manufacturer-est. 52 mpg (comb.)[5]
- Full-Speed Range Dynamic Radar Cruise Control[6]

SE

Camry SE gets larger, 18-inch black machined-finished alloy wheels with a color-keyed rear spoiler and sport side rocker panels outside, as well as sport SofTex®-trimmed[7] front seats and paddle shifters.

- Headlights and taillights with black accents
- Sport-tuned suspension

- Available all-wheel drive

SE Hybrid

SE Hybrid sports an advanced hybrid powertrain offering instant torque, smooth acceleration, and more fun.

- Manufacturer-est. 46 mpg (comb.)(5)
- Sport-tuned suspension
- Full-Speed Range Dynamic Radar Cruise Control(6)

SE Nightshade

Camry SE Nightshade Edition doubles down on style with 19-inch TRD matte bronze-finished alloy wheels and black-painted exterior accents.

- Black exterior badging
- Sport-tuned suspension
- Available all-wheel drive

SE Hybrid Nightshade

The SE Hybrid Nightshade Edition includes 19-inch TRD matte bronze-finished alloy wheels and sport SofTex®-trimmed(7) front seats, transforming this hybrid into a head-turner.

- Black exterior badging
- Sport-tuned suspension
- Black-painted exterior accents

XLE

XLE refines Camry's interior with a vibrant 9-inch touchscreen and a 7-inch Multi-Information Display (MID) front and center, in addition to leather-trimmed multi-stage heated front seats.

- Blind Spot Monitor (BSM)(8) with Rear Cross-Traffic Alert (RCTA)(9)
- Qi-compatible wireless smartphone charging(10)
- Available all-wheel drive

XLE Hybrid

Camry XLE Hybrid adds leather-trimmed seating, a larger audio multimedia touchscreen and Multi-Information Display (MID). The standard hybrid system brings impressive efficiency and smooth power delivery for added refinement.

- Blind Spot Monitor (BSM)[8] with Rear Cross-Traffic Alert (RCTA)[9]
- Qi-compatible wireless smartphone charging[10]
- Ambient interior lighting

XSE

XSE brings the most out of Camry's sleek look with 19-inch gloss-black alloy wheels, dual exhaust with quad chrome tips, and an available eye-catching Cockpit Red leather-trimmed interior.

- 206 hp
- Sport-tuned suspension
- Available all-wheel drive

XSE Hybrid

The XSE Hybrid trim ups the sporty hybrid ante with impressive looks inside and out that include leather-trimmed seats, plus an available two-tone Midnight Black Metallic roof[11] and rear spoiler.

- Blind Spot Monitor (BSM)[8] with Rear Cross-Traffic Alert (RCTA)[9]
- Sport-tuned suspension
- Ambient interior lighting

XLE V6

A 9-speaker JBL®[12] audio system and 3-year Dynamic Navigation trial[13] (4G network dependent) are just a few of the added amenities Camry XLE V6 has to offer – along with a more powerful six-cylinder engine.

- 301 hp
- 10-in. color Head-Up Display (HUD)
- Panoramic glass roof

XSE V6

In addition to a panoramic glass roof that offers unparalleled views, and high-tech 10-inch color Head-Up Display (HUD) that helps keep eyes forward, Camry XSE V6 also packs a potent powerplant under the hood.

- 301 hp
 - Sport-tuned suspension
 - 9-speaker JBL®[12] audio system

TRD

Sitting on 19-inch TRD matte-black alloy wheels, Camry TRD is ready to hit the track with its front splitter, side aero skirts, rear diffuser, and pedestal rear spoiler, as well as Active Cornering Assist (ACA) to further enhance its agility.

- 301 hp
 - TRD track-tuned suspension
 - TRD cat-back exhaust

Disclaimers

1. Toyota Safety Sense effectiveness depends on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for limitations.
2. Requires compatible smartphone. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. Apple CarPlay is a registered trademark of Apple Inc.
3. Android Auto requires compatible smartphone. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to www.toyota.com/audio-multimedia/. To learn more about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. To use Android Auto on your car display, you'll need an Android phone running Android 8 or higher, an active data plan, and the Android Auto app. Google, Android Auto, YouTube Music and other marks are trademarks of Google LLC.
4. 208 net combined horsepower.
5. Projected manufacturer-estimated 51city/53hwy/52comb MPG rating for 2024 Camry LE Hybrid; 44city/47hwy/46comb MPG rating for 2024 Camry SE Hybrid as determined by manufacturer. EPA estimates not available at time of posting. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov.
6. Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for instructions and limitations.
7. SofTex is a registered trademark of Toyota Motor Sales, U.S.A., Inc.
8. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations.
9. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner's Manual* for limitations.
10. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.
11. Extra-cost color.
12. JBL is a registered trademark of Harman International Industries, Inc.
13. Operability and accuracy of Dynamic Navigation depends on certain factors outside of Toyota's control in order to operate, including cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service is subject to change at any time without notice. Paid subscription required after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and www.toyota.com/connected-services/ for limitations. To learn about Toyota's connected services data collection, use, sharing and retention practices, visit www.toyota.com/support/privacy-rights/. The Dynamic Navigation trial period is at no extra cost and begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply.
14. HomeLink and HomeLink® house icon are registered trademarks of Gentex Corporation.
15. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See *Owner's Manual* for limitations.
16. Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for instructions and limitations.
17. Charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.
18. A compatible Bluetooth enabled phone must be paired. Phone performance depends on software, coverage and carrier. The Bluetooth word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license.
19. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM® services require a subscription, each sold separately by SiriusXM after the trial period. Service subject

to the SiriusXM Customer Agreement and Privacy Policy, visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries.

20. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. System functionality and accuracy of information depends on many factors. Use common sense when relying on information provided. Services and programming subject to change. Updates may be at an additional cost. See *Owner's Manual* for limitations.
21. Destination Assist requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and www.toyota.com/connected-services/ for limitations. To learn about Toyota's connected services data collection, use, sharing and retention practices, visit www.toyota.com/support/privacy-rights/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply.
22. Toyota Connected Services depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Services vary by vehicle and are subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and www.toyota.com/connected-services/. For Toyota's Connected Services' data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable).
23. Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Digital Key also requires Bluetooth connectivity. Remote start/stop not available on manual transmission-equipped vehicles. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Terms of Use apply. Data charges may apply. See *Owner's Manual* and www.toyota.com/connected-services/ for additional details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply.
24. Safety Connect depends on certain factors outside of Toyota's control in order to operate, including 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Services vary by vehicle and are subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and www.toyota.com/connected-services/. For Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. A Safety Connect trial is included for up to 10 years on select vehicles with paid Connected Services packages. See your Toyota dealer for details. 4G network dependent.
25. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance, contact the Toyota Brand Engagement Center at 1-800-331-4331.
26. Requires cellular network availability, a cellular connection and GPS signal. May not work in all areas. Service may vary by vehicle and region. See Toyota dealer for details and exclusions.
27. Service Connect depends on certain factors outside of Toyota's control in order to operate, including 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Information provided is based on the last time data was collected from vehicle and is not real time data. Services vary by vehicle and are subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and www.toyota.com/connected-services/. For Toyota's connected services data collection, use, sharing and retention practices, please visit www.toyota.com/support/privacy-rights/. The Service Connect trial is included for up to 10 years. 4G network dependent.
28. Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Paid subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Data charges may apply. Valid in the contiguous U.S. and Alaska. Go to myvehicle.att.com/#/toyota/learn?language=en&country=US for terms and conditions.
29. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for limitations and details.
30. Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details.
31. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations.
32. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat.
33. Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe

- collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See *Owner's Manual* for limitations.
- 34. The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See *Owner's Manual* for limitations.
 - 35. When system is on, Electric Parking Brake is designed to engage Parking Brake under limited conditions and may not hold vehicle under all conditions. See *Owner's Manual* for additional limitations.
 - 36. When the system is on and the vehicle is in Drive, Brake Hold may temporarily keep the brakes engaged after the driver brings the vehicle to a complete stop. See *Owner's Manual* for limitations.
 - 37. Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See *Owner's Manual* for limitations.
 - 38. Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving practices. Speed, grade, surface conditions, driver input, etc. can affect HAC function. See *Owner's Manual*.
 - 39. Intelligent Clearance Sonar (ICS) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for limitations.
 - 40. Do not rely exclusively on the Rear Cross-Traffic Braking. Visually confirm clearance during use. See *Owner's Manual* for limitations.
 - 41. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to help reduce the crash speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of vehicle, pedestrian or bicyclist and weather, light and road conditions. See *Owner's Manual* for limitations.
 - 42. Smart Stop Technology will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See *Owner's Manual* for limitations.
 - 43. The Rear Seat Reminder does not sense objects in the rear seat. The Rear Seat Reminder is designed to recognize a unique rear door opening pattern that may be consistent with an object being placed in the rear seating area. See *Owner's Manual* for additional details.
 - 44. Automatic high beams operate at speeds above 25 mph. See *Owner's Manual* for instructions and limitations.
 - 45. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. Not available on vehicles with manual transmissions. See *Owner's Manual* for limitations.
 - 46. Road Sign Assist only recognizes certain road signs. See *Owner's Manual* for limitations.
 - 47. For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, hybrid (HV) battery covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage subject to the terms and conditions of New Vehicle Limited Warranty. See *Owner's Warranty and Maintenance Guide* for details.
 - 48. Hybrid-related components covered for 8 years from date of first use or 100,000 miles, whichever comes first. HV battery may have longer coverage under emissions warranty. See *Owner's Warranty and Maintenance Guide* for details.
 - 49. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance is included for two years, unlimited mileage (note: bZ4X, Mirai, Prius & Prius Prime include enhanced ToyotaCare and/or Roadside Assistance). Roadside Assistance limits towing distances and locations and does not include parts and fluids, except emergency fuel delivery for certain vehicles. Excludes rental company fleet sale vehicles. See your Toyota dealer for additional restrictions and exclusions. Valid only in continental U.S.
